COCA-COLA AMATIL ADVISES OF CHANGE TO SEGMENT REPORTING

Sydney, 7 February 2007: Coca-Cola Amatil (CCA) is advising of a change to its segment reporting. Effective from the 2006 financial year, to be reported to the market on February 15 2007, CCA will charge the corporate overhead to the divisions in order to simplify reporting and to provide greater transparency of the overall results to each of CCA's business units. The change will affect only the composition of the Company's reported earnings before interest and tax (EBIT) and will have no impact on total CCA EBIT numbers previously reported to the market.

The following tables summarise CCA's divisional earnings since 2002 in the new reporting format by half year as well as the originally reported EBIT numbers.
