Re: Cablevision Systems Corporation
Incoming letter dated January 21, 2014

The proposal requests that the board take the necessary steps to adopt a recapitalization plan that would eliminate the company's dual-class capital structure and provide that each outstanding share of common stock has one vote.

We are unable to concur in your view that Cablevision Systems may exclude the proposal or portions of the supporting statement under rule 14a-8(i)(3). Based on the information you have presented, we are unable to conclude that the portions of the supporting statement you reference impugn character, integrity or personal reputation, or make charges concerning improper, illegal or immoral conduct or associations, without factual foundation, in violation of rule 14a-9. Accordingly, we do not believe that Cablevision Systems may omit the proposal or portions of the supporting statement from its proxy materials in reliance on rule 14a-8(i)(3).

We are unable to concur in your view that Cablevision Systems may exclude the proposal under rule 14a-8(i)(6). In our view, the company does not lack the power or authority to implement the proposal. Accordingly, we do not believe that Cablevision Systems may omit the proposal from its proxy materials in reliance on rule 14a-8(i)(6).

We are unable to concur in your view that Cablevision Systems may exclude the proposal under rule 14a-8(i)(8). Accordingly, we do not believe that Cablevision Systems may omit the proposal from its proxy materials in reliance on rule 14a-8(i)(8).

DIVISION OF CORPORATION FINANCE
INFORMAL PROCEDURES REGARDING SHAREHOLDER PROPOSALS

The Division of Corporation Finance believes that its responsibility with respect to matters arising under Rule 14a-8 [17 CFR 240.14a-8], as with other matters under the proxy rules, is to aid those who must comply with the rule by offering informal advice and suggestions and to determine, initially, whether or not it may be appropriate in a particular matter to recommend enforcement action to the Commission. In connection with a shareholder proposal under Rule 14a-8, the Division's staff considers the information furnished to it by the Company in support of its intention to exclude the proposals from the Company's proxy materials, as well as any information furnished by the proponent or the proponent's representative.

Although Rule 14a-8(k) does not require any communications from shareholders to the Commission's staff, the staff will always consider information concerning alleged violations of the statutes administered by the Commission, including argument as to whether or not activities proposed to be taken would be violative of the statute or rule involved. The receipt by the staff of such information, however, should not be construed as changing the staff's informal procedures and proxy review into a formal or adversary procedure.

It is important to note that the staff's and Commission's no-action responses to Rule 14a-8(j) submissions reflect only informal views. The determinations reached in these no-action letters do not and cannot adjudicate the merits of a company's position with respect to the proposal. Only a court such as a U.S. District Court can decide whether a company is obligated to include shareholder proposals in its proxy materials. Accordingly a discretionary determination not to recommend or take Commission enforcement action, does not preclude a proponent, or any shareholder of a company, from pursuing any rights he or she may have against the company in court, should the management omit the proposal from the company's proxy material.

Re: Request by to omit stockholder proposal submitted to Cablevision Systems Corp. by Connecticut Retirement Plans and Trust Funds

Dear Sir/Madam,

Pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, Connecticut Retirement Plans and Trust Funds ("CRPTF"), together with the New York State Common Retirement Fund and AFL-CIO Reserve Fund (the "Proponents"), submitted a shareholder proposal (the "Proposal") to Cablevision Systems Corp. ("Cablevision" or the "Company"). The Proposal asks Cablevision's Board of Directors to take the necessary steps, excluding those steps that must be taken by Cablevision's shareholders, to adopt a recapitalization plan to eliminate Cablevision's dual-class capital structure and provide that each outstanding share of common stock has one vote.

By letter dated January 21, 2014 (the "No-action Request"), Cablevision stated that it intends to omit the Proposal from the proxy materials to be sent to shareholders in connection with the 2014 annual meeting of shareholders and asked for assurance that the Staff would not recommend enforcement action if it did so. Cablevision argues that it is entitled to exclude the Proposal in reliance on (a) Rule 14a-8(i)(6), on the ground that the Proposal is beyond the Company's power to implement; (b) Rule 14a-8(i)(8), arguing that the Proposal impermissibly questions the competence, business judgment or character of one or more directors; and (c) Rule 14a-8(i)(3) as impugning character, integrity or personal reputation without factual basis. Because Cablevision has not satisfied its burden of showing that it is entitled to rely on either exclusion, the CRPTF respectfully asks that its request for relief be denied.

The Proposal is Not Beyond Cablevision's Power to Implement

Members of the Dolan family and entities related to them (defined in the No-action Request and herein as the Dolan Family Interests) currently own shares that, through the use of a dual-class unequal voting structure, give the Dolan Family Interests voting control over Cablevision—including the right to elect up to 75% of the Board—while owning only 23.5% of outstanding shares. Cablevision argues that the Proposal is beyond the Company's power to implement because it would constitute an event of default under Cablevision's existing financing agreements if the Dolan Family Interests ceased to own shares entitling them to elect a majority of the Board.

A dual-class capital structure is not a simple governance feature like a classified board or shareholders' inability to call a special meeting, frequent topics of shareholder proposals. Eliminating a dual-class structure (often referred to as "unification") is a complex process in which the company buys out the holder(s) of the stock with superior voting rights and makes conforming changes to corporate documents to reflect the new capital structure.

Unification transactions require the consent of the controlling shareholder(s). A precatory proposal requesting that a board take steps toward unification, adopt a "plan" for eliminating a dual-class structure or retain an investment banker to explore unification are all really doing the same thing: allowing a company's public shareholders to express a view on the desirability of the dual-class structure. In each case, the unification will not happen without the consent of the controller. The most the board can do is ask.

If a controller agrees to the economic terms of a potential recapitalization transaction, the company must negotiate with any parties whose legal rights are affected by the transaction. Here, Cablevision's financing agreements embed the Dolan Family Interests' outsized influence by making its elimination an event of default (or by causing a cross-default upon a default and acceleration in another agreement). But even in the absence of such a provision, renegotiation or replacement of an existing financing agreement is often necessary[1] in order to consummate a unification transaction.

---

[1] Empirical research shows that renegotiation of credit agreements is the norm rather than the exception. A 2009 study examined 1000 private credit agreements between financial institutions and U.S. public companies. The study found that a major contract term was renegotiated in 75% of those agreements (and 90% of those with a stated maturity of over one year) before the stated maturity date. (Michael R. Roberts & Amir Sufi, "Renegotiation of Financial Contracts: Evidence From Private Credit Agreements," Journal of Financial Economics 93 (2009), at 160) A 2012 study found that the typical bank loan is renegotiated four times during the life of the contract, not including rolling over debt (which was not classified as a renegotiation). (Michael R. Roberts, "The Role of Dynamic Renegotiation and Asymmetric Information in Financial Contracting," at 1 (working paper Aug. 27, 2012) (available at http://web.law.columbia.edu/sites/default/files/microsites/contract-economic-organization/files/S13WK/Roberts.pdf))

For example, a company's existing credit agreement could contain covenants prohibiting the company from incurring additional indebtedness to obtain the funds it needs to finance a unification transaction. The company would have to try to renegotiate with its existing lender; if they couldn't come to agreement, the company might end up repaying the existing lender with proceeds of a new credit agreement with another lender. When Sotheby's eliminated its dual-class capital structure in 2005, it terminated its existing credit facility with GE Capital and entered into a new credit facility with a syndicate of lenders arranged by Banc of America Securities and LaSalle Bank; the purpose of the new facility was to fund in part the purchase of the company's super-voting shares from the Taubman family. (See 8-K filed by Sotheby's Holdings, Inc. on September 8, 2005 (available at http://www.sec.gov/Archives/edgar/data/823094/000095011705003618/a40471.htm))

In this way, a proposal asking a company to eliminate its dual-class capital structure is much like a precatory "sell the company" proposal. A "sell the company" proposal asks a board to take steps to sell or merge the company and allows shareholders to communicate with the board about whether they think they would be better off exiting their investment in the company via a fundamental transaction. A sale of a company—by definition a change of control--could trigger a default under a company's financing agreements and might also violate covenants in other agreements such as leases or employment agreements. But the non-binding "sell the company" proposal is not beyond a company's power to implement because of these collateral consequences. The central focus of the proposal is on the desirability of the outcome, and it leaves to the board's discretion the question of how to work toward that outcome. By asking Cablevision's board to "take the necessary steps" to move to a one-share/one-vote capital structure rather than outlining exactly what those steps should be, the Proposal gives Cablevision's board latitude to negotiate a transaction that meets the needs of all of Cablevision's stakeholders.

Cablevision goes so far as to argue that the Proponents should not be permitted to amend the Proposal to carve out conflicts with existing contracts.[2] Cablevision asserts that the some of the debt issued under its indentures does not mature until 2022 and urges that a carveout would therefore be inappropriate, given the "many years" between the Company's 2014 annual meeting and 2022. Taken to its logical conclusion, Cablevision's interpretation of Rule 14a-8(i)(6) would insulate a company from a proposal suggesting a dual-class unification for the duration of its longest-dated contract. It seems likely, based on past practice, that Cablevision will continue to enter into financing agreements that define a loss of control by the Dolan Family Interests as an event of default, moving the last maturity date even further into the future. As a practical matter, then, the answer to when Cablevision shareholders can consider a dual-class unification proposal might well be "never." Cablevision should not be permitted to unilaterally prevent shareholders from

[2] This argument is odd considering that Cablevision distinguished the Proposal from another submitted at Martha Stewart Living Omnimedia (Mar. 7, 2011) ("MSLO"), which the Staff did not allow MSLO to exclude as beyond the company's power to implement, on the basis that the MSLO proposal contained language stating that the "plan" to achieve one share/one vote should be carried out "in accordance with applicable laws and existing contracts."

considering a straightforward non-binding proposal expressing a view on the desirability of continuing the Dolan Family Interests' control by agreeing to entrenching contractual provisions.

For the reasons discussed above, the Proponents believe that the Proposal, as drafted, is not excludable as beyond Cablevision's power to implement. If the Staff believes, however, that it would be appropriate to clarify that the Proposal does not ask Cablevision's board unilaterally to take steps that could result in default and acceleration under Cablevision's existing financing agreements, that objective could be accomplished by adding the following to the end of the resolved clause: "This Proposal does not ask the Board to take any action that would trigger a default or event of default under any financing agreement to which Cablevision or any subsidiary is a party." The Proponents would be willing to add this language.

Because Cablevision has not satisfied its burden of proving that it is entitled to omit the Proposal as beyond the Company's power to implement, its request to omit the Proposal in reliance on Rule 14a-8(i)(6) should be denied.

The "Director Elections" Exclusion Does not Support Omission of the Proposal Because the Few Statements Regarding the Dolan Family Interests Could Not Be Viewed as Affecting an Upcoming Director Election

Cablevision claims that the Proposal may be excluded pursuant to Rule 14a-8(i)(8)(iii), which permits omission of a proposal that "questions the competence, business judgment or character of one or more nominees or directors." Cablevision appears to believe that this language supports exclusion of any proposal critical of an incumbent board. But consideration of the director election exclusion in its entirety, as well as the Commission's statements about the purpose of the exclusion, make clear that the exclusion is meant to apply much more narrowly to allow exclusion only of proposals that are so personal and strident that they can fairly be viewed as campaigning against particular nominees' election.

The director election exclusion lists five specific bases on which omission will be allowed. The language of the fifth, catch-all, basis allows exclusion of any proposal not listed in the four preceding bases that "[o]therwise could affect the outcome of the upcoming election of directors." (emphasis added) The other bases describe proposals that would directly affect the next director election by disqualifying, removing or creating a contested election against one or more directors. The use of "otherwise" suggests that all of Rule 14a-8(i)(8)'s bases for exclusion are intended to exclude proposals that could affect the outcome of an upcoming board election.

The Commission's statements about the director election exclusion's purpose also support this reading. In Exchange Act Release 56914 (Dec. 6, 2007), cited by Cablevision, the Commission emphasized that the addition of the proxy access basis to the director election exclusion was consistent with the purpose of that exclusion: to prevent a shareholder from using Rule 14a-8 to "wage an election contest without

providing the disclosures required by the Commission's present rules governing such contests." Thus, the director election exclusion should not be read to forbid any criticism of an incumbent board; rather, only criticism that could be characterized as trying to affect an upcoming election supports exclusion.

Staff determinations have also distinguished between proposals stating disagreement with a board's or director's actions and proposals that are little more than a platform for campaigning against one or more nominees. In each of the three determinations cited by Cablevision, a substantial portion of the proposals consisted of pointed and very personal criticism, in some instances even name-calling, that went far beyond the discussion in the Proposal's supporting statement.

In both The Black & Decker Corporation (Jan. 21, 1997) and AT&T Corp. (Feb. 13, 2001), the proposals asked for an independent board chairman. Four of the six paragraphs of the AT&T proposal's supporting statement consisted of a detailed critique of the Chair/CEO Michael Armstrong, including stock price performance under his leadership, a botched "bundling" strategy that he later sought to reverse, operational shortcomings and a debt rating downgrade. The Staff agreed with AT&T that the proposal questioned Mr. Armstrong's business judgment and thus could be excludable under Rule 14a-8(i)(8).

Similarly, the Black & Decker proposal argued that the need for an independent chair was particularly acute at that company given the "personal characteristics" of the CEO, including his "big ego," humiliation of executives, and tendency to "run roughshod" over others. The proposal concluded by snarkily noting that "Limiting Mr. Archibald's role to chief executive is unlikely to stifle his ability to air his views in board meetings while introducing a new level of scrutiny over his decisions." The Staff concurred that exclusion in reliance on (i)(8) was proper, reasoning that the "actions contemplated by the proposal, together with certain contentions made in the supporting statement, question the business judgment, competence and service of the Company's chief executive officer" who will stand for reelection.

In Marriott International (Mar. 12, 2010), the proposal urged that the company's board be cut from 11 members to seven by "delet[ing]" four specific incumbent directors from the board for various reasons. The proposal argued with respect to one director that "deletion" was appropriate because of "the way he handled the Spelman situation and the way he was forced out of his job at the Smithsonian I wonder how he enjoys the support of [Marriott International] shareholders." The Staff allowed exclusion, reasoning that the proposal "appears to question the business judgment of a board member whom Marriott expects to nominate for reelection at the upcoming meeting of shareholders."

Here, by contrast, the Proposal cannot be read as trying to affect an upcoming election of directors. As a practical matter, nothing in the Proposal *could* affect whether directors elected by the holders of Class B Common Stock are reelected because the Dolan Family Interests own all of that stock. Even assuming the exclusion should apply where the directors mentioned in a proposal are elected solely by a controlling

shareholder or group, the Proposal focuses very little on any individual person (or on the Dolan Family Interests as a group) and refrains from direct personal attacks of the kind seen in the AT&T, Black & Decker and Marriott determinations. Charles and James Dolan are identified for the purpose of describing the governance arrangement by which the Dolan Family Interests control the Cablevision board. No specific criticism is offered regarding either man's performance as a director.

The Proposal does not argue or imply that any member of Cablevision's board or the board as a whole is incompetent or has questionable business judgment or character. Instead, it discusses the opinions of governance experts regarding dual-class capital structures, including the potential for misalignment of incentives and extraction of private benefits of control. These issues have been widely discussed in connection with governance controversies and episodes of misconduct at companies with dual-class structures. Likewise, the Proposal presents empirical evidence linking dual-class structures with poorer firm performance and describes Cablevision's subpar performance over the past several years. The Proposal does not conclude as a factual matter that Cablevision's performance problems are caused by the dual-class structure. However, the Proponents believe that the Dolan Family Interests' track record as controllers has been uneven and that shareholders should consider that record when deciding whether the Dolan Family Interests should continue to exert control through a dual-class capital structure.

Discussion of the board disagreement over Zoom was intended to illustrate the difficulties that can arise when family relationships complicate board decision making. Those difficulties were discussed candidly by James Dolan in an interview for the New York magazine article cited in the Proposal. The younger Dolan described how hard it was to tell his father that Cablevision's board would no longer support Voom, a satellite television operator (after receiving a legal opinion that they could be liable to shareholders if they continued to do so), and how angry his father was about the board's decision. James Dolan remarked that as a son, he wanted what his father wanted, while as an officer and director of the company, he had to consider other factors.

Precluding any criticism of board decision making in a proposal on the ground that it could conceivably affect an upcoming director election would be at odds with the basic nature of shareholder proposals. A proposal is a shareholder's "recommendation or requirement that the company and/or its board of directors take action . . . ." (Rule 14a-8(a)) If the company is already doing what the shareholder asks--or has "substantially implemented" the Proposal, in Rule 14a-8 parlance (Rule 14a-8(i)(10))--the proposal can be excluded from the proxy statement. Thus, shareholder proposals are likely to be critical of actions taken (or not taken) by the current board. Unless that criticism rises to the level of campaigning against directors, which it does not in the Proposal, exclusion under Rule 14a-8(i)(8) is not warranted.

The Proposal is not Materially False or Misleading to Shareholders

the Kemper family members and implied that UMB and the Kemper family had engaged in improper and immoral activity, justifying exclusion. The Staff declined to grant relief.

Cablevision has not met its burden of proving that it is entitled to omit the Proposal in reliance on Rule 14a-8(i)(3). The CRPTF respectfully asks that the relief Cablevision seeks be denied.

* * *

If you have any questions or need anything further, please do not hesitate to call me on (860) 702-3292. The CRPTF appreciates the opportunity to be of assistance in this matter.

Very truly yours,

Francis H. Byrd

Re: Cablevision Systems Corporation—Omission of Shareholder Proposal Pursuant to Rule 14a-8

Ladies and Gentlemen:

On behalf of our client, Cablevision Systems Corporation (the "Company"), we hereby submit this letter pursuant to Rule 14a-8(j) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), with respect to three identical proposals, each dated December 11, 2013, submitted for inclusion in the Company's proxy materials (the "Proxy Materials") for its 2014 annual meeting of shareholders, by Connecticut Retirement Plans and Trust Funds, the AFL-CIO Reserve Fund and the New York State Common Retirement Fund (together, the "Proponents"). The proposals (the "Proposals") and the accompanying supporting statements (the "Supporting Statements") are attached to this letter as Annex A.

We believe that the Proposals and the Supporting Statements may be omitted from the Proxy Materials pursuant to (i) Rule 14a-8(i)(6) because the Company lacks the power and authority to implement the Proposals; and (ii) Rule 14a-8(i)(3) and Rule 14a-8(i)(8)(iii) because the Supporting Statements question the competence, business judgment or character of one or more directors.

In accordance with Rule 14a-8(j) under the Exchange Act, we hereby give notice, on behalf of the Company, of the Company's intention to omit the Proposals and Supporting Statements from the Proxy Materials and hereby respectfully request that the staff of the Division of Corporation Finance (the "Staff") of the Securities and Exchange Commission (the "Commission") indicate that it will not recommend enforcement action to the Commission if the Company omits the Proposals and Supporting Statements from the Proxy Materials.

This letter constitutes our statement of the reasons why we deem this omission to be proper. We have submitted this letter, including the Annexes, to the Commission via e-mail to shareholderproposals@sec.gov. Pursuant to Rule 14a-8(j), we have filed this letter with the Commission no later than 80 calendar days before the Company intends to file its definitive 2014 Proxy Materials with the Commission. A copy of this letter is being sent simultaneously to the Proponents as notification of the Company's intention to omit the Proposals from the 2014 Proxy Materials.

The Proposals

The Proposals read as follows:

RESOLVED, that shareholders of Cablevision Systems Corporation ("Cablevision" or the "Company") request that the Board of Directors take the necessary steps (excluding those steps that must be taken by the Company's stockholders) to adopt a recapitalization plan that would eliminate Cablevision's dual-class capital structure and provide that each outstanding share of common stock has one vote.

Grounds for Omission

A. The Company lacks the power and authority to implement the Proposals.

Under Rule 14a-8(i)(6), a company may exclude a shareholder proposal "if the company would lack the power or authority to implement the proposal." The Staff has recognized that proposals that would, if implemented, cause a company to breach existing contracts may be omitted from a company's proxy statement under Rule 14a-8(i)(6). (See *Division of Corporation Finance: Staff Legal Bulletin No. 14B - Shareholder Proposals* (Sept. 15, 2004) ("SLB 14B") ("Proposals that would result in the company breaching existing contractual obligations may be excludable under rule 14a-8(i)(2), rule 14a-8(i)(6), or both, because implementing the proposal would...not be within the power or authority of the company to implement."). See also *Whitman Corp.*, SEC No-Action Letter, 2000 WL 223662 (Feb. 15, 2000) (where the Staff concluded that "[t]here appears to be some basis for your view that Whitman may exclude the proposal under rules 14a-8(i)(2) and 14a-8(i)(6) because it may cause Whitman to breach an existing contract").

We believe that the Proposals and the Supporting Statements may be excluded from the Proxy Materials pursuant to Rule 14a-8(i)(6) since a reduction of the voting power of the shares with differential voting rights to one vote per share would cause a default under both (i) the credit agreement among Bank of America, N.A., CSC Holdings, LLC, a Delaware limited liability company, which is the main operating subsidiary of the Company ("CSC"), and certain other entities, dated April 17, 2013 (the "CSC Credit Agreement"), a copy of which is attached to this letter as Annex B-1, and (ii) the credit agreement among Newsday LLC, a Delaware limited liability company, which is a subsidiary of the Company, CSC, Barclays Bank plc and certain other entities, dated October 12, 2012 (the "Newsday Credit Agreement" and, together with the CSC Credit Agreement, the "Credit Agreements"), a copy of which is attached to this letter as Annex B-2. The occurrence of a default under either of the Credit Agreements could also trigger a cross-default under each of the indentures entered into by the Company or CSC, as listed in Annex C hereto (the "Indentures").

(1) *Implementation of the Proposals would result in defaults under both Credit Agreements.*

The Company has two classes of common stock outstanding, Cablevision NY Group Class A common stock ("Class A common stock") and Cablevision NY Group Class B common stock ("Class B common stock"). As of December 31, 2013, there were 213,598,590 shares of Class A common stock and 54,137,673 shares of Class B common stock outstanding. The Company's amended and restated certificate of incorporation (the "Certificate of Incorporation"), a copy of which is attached to this letter as Annex D, currently provides that in all matters except the election of directors, holders of Class A common stock have one vote per share and holders of Class B common stock have 10 votes per share. The Certificate of Incorporation provides that in all matters except the election of directors, holders of Class A common stock and Class B common stock shall at all times vote on all matters as a single class. Any amendment, alteration or repeal of any of the provisions of the Certificate of Incorporation which adversely affects the powers, preferences or rights of the holders of Class B common stock will require the affirmative vote or consent of at least 66 2/3% of the outstanding shares of Class B common stock.

The Certificate of Incorporation provides that holders of Class A common stock and the Class B common stock, respectively, shall vote as separate classes with respect to the election of directors to the Board of Directors of the Company (the "Board"). Holders of Class A common stock, voting as a separate class, have the right to elect 25% of the Board, rounded up to the nearest whole director, while the holders of Class B common stock, voting as a separate class, have the right to elect the remaining members of the Board.

The Proposals call for the adoption of a recapitalization plan that would (a) eliminate the Company's dual-class capital structure and (b) provide that each outstanding share of common stock has one vote. The Supporting Statements reference not only the 10-vote-per-share provisions of the Class B common stock, but also the right of the Class B common stock to elect up to 75% of the Board as objectionable aspects of the Company's structure. Thus, implementation of the Proposals would require not merely reducing the Class B common stock's voting power from 10 votes per share to one vote per share, but, in addition, the elimination of the dual-class structure would necessarily end the separate class voting for directors.

As of December 31, 2013, Mr. Charles F. Dolan, certain individuals related to Mr. Dolan, and certain related family entities (together, the "Dolan Family Interests")[1] beneficially owned 100% of the Class B common stock and 8,856,458 shares (approximately 4.15%) of the

---

[1] Specifically, each Credit Agreement defines "Dolan Family Interests" to mean (i) any Dolan Family Member (defined as Mr. Dolan, his spouse, his descendants and any spouse of such descendants), (ii) any trust for the benefit of any Dolan Family Member or Members, (iii) any estate or testamentary trust of any Dolan Family Member for the benefit of any Dolan Family Member or Members, (iv) any executor, administrator, conservator or legal or personal representative of any person or persons specified in clause (i), (ii) or (iii) above to the extent acting in such capacity on behalf of any Dolan Family Member or Members and not individually and (v) any corporation, partnership, limited liability company or other similar entity, in each case 80% of which is owned and controlled by any of the foregoing or combination of the foregoing.

Class A common stock.[2] Through this ownership, the Dolan Family Interests hold approximately 23.5% of the total number of shares of Class A and Class B common stock in the aggregate. The Dolan Family Interests hold approximately 72.88% of the aggregate voting power of the Company's common stock and have the right to elect up to 75% of the Board. If the Proposals were implemented, the Dolan Family Interests would hold 23.5% of the aggregate voting power of the common stock and would have no separate right to elect any directors.

Each of Section 8.01(l)(i) of the CSC Credit Agreement and Section 9.01(i)(i) of the Newsday Credit Agreement provides that a default will occur under the respective Credit Agreement if the Dolan Family Interests cease at any time to have beneficial ownership of shares of the capital stock of the Company having sufficient votes to elect or otherwise designate a majority of the members of the Board. If the Proposals were to be implemented, the Dolan Family Interests would lose their ability to elect or otherwise designate a majority of the members of the Board.

The Dolan Family Interests' loss of their right to elect a majority of the Board would constitute an event of default under both Credit Agreements. Upon the occurrence of an event of default, Section 8.02 of the CSC Credit Agreement and Section 9.02 of the Newsday Credit Agreement would each permit the respective lenders to accelerate and declare the unpaid principal amount of all outstanding loans, all interest accrued and unpaid thereon, and all other amounts owing or payable under the respective Credit Agreement (and certain other specified loan documents) to be immediately due and payable. The occurrence of an event of default under the Credit Agreements would be more than a technical breach. It could result in all of the Company's obligations thereunder coming due, as well as the elimination of the Company's ability to access important sources of funding on an ongoing basis, which would endanger the Company's operations and continued existence. As of December 31, 2013, there was approximately $3.29 billion of borrowings outstanding under the CSC Credit Agreement and approximately $480 million of borrowings outstanding under the Newsday Credit Agreement.[3]

---

[2] Attached as Annex E is a summary of the outstanding Class A and Class B share amounts and the amounts held by the Dolan Family Interests as of December 31, 2013. All share amounts referenced herein are as of December 31, 2013.

[3] The Credit Agreements prevent the Company from modifying its dual-class structure through the mechanism of an "event of default." A default and a breach of covenant are functionally equivalent in policing the behavior of a debtor such as the Company. In either case, the threat of acceleration forces the debtor to comply. If anything, an event of default has greater *in terrorem* effect because covenants often provide for notice of breach and an opportunity to cure before acceleration is permitted. See, e.g., Section 8.01(c) of the CSC Credit Agreement. The Company no more has the "power and authority" to trigger a devastating event of default under its borrowing agreements than it would have the "power and authority" to breach those agreements and pay any resulting damages.

New York and federal courts have defined the term "default" by reference to Black's Law Dictionary, as "the omission or failure to perform a legal or contractual duty or the failure to pay a debt when due," a definition that is consistent with a breach of contract. See, e.g., *Cliffstar Corp. v. Alpine Foods, LLC*, 2012 WL 7828966, at *5 (W.D.N.Y., Jul. 18, 2012); *In re CBGB Holdings, LLC*, 439 B.R. 551, 556 (Bkrtcy. S.D.N.Y., Oct. 13, 2010); *In re Adelphia Communications Corp.*, 2006 WL 898047, at *9 (Bkrtcy. S.D.N.Y., Mar. 31, 2006). In the

The Company and its subsidiaries do not have the right to amend the Credit Agreements unilaterally to avoid such an occurrence of an event of default. Section 10.01 of the CSC Credit Agreement and Section 12.01 of the Newsday Credit Agreement provide that any amendment to the relevant events of default provision requires the consent of lenders holding more than 50% of the outstanding loans and unused commitments, in the case of the CSC Credit Agreement, and at least 90% of the outstanding loans in the case of the Newsday Credit Agreement. Accordingly, the Company could not avoid the defaults that would arise from the implementation of the Proposal.

(2) *The defaults under the Credit Agreements would result in cross-defaults under the Indentures.*

CSC and the Company have, from time to time, entered into the Indentures in connection with issuances of debt securities. Each Indenture provides that an event of default will occur under such Indenture if, *inter alia*, a default occurs under any mortgage, indenture or instrument under which there is an indebtedness for money borrowed, or any payment guaranteed, by the Company or CSC, as the case may be, or certain specified subsidiaries (including CSC, in the case of the Company's Indentures).[4] An event of default under each Indenture will arise if, (i) as a result of the default under the mortgage, indenture or instrument, the maturity of such indebtedness has been accelerated prior to its expressed maturity, and (ii) the principal amount of such indebtedness equals $10,000,000 or more (in the case of CSC's Indentures) or $25,000,000 or more (in the case of the Company's Indentures). In accordance with the Staff's guidance in SLB 14B, we have identified, in Annex C hereto, the relevant provision of each Indenture under which a cross-default would occur.

If the Dolan Family Interests were to lose their right to elect or designate a majority of the Board, the resulting defaults under the Credit Agreements would cause a cross-default under the applicable provision of each Indenture if the lenders exercised their right to accelerate amounts due under either Credit Agreement prior to their expressed maturity. Under these circumstances, a default under either Credit Agreement would result in a cross-default under the applicable provision of each Indenture. If, as a result of such cross-defaults, the debt under the Indentures were accelerated, the sums coming due would further increase, jeopardizing the Company's survival. As of December 31, 2013 the Company and CSC have approximately $5.16 billion of debt outstanding under the Indentures (for a total of approximately $8.93 billion outstanding under the Credit Agreements and the Indentures).

Pursuant to SLB 14B, we confirm that the statements above with respect to the effect of implementing the Proposals under the Credit Agreements and the Indentures represent

Adelphia decision, a bankruptcy case, the court went even further, holding that a "default" means a material breach. See *Adelphia*, at *9 ("Any sensible construction of 'default' means repudiation, material breach, or conduct or (though not applicable here) an event that is specifically stated to be an Event of Default. Adelphia's other transgressions, while breaches of the Agreement, do not constitute material breaches, and do not amount to a "default" under the Agreement.")

4 CSC is a guarantor of the borrower's obligations under the Newsday Credit Agreement, which is why a default under that agreement would be a basis for a cross-default under the Indentures.

our firm's opinion as counsel for the Company, and that the undersigned is an attorney admitted to practice in the state of New York, which is the governing law under the Credit Agreements and the Indentures.

(3) *The Proposals significantly differ from a prior proposal received by the Commission dealing with the same issue.*

The Proposals make no provision for any restrictions on implementing the Proposals under the Company's existing contractual obligations. The absence of any language carving out or exempting the Company's existing contractual obligations from the scope of the Proposals significantly distinguishes the Proposals from the form in which proposals on this subject are normally expressed and from an earlier proposal which the Staff did not permit to be excluded.

In *Martha Stewart Living Omnimedia, Inc.*, SEC No-Action Letter, 2011 WL 108684 (Mar. 7, 2011), the Staff did not permit the exclusion of a proposal requesting that the board of directors adopt a plan for all of the company's stock to have one vote per share, on the basis that implementation of the proposal would lead to an event of default under an existing credit agreement. However, in that instance, the proposal was deliberately worded so as to restrict the impact of the proposal on the Company's existing contractual obligations and to give the Board flexibility in implementation. The proposal in *Martha Stewart* specifically stated that it was "not intended to unnecessarily limit our Board's judgment in crafting the requested change in accordance with applicable laws and existing contracts" (emphasis added). In addition, the resolution contained in the proposal was phrased more permissively than the current Proposal, and asked the Board to take all "practicable steps including encouragement and negotiation with family shareholders to request that they relinquish, for the common good of all shareholders, any pre-existing rights, if necessary."

Unlike the supporting statement in *Martha Stewart*, neither the Proposals nor the Supporting Statements contain any similar "savings clause" for existing contracts. Neither the Proposals nor the Supporting Statements enable the Board to take practical steps to avoid defaulting under the Company's existing obligations in implementing the Proposals. The proposal in *Martha Stewart* sought to require the board to take only those steps that were "practicable." Neither the Proposals nor the Supporting Statements limit the actions required of the Board in a similar manner. The Proposals and Supporting Statements therefore differ significantly from the proposal in *Martha Stewart* and merit different treatment from the proposal in *Martha Stewart.*

(4) *The Proponents should not be permitted to amend the Proposals to carve out conflicts with existing agreements.*

We are aware that, in some circumstances where the Staff has agreed that implementation of a proposal would violate existing contractual agreements, the Staff has permitted the proponent to amend the proposal to apply only to future contracts.[5] The rationale

[5] For example, where proposals have sought to require a company to alter its compensation agreements with management, the Staff has permitted revisions to ensure that such changes only apply to future compensation agreements. See, e.g., *Occidental Petroleum Corporation*, SEC No-Action Letter, 2010 WL 4922423 (Jan. 20, 2010) (proposal seeking to eliminate severance

behind that approach does not apply in this circumstance. Borrowings under the Credit Agreements have maturity dates ranging from 2016 through 2020, and the debt issued under the Indentures has maturity dates ranging from 2017 through 2022. Thus, this is not a situation in which the purpose of the Proposals could be effected by applying the Proposals on a going forward basis – it will be many years before the Company would be in a position to attempt to revise its borrowing agreements to eliminate the relevant default provisions (and there can be no assurance that its lenders would agree to eliminate the provisions). This is a situation where the Proposals are fundamentally at odds with what is permitted under the Company's long-term borrowing arrangements.

B. The Supporting Statements question the competence, business judgment, or character of one or more directors in violation of Rule 14a-8(i)(3) and Rule 14a-8(i)(8)(iii).

Rule 14a-8(i)(8) allows the exclusion of a shareholder proposal that "[q]uestions the competence, business judgment or character of one or more nominees or directors...or [o]therwise could affect the outcome of the upcoming election of directors." See Exchange Act Release No. 34-62764 (Aug. 25, 2010). See also Exchange Act Release No. 34-56914 (Dec. 6, 2007) (noting that the Staff has taken the position that a proposal would be subject to exclusion under Rule 14a-8(i)(8) if the proposal "could have the effect of...[q]uestioning the competence or business judgment of one or more directors").

In addition, Rule 14a-8(i)(3) permits a company to exclude a shareholder proposal from its proxy materials if "the proposal or supporting statement is contrary to any of the Commission's proxy rules, including Rule 14a-9, which prohibits materially false or misleading statements in proxy soliciting materials." For purposes of Rule 14a-9, the Commission considers misleading, among other things, "material which directly or indirectly impugns character, integrity or personal reputation, or directly or indirectly makes charges concerning improper, illegal or immoral conduct or associations, without factual foundation."

We believe that the Proposals may be omitted under these provisions because the Supporting Statements question the competence, business judgment and character of certain directors, and impugn their character, integrity and reputation without factual basis.

The Supporting Statements criticize the decisions made by Mr. Dolan and other Dolan family members who serve as directors of the Company, and suggest that they are not satisfying their fiduciary duties as directors.[6] The Supporting Statements say that the "Dolan

pay, certain annual retirement payments and all remuneration for management above $500,000 per year was found to be excludable under Rule 14a-8(i)(2) but was permitted to be revised to only apply to future compensation agreements); *Citigroup Inc.*, SEC No-Action Letter, 2003 WL 681311 (Feb. 18, 2003) (proposal requesting return of monetary gains by senior managers and invalidating past bonuses paid and options granted, and terminating stock option programs and bonus programs was found to be excludable under Rule 14a-8(i)(2) but was permitted to be revised to only apply to future compensation agreements).

[6] In addition to Mr. Dolan, the following Dolan Family Members also serve as directors of the Company: Mr. James L. Dolan, Ms. Deborah Dolan-Sweeney, Ms. Kathleen M. Dolan, Ms. Kristin A. Dolan, Ms. Marianne Dolan Weber, Mr. Patrick F. Dolan, Mr. Thomas C. Dolan and Mr. Brian G. Sweeney. All of these individuals are Class B elected directors that were elected at

family's control over Cablevision has resulted in decisions that are not in public stockholders' best interests" and state that some directors, even in the face of a "board split," pursued an investment that was the "pet project" of Mr. Dolan. The Supporting Statements also imply that, as a result of the Dolan family's management of the Company, the Company's shareholder returns have "lagged its broadcasting peers." These statements clearly question the competence, business judgment and character, and impugn the reputation of, these Board members by suggesting that they are not making prudent decisions. Moreover, as the Proponents know, all directors have a fiduciary duty of care to the Company and all its shareholders (not just the Class B shareholders). By stating that the Board has taken decisions that are not in the public shareholders' best interests and that favor a "pet project" of a majority shareholder, the Proponents have created an implication that the Board has violated its fiduciary duty to minority shareholders in violation of law. These statements impugn the character and reputation of the Dolan family directors.

More broadly, the Supporting Statements intertwine abstract, general statements on corporate governance with statements questioning the wisdom of specific business decisions. The combination of such statements is not only misleading, but also serves to question the judgment or competence of Mr. Dolan and the Dolan Family Members under the cover of apparently abstract propositions regarding corporate governance. The juxtaposition of references to purportedly lower valuations at dual-class companies and "scandals" at unrelated companies with references to the Company's structure and the Company's own shareholder returns are misleading, and an attempt at guilt by association. The Staff has permitted the exclusion of shareholder proposals which have sought to combine apparently general references to scholarship on corporate governance with references to the managerial style, business judgment or competence of particular directors. See *The Black & Decker Corp.*, SEC No-Action Letter, 1997 WL 34877 (Jan. 21, 1997).

We believe these statements in the Supporting Statements are similar to statements in other proposals that the Staff has permitted companies to exclude. See, e.g., *Marriott International, Inc.*, SEC No-Action Letter, 2010 WL 169404 (Mar. 12, 2010) (permitting the exclusion, under Rule 14a-8(i)(8), of a proposal that alleged specific lapses of judgment and a lack of competence on the part of certain directors); *AT&T Corp.*, SEC No-Action Letter, 2001 WL 138967 (Feb. 13, 2001) (permitting the exclusion, under Rule 14a-8(i)(8), of a proposal accompanied by a supporting statement questioning the business judgment and strategy of the company's Chairman and CEO), *The Black & Decker Corp.*, SEC No-Action Letter, 1997 WL 34877 (Jan. 21, 1997) (permitting the exclusion, under Rule 14a-8(i)(8), of a proposal accompanied by a supporting statement questioning the managerial style of the company's Chairman and CEO).

---

the 2013 annual meeting for one-year terms. While the Board has not yet made its nomination determinations, the Company anticipates that all of these individuals will be renominated for election by the holders of the Class B common stock at the next annual meeting.

As in these precedents, we believe that exclusion of the Proposals and Supporting Statements would be in line with the guidance given by the Staff in *Division of Corporation Finance: Staff Legal Bulletin No. 14 - Shareholder Proposals* (Jul. 13, 2001) where the Staff stated that "when a proposal and supporting statement will require detailed and extensive editing in order to bring them into compliance with the proxy rules, we may find it appropriate for companies to exclude the entire proposal, supporting statement, or both, as materially false or misleading." We urge the Staff to concur in our analysis that the Proposals and Supporting Statements may be omitted on this basis. (See, e.g., *ConocoPhillips*, SEC No-Action Letter, 2012 WL 122330 (Mar. 13, 2012) (permitting exclusion of a proposal which made numerous "inflammatory assertions" and impugned the character, integrity and personal reputation of certain directors of the company).

In light of the pervasive nature of the false and misleading statements contained in the Supporting Statements, we believe that the Proposals may be omitted in their entirety. Alternatively, if the Staff does not agree, we believe that the portions of the Supporting Statements that reference the Board of the Company may be omitted. See, e.g., *Sara Lee Corp.*, SEC No-Action Letter, 2007 WL 2240165 (Jul. 31, 2007) (permitting omission of specified portions of a supporting statement as being materially false and misleading); *Bob Evans Farms, Inc.*, SEC No-Action Letter, 2006 WL 1751022 (Jun. 26, 2006) (permitting exclusion of one paragraph of a supporting statement as being materially false and misleading).

Conclusion

On behalf of the Company, we hereby respectfully request that the Staff indicate that it will not recommend enforcement action to the Commission if the Proposals and Supporting Statements are excluded from the Company's Proxy Materials for all the reasons set forth above.

If you have any questions regarding this request, or need any additional information, please contact the undersigned at (212) 558-3764 or at meadj@sullcrom.com.

Dear Ms. Salhus,

Submitted herewith is a shareholder resolution on behalf of Connecticut Retirement Plans and Trust Funds (CRPTF) for consideration and action by shareholders at the next annual meeting of Cablevision Systems Corporation.

As the principal fiduciary of the CRPTF, I hereby certify that the CRPTF has held the mandatory minimum number of Cablevision Systems Corporation shares for the past year. Furthermore, as of December 10, 2013, the CRPTF held 44,300 shares of Cablevision Systems Corporation stock valued at approximately $731,393. The CRPTF will continue to hold the requisite numbers of shares of Cablevision Systems Corporation through the date of the 2014 annual meeting.

Connecticut Retirement Plans and Trust Funds ("CRPTF")

RESOLVED, that shareholders of Cablevision Systems Corporation ("Cablevision" or the "Company") request that the Board of Directors take the necessary steps (excluding those steps that must be taken by the Company's stockholders) to adopt a recapitalization plan that would eliminate Cablevision's dual-class capital structure and provide that each outstanding share of common stock has one vote.

SUPPORTING STATEMENT

Cablevision had 267,221,703 shares of common stock outstanding as of March 28, 2013, the date used in the beneficial ownership table in Cablevision's 2013 proxy statement: 213,083,430 shares of Class A common stock and 54,137,673 shares of Class B common stock. Holders of Class A common stock have one vote per share and holders of Class B common stock have 10 votes per share, in all matters except the election of directors. Holders of Class A common stock have the right to elect up to 25% of the board and the holders of Class B common stock elect the remaining 75%.

The Dolan Family Group, which includes founder and board Chair Charles Dolan, several directors who are related to Charles Dolan and current Cablevision CEO James Dolan, owns 100% of the Class B common stock and 4.2% of Class A shares outstanding. (2013 Proxy Statement, at 84) Thus, The Dolan Family Group controls 72.9% of the total voting power while owning 23.6% of shares outstanding.

Dual-class structures like the one in pace at Cablevision distort incentives and increase agency costs by misaligning economic incentives and voting power. High-profile scandals at companies such as Hollinger and Adelphia illustrate the dangers of dual-class structures in facilitating the extraction of private benefits for management. Governance expert Charles Elson has stated that dual-class structures create "a culture with no accountability." (Geoff Colvin, "The Trembling at News Corp. Has Only Begun," CNNMoney, July 19, 2011)

Dual-class structures are associated with poorer company performance. A 2008 study by Harvard's Paul Gompers and two co-authors found that dual-class structures with disparate voting rights were correlated with lower firm value. (Paul Gompers et al., "Extreme Governance" (working paper 2008) (available at http://papers.ssrn.com/sol3/papers.cfm?abstract_id=562511))

We believe that the Dolan family's control over Cablevision has resulted in decisions that are not in public stockholders' best interests. According to data from GMI as of September 30, 2013, Cablevision's total shareholder return has lagged its broadcasting peers over the previous one-, three- and five-year periods. As well, a 2005 article described the board split caused by disagreement over Cablevision's costly investment in satellite TV operator Voom, which was reportedly a pet project of Charles Dolan. (Joel Siegel, "Oedipus at the Garden," New York, Mar. 21, 2005) Voom was shut down in 2005. (Liana Baker, "Voom HD Case Between Dish, Cablevision Kicks Off," Reuters, Sept. 26, 2012)

Dear Ms. Salhus:

The Comptroller of the State of New York, Thomas P. DiNapoli, is the trustee of the New York State Common Retirement Fund (the "Fund") and the administrative head of the New York State and Local Retirement System. The Comptroller has authorized me to inform Cablevision Systems Corporation ("Cablevision") of his intention to co-sponsor, with the Connecticut Retirement Plan and Trust Funds, the enclosed shareholder proposal for consideration of stockholders at the next annual meeting.

I submit the enclosed proposal to you in accordance with rule 14a-8 of the Securities Exchange Act of 1934 and ask that it be included in your proxy statement.

A letter from J.P. Morgan Chase, the Fund's custodial bank verifying the Fund's ownership of Cablevision shares, continually for over one year, will follow. The Fund intends to continue to hold at least $2,000 worth of these securities through the date of the annual meeting.

We would be happy to discuss this initiative with you. Should the Cablevision board decide to endorse its provisions as company policy, the Comptroller will ask that the proposal be withdrawn from consideration at the annual meeting. Dear Ms. Salhus,

On behalf of the AFL-CIO Reserve Fund (the "Fund"), I write to give notice that pursuant to the 2013 proxy statement of Cablevision Systems Corporation (the "Company"), the Fund intends to present the attached proposal (the "Proposal") at the 2014 annual meeting of shareholders (the "Annual Meeting"). The Fund intends to co-file this Proposal with the Connecticut Retirement Plans and Trust Funds, and New York State Common Retirement Fund. The Fund requests that the Company include the Proposal in the Company's proxy statement for the Annual Meeting.

The Fund is the beneficial owner of 159 shares of voting Class A common stock (the "Shares") of the Company. The Fund has held at least $2,000 in market value of the Shares for over one year, and the Fund intends to hold at least $2,000 in market value of the Shares through the date of the Annual Meeting. A letter from the Fund's custodian bank documenting the Fund's ownership of the Shares is enclosed.

The Proposal is attached. I represent that the Fund or its agent intends to appear in person or by proxy at the Annual Meeting to present the Proposal. I declare that the Fund has no "material interest" other than that believed to be shared by stockholders of the Company generally. Please direct all questions or correspondence regarding the Proposal to Patrick O'Meara at 202-637-5369 or pomeara@aflcio.org.

RESOLVED, that shareholders of Cablevision Systems Corporation ("Cablevision" or the "Company") request that the Board of Directors take the necessary steps (excluding those steps that must be taken by the Company's stockholders) to adopt a recapitalization plan that would eliminate Cablevision's dual-class capital structure and provide that each outstanding share of common stock has one vote.

SUPPORTING STATEMENT

Cablevision had 267,221,703 shares of common stock outstanding as of March 28, 2013, the date used in the beneficial ownership table in Cablevision's 2013 proxy statement: 213,083,430 shares of Class A common stock and 54,137,673 shares of Class B common stock. Holders of Class A common stock have one vote per share and holders of Class B common stock have 10 votes per share, in all matters except the election of directors. Holders of Class A common stock have the right to elect up to 25% of the board and the holders of Class B common stock elect the remaining 75%.

The Dolan Family Group, which includes founder and board Chair Charles Dolan, several directors who are related to Charles Dolan and current Cablevision CEO James Dolan, owns 100% of the Class B common stock and 4.2% of Class A shares outstanding. (2013 Proxy Statement, at 84) Thus, The Dolan Family Group controls 72.9% of the total voting power while owning 23.6% of shares outstanding.

Dual-class structures like the one in pace at Cablevision distort incentives and increase agency costs by misaligning economic incentives and voting power. High-profile scandals at companies such as Hollinger and Adelphia illustrate the dangers of dual-class structures in facilitating the extraction of private benefits for management. Governance expert Charles Elson has stated that dual-class structures create "a culture with no accountability." (Geoff Colvin, "The Trembling at News Corp. Has Only Begun," CNNMoney, July 19, 2011)

Dual-class structures are associated with poorer company performance. A 2008 study by Harvard's Paul Gompers and two co-authors found that dual-class structures with disparate voting rights were correlated with lower firm value. (Paul Gompers et al., "Extreme Governance" (working paper 2008) (available at http://papers.ssrn.com/sol3/papers.cfm?abstract_id=562511))

We believe that the Dolan family's control over Cablevision has resulted in decisions that are not in public stockholders' best interests. According to data from GMI as of September 30, 2013, Cablevision's total shareholder return has lagged its broadcasting peers over the previous one-, three- and five-year periods. As well, a 2005 article described the board split caused by disagreement over Cablevision's costly investment in satellite TV operator Voom, which was reportedly a pet project of Charles Dolan. (Joel Siegel, "Oedipus at the Garden," New York, Mar. 21, 2005) Voom was shut down in 2005. (Liana Baker, "Voom HD Case Between Dish, Cablevision Kicks Off," Reuters, Sept. 26, 2012)

Accordingly, we believe that eliminating the dual-class structure, and installing a one-share/one-vote arrangement, would benefit Cablevision and its public stockholders. We urge stockholders to vote FOR this proposal.

Re: Cablevision Systems Corporation—Omission of Shareholder Proposal Pursuant to Rule 14a-8

Ladies and Gentlemen:

On behalf of our client, Cablevision Systems Corporation (the "Company"), we hereby submit this letter pursuant to Rule 14a-8(j) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), with respect to three identical proposals, each dated December 11, 2013, submitted for inclusion in the Company's proxy materials (the "Proxy Materials") for its 2014 annual meeting of shareholders, by Connecticut Retirement Plans and Trust Funds, the AFL-CIO Reserve Fund and the New York State Common Retirement Fund (together, the "Proponents"). The proposals (the "Proposals") and the accompanying supporting statements (the "Supporting Statements") are attached to this letter as Annex A.

We believe that the Proposals and the Supporting Statements may be omitted from the Proxy Materials pursuant to (i) Rule 14a-8(i)(6) because the Company lacks the power and authority to implement the Proposals; and (ii) Rule 14a-8(i)(3) and Rule 14a-8(i)(8)(iii) because the Supporting Statements question the competence, business judgment or character of one or more directors.

In accordance with Rule 14a-8(j) under the Exchange Act, we hereby give notice, on behalf of the Company, of the Company's intention to omit the Proposals and Supporting Statements from the Proxy Materials and hereby respectfully request that the staff of the Division of Corporation Finance (the "Staff") of the Securities and Exchange Commission (the "Commission") indicate that it will not recommend enforcement action to the Commission if the Company omits the Proposals and Supporting Statements from the Proxy Materials.

This letter constitutes our statement of the reasons why we deem this omission to be proper. We have submitted this letter, including the Annexes, to the Commission via e-mail to shareholderproposals@sec.gov. Pursuant to Rule 14a-8(j), we have filed this letter with the Commission no later than 80 calendar days before the Company intends to file its definitive 2014 Proxy Materials with the Commission. A copy of this letter is being sent simultaneously to the Proponents as notification of the Company's intention to omit the Proposals from the 2014 Proxy Materials.

The Proposals

The Proposals read as follows:

RESOLVED, that shareholders of Cablevision Systems Corporation ("Cablevision" or the "Company") request that the Board of Directors take the necessary steps (excluding those steps that must be taken by the Company's stockholders) to adopt a recapitalization plan that would eliminate Cablevision's dual-class capital structure and provide that each outstanding share of common stock has one vote.

Grounds for Omission

A. The Company lacks the power and authority to implement the Proposals.

Under Rule 14a-8(i)(6), a company may exclude a shareholder proposal "if the company would lack the power or authority to implement the proposal." The Staff has recognized that proposals that would, if implemented, cause a company to breach existing contracts may be omitted from a company's proxy statement under Rule 14a-8(i)(6). (See *Division of Corporation Finance: Staff Legal Bulletin No. 14B - Shareholder Proposals* (Sept. 15, 2004) ("SLB 14B") ("Proposals that would result in the company breaching existing contractual obligations may be excludable under rule 14a-8(i)(2), rule 14a-8(i)(6), or both, because implementing the proposal would...not be within the power or authority of the company to implement."). See also *Whitman Corp.*, SEC No-Action Letter, 2000 WL 223662 (Feb. 15, 2000) (where the Staff concluded that "[t]here appears to be some basis for your view that Whitman may exclude the proposal under rules 14a-8(i)(2) and 14a-8(i)(6) because it may cause Whitman to breach an existing contract").

We believe that the Proposals and the Supporting Statements may be excluded from the Proxy Materials pursuant to Rule 14a-8(i)(6) since a reduction of the voting power of the shares with differential voting rights to one vote per share would cause a default under both (i) the credit agreement among Bank of America, N.A., CSC Holdings, LLC, a Delaware limited liability company, which is the main operating subsidiary of the Company ("CSC"), and certain other entities, dated April 17, 2013 (the "CSC Credit Agreement"), a copy of which is attached to this letter as Annex B-1, and (ii) the credit agreement among Newsday LLC, a Delaware limited liability company, which is a subsidiary of the Company, CSC, Barclays Bank plc and certain other entities, dated October 12, 2012 (the "Newsday Credit Agreement" and, together with the CSC Credit Agreement, the "Credit Agreements"), a copy of which is attached to this letter as Annex B-2. The occurrence of a default under either of the Credit Agreements could also trigger a cross-default under each of the indentures entered into by the Company or CSC, as listed in Annex C hereto (the "Indentures").

(1) *Implementation of the Proposals would result in defaults under both Credit Agreements.*

The Company has two classes of common stock outstanding, Cablevision NY Group Class A common stock ("Class A common stock") and Cablevision NY Group Class B common stock ("Class B common stock"). As of December 31, 2013, there were 213,598,590 shares of Class A common stock and 54,137,673 shares of Class B common stock outstanding. The Company's amended and restated certificate of incorporation (the "Certificate of Incorporation"), a copy of which is attached to this letter as Annex D, currently provides that in all matters except the election of directors, holders of Class A common stock have one vote per share and holders of Class B common stock have 10 votes per share. The Certificate of Incorporation provides that in all matters except the election of directors, holders of Class A common stock and Class B common stock shall at all times vote on all matters as a single class. Any amendment, alteration or repeal of any of the provisions of the Certificate of Incorporation which adversely affects the powers, preferences or rights of the holders of Class B common stock will require the affirmative vote or consent of at least 66 2/3% of the outstanding shares of Class B common stock.

The Certificate of Incorporation provides that holders of Class A common stock and the Class B common stock, respectively, shall vote as separate classes with respect to the election of directors to the Board of Directors of the Company (the "Board"). Holders of Class A common stock, voting as a separate class, have the right to elect 25% of the Board, rounded up to the nearest whole director, while the holders of Class B common stock, voting as a separate class, have the right to elect the remaining members of the Board.

The Proposals call for the adoption of a recapitalization plan that would (a) eliminate the Company's dual-class capital structure and (b) provide that each outstanding share of common stock has one vote. The Supporting Statements reference not only the 10-vote-per-share provisions of the Class B common stock, but also the right of the Class B common stock to elect up to 75% of the Board as objectionable aspects of the Company's structure. Thus, implementation of the Proposals would require not merely reducing the Class B common stock's voting power from 10 votes per share to one vote per share, but, in addition, the elimination of the dual-class structure would necessarily end the separate class voting for directors.

As of December 31, 2013, Mr. Charles F. Dolan, certain individuals related to Mr. Dolan, and certain related family entities (together, the "Dolan Family Interests")[1] beneficially owned 100% of the Class B common stock and 8,856,458 shares (approximately 4.15%) of the

---

[1] Specifically, each Credit Agreement defines "Dolan Family Interests" to mean (i) any Dolan Family Member (defined as Mr. Dolan, his spouse, his descendants and any spouse of such descendants), (ii) any trust for the benefit of any Dolan Family Member or Members, (iii) any estate or testamentary trust of any Dolan Family Member for the benefit of any Dolan Family Member or Members, (iv) any executor, administrator, conservator or legal or personal representative of any person or persons specified in clause (i), (ii) or (iii) above to the extent acting in such capacity on behalf of any Dolan Family Member or Members and not individually and (v) any corporation, partnership, limited liability company or other similar entity, in each case 80% of which is owned and controlled by any of the foregoing or combination of the foregoing.

Class A common stock.[2] Through this ownership, the Dolan Family Interests hold approximately 23.5% of the total number of shares of Class A and Class B common stock in the aggregate. The Dolan Family Interests hold approximately 72.88% of the aggregate voting power of the Company's common stock and have the right to elect up to 75% of the Board. If the Proposals were implemented, the Dolan Family Interests would hold 23.5% of the aggregate voting power of the common stock and would have no separate right to elect any directors.

Each of Section 8.01(l)(i) of the CSC Credit Agreement and Section 9.01(i)(i) of the Newsday Credit Agreement provides that a default will occur under the respective Credit Agreement if the Dolan Family Interests cease at any time to have beneficial ownership of shares of the capital stock of the Company having sufficient votes to elect or otherwise designate a majority of the members of the Board. If the Proposals were to be implemented, the Dolan Family Interests would lose their ability to elect or otherwise designate a majority of the members of the Board.

The Dolan Family Interests' loss of their right to elect a majority of the Board would constitute an event of default under both Credit Agreements. Upon the occurrence of an event of default, Section 8.02 of the CSC Credit Agreement and Section 9.02 of the Newsday Credit Agreement would each permit the respective lenders to accelerate and declare the unpaid principal amount of all outstanding loans, all interest accrued and unpaid thereon, and all other amounts owing or payable under the respective Credit Agreement (and certain other specified loan documents) to be immediately due and payable. The occurrence of an event of default under the Credit Agreements would be more than a technical breach. It could result in all of the Company's obligations thereunder coming due, as well as the elimination of the Company's ability to access important sources of funding on an ongoing basis, which would endanger the Company's operations and continued existence. As of December 31, 2013, there was approximately $3.29 billion of borrowings outstanding under the CSC Credit Agreement and approximately $480 million of borrowings outstanding under the Newsday Credit Agreement.[3]

---

[2] Attached as Annex E is a summary of the outstanding Class A and Class B share amounts and the amounts held by the Dolan Family Interests as of December 31, 2013. All share amounts referenced herein are as of December 31, 2013.

[3] The Credit Agreements prevent the Company from modifying its dual-class structure through the mechanism of an "event of default." A default and a breach of covenant are functionally equivalent in policing the behavior of a debtor such as the Company. In either case, the threat of acceleration forces the debtor to comply. If anything, an event of default has greater *in terrorem* effect because covenants often provide for notice of breach and an opportunity to cure before acceleration is permitted. See, e.g., Section 8.01(c) of the CSC Credit Agreement. The Company no more has the "power and authority" to trigger a devastating event of default under its borrowing agreements than it would have the "power and authority" to breach those agreements and pay any resulting damages.

New York and federal courts have defined the term "default" by reference to Black's Law Dictionary, as "the omission or failure to perform a legal or contractual duty or the failure to pay a debt when due," a definition that is consistent with a breach of contract. See, e.g., *Cliffstar Corp. v. Alpine Foods, LLC*, 2012 WL 7828966, at *5 (W.D.N.Y., Jul. 18, 2012); *In re CBGB Holdings, LLC*, 439 B.R. 551, 556 (Bkrtcy. S.D.N.Y., Oct. 13, 2010); *In re Adelphia Communications Corp.*, 2006 WL 898047, at *9 (Bkrtcy. S.D.N.Y., Mar. 31, 2006). In the

The Company and its subsidiaries do not have the right to amend the Credit Agreements unilaterally to avoid such an occurrence of an event of default. Section 10.01 of the CSC Credit Agreement and Section 12.01 of the Newsday Credit Agreement provide that any amendment to the relevant events of default provision requires the consent of lenders holding more than 50% of the outstanding loans and unused commitments, in the case of the CSC Credit Agreement, and at least 90% of the outstanding loans in the case of the Newsday Credit Agreement. Accordingly, the Company could not avoid the defaults that would arise from the implementation of the Proposal.

(2) *The defaults under the Credit Agreements would result in cross-defaults under the Indentures.*

CSC and the Company have, from time to time, entered into the Indentures in connection with issuances of debt securities. Each Indenture provides that an event of default will occur under such Indenture if, *inter alia*, a default occurs under any mortgage, indenture or instrument under which there is an indebtedness for money borrowed, or any payment guaranteed, by the Company or CSC, as the case may be, or certain specified subsidiaries (including CSC, in the case of the Company's Indentures).[4] An event of default under each Indenture will arise if, (i) as a result of the default under the mortgage, indenture or instrument, the maturity of such indebtedness has been accelerated prior to its expressed maturity, and (ii) the principal amount of such indebtedness equals $10,000,000 or more (in the case of CSC's Indentures) or $25,000,000 or more (in the case of the Company's Indentures). In accordance with the Staff's guidance in SLB 14B, we have identified, in Annex C hereto, the relevant provision of each Indenture under which a cross-default would occur.

If the Dolan Family Interests were to lose their right to elect or designate a majority of the Board, the resulting defaults under the Credit Agreements would cause a cross-default under the applicable provision of each Indenture if the lenders exercised their right to accelerate amounts due under either Credit Agreement prior to their expressed maturity. Under these circumstances, a default under either Credit Agreement would result in a cross-default under the applicable provision of each Indenture. If, as a result of such cross-defaults, the debt under the Indentures were accelerated, the sums coming due would further increase, jeopardizing the Company's survival. As of December 31, 2013 the Company and CSC have approximately $5.16 billion of debt outstanding under the Indentures (for a total of approximately $8.93 billion outstanding under the Credit Agreements and the Indentures).

Pursuant to SLB 14B, we confirm that the statements above with respect to the effect of implementing the Proposals under the Credit Agreements and the Indentures represent

Adelphia decision, a bankruptcy case, the court went even further, holding that a "default" means a material breach. See *Adelphia*, at *9 ("Any sensible construction of 'default' means repudiation, material breach, or conduct or (though not applicable here) an event that is specifically stated to be an Event of Default. Adelphia's other transgressions, while breaches of the Agreement, do not constitute material breaches, and do not amount to a "default" under the Agreement.")

4 CSC is a guarantor of the borrower's obligations under the Newsday Credit Agreement, which is why a default under that agreement would be a basis for a cross-default under the Indentures.

our firm's opinion as counsel for the Company, and that the undersigned is an attorney admitted to practice in the state of New York, which is the governing law under the Credit Agreements and the Indentures.

(3) *The Proposals significantly differ from a prior proposal received by the Commission dealing with the same issue.*

The Proposals make no provision for any restrictions on implementing the Proposals under the Company's existing contractual obligations. The absence of any language carving out or exempting the Company's existing contractual obligations from the scope of the Proposals significantly distinguishes the Proposals from the form in which proposals on this subject are normally expressed and from an earlier proposal which the Staff did not permit to be excluded.

In *Martha Stewart Living Omnimedia, Inc.*, SEC No-Action Letter, 2011 WL 108684 (Mar. 7, 2011), the Staff did not permit the exclusion of a proposal requesting that the board of directors adopt a plan for all of the company's stock to have one vote per share, on the basis that implementation of the proposal would lead to an event of default under an existing credit agreement. However, in that instance, the proposal was deliberately worded so as to restrict the impact of the proposal on the Company's existing contractual obligations and to give the Board flexibility in implementation. The proposal in *Martha Stewart* specifically stated that it was "not intended to unnecessarily limit our Board's judgment in crafting the requested change in accordance with applicable laws and existing contracts" (emphasis added). In addition, the resolution contained in the proposal was phrased more permissively than the current Proposal, and asked the Board to take all "practicable steps including encouragement and negotiation with family shareholders to request that they relinquish, for the common good of all shareholders, any pre-existing rights, if necessary."

Unlike the supporting statement in *Martha Stewart*, neither the Proposals nor the Supporting Statements contain any similar "savings clause" for existing contracts. Neither the Proposals nor the Supporting Statements enable the Board to take practical steps to avoid defaulting under the Company's existing obligations in implementing the Proposals. The proposal in *Martha Stewart* sought to require the board to take only those steps that were "practicable." Neither the Proposals nor the Supporting Statements limit the actions required of the Board in a similar manner. The Proposals and Supporting Statements therefore differ significantly from the proposal in *Martha Stewart* and merit different treatment from the proposal in *Martha Stewart.*

(4) *The Proponents should not be permitted to amend the Proposals to carve out conflicts with existing agreements.*

We are aware that, in some circumstances where the Staff has agreed that implementation of a proposal would violate existing contractual agreements, the Staff has permitted the proponent to amend the proposal to apply only to future contracts.[5] The rationale

---

[5] For example, where proposals have sought to require a company to alter its compensation agreements with management, the Staff has permitted revisions to ensure that such changes only apply to future compensation agreements. See, e.g., *Occidental Petroleum Corporation*, SEC No-Action Letter, 2010 WL 4922423 (Jan. 20, 2010) (proposal seeking to eliminate severance

behind that approach does not apply in this circumstance. Borrowings under the Credit Agreements have maturity dates ranging from 2016 through 2020, and the debt issued under the Indentures has maturity dates ranging from 2017 through 2022. Thus, this is not a situation in which the purpose of the Proposals could be effected by applying the Proposals on a going forward basis – it will be many years before the Company would be in a position to attempt to revise its borrowing agreements to eliminate the relevant default provisions (and there can be no assurance that its lenders would agree to eliminate the provisions). This is a situation where the Proposals are fundamentally at odds with what is permitted under the Company's long-term borrowing arrangements.

B. The Supporting Statements question the competence, business judgment, or character of one or more directors in violation of Rule 14a-8(i)(3) and Rule 14a-8(i)(8)(iii).

Rule 14a-8(i)(8) allows the exclusion of a shareholder proposal that "[q]uestions the competence, business judgment or character of one or more nominees or directors...or [o]therwise could affect the outcome of the upcoming election of directors." See Exchange Act Release No. 34-62764 (Aug. 25, 2010). See also Exchange Act Release No. 34-56914 (Dec. 6, 2007) (noting that the Staff has taken the position that a proposal would be subject to exclusion under Rule 14a-8(i)(8) if the proposal "could have the effect of...[q]uestioning the competence or business judgment of one or more directors").

In addition, Rule 14a-8(i)(3) permits a company to exclude a shareholder proposal from its proxy materials if "the proposal or supporting statement is contrary to any of the Commission's proxy rules, including Rule 14a-9, which prohibits materially false or misleading statements in proxy soliciting materials." For purposes of Rule 14a-9, the Commission considers misleading, among other things, "material which directly or indirectly impugns character, integrity or personal reputation, or directly or indirectly makes charges concerning improper, illegal or immoral conduct or associations, without factual foundation."

We believe that the Proposals may be omitted under these provisions because the Supporting Statements question the competence, business judgment and character of certain directors, and impugn their character, integrity and reputation without factual basis.

The Supporting Statements criticize the decisions made by Mr. Dolan and other Dolan family members who serve as directors of the Company, and suggest that they are not satisfying their fiduciary duties as directors.[6] The Supporting Statements say that the "Dolan

---

pay, certain annual retirement payments and all remuneration for management above $500,000 per year was found to be excludable under Rule 14a-8(i)(2) but was permitted to be revised to only apply to future compensation agreements); *Citigroup Inc.*, SEC No-Action Letter, 2003 WL 681311 (Feb. 18, 2003) (proposal requesting return of monetary gains by senior managers and invalidating past bonuses paid and options granted, and terminating stock option programs and bonus programs was found to be excludable under Rule 14a-8(i)(2) but was permitted to be revised to only apply to future compensation agreements).

[6] In addition to Mr. Dolan, the following Dolan Family Members also serve as directors of the Company: Mr. James L. Dolan, Ms. Deborah Dolan-Sweeney, Ms. Kathleen M. Dolan, Ms. Kristin A. Dolan, Ms. Marianne Dolan Weber, Mr. Patrick F. Dolan, Mr. Thomas C. Dolan and Mr. Brian G. Sweeney. All of these individuals are Class B elected directors that were elected at

family's control over Cablevision has resulted in decisions that are not in public stockholders' best interests" and state that some directors, even in the face of a "board split," pursued an investment that was the "pet project" of Mr. Dolan. The Supporting Statements also imply that, as a result of the Dolan family's management of the Company, the Company's shareholder returns have "lagged its broadcasting peers." These statements clearly question the competence, business judgment and character, and impugn the reputation of, these Board members by suggesting that they are not making prudent decisions. Moreover, as the Proponents know, all directors have a fiduciary duty of care to the Company and all its shareholders (not just the Class B shareholders). By stating that the Board has taken decisions that are not in the public shareholders' best interests and that favor a "pet project" of a majority shareholder, the Proponents have created an implication that the Board has violated its fiduciary duty to minority shareholders in violation of law. These statements impugn the character and reputation of the Dolan family directors.

More broadly, the Supporting Statements intertwine abstract, general statements on corporate governance with statements questioning the wisdom of specific business decisions. The combination of such statements is not only misleading, but also serves to question the judgment or competence of Mr. Dolan and the Dolan Family Members under the cover of apparently abstract propositions regarding corporate governance. The juxtaposition of references to purportedly lower valuations at dual-class companies and "scandals" at unrelated companies with references to the Company's structure and the Company's own shareholder returns are misleading, and an attempt at guilt by association. The Staff has permitted the exclusion of shareholder proposals which have sought to combine apparently general references to scholarship on corporate governance with references to the managerial style, business judgment or competence of particular directors. See *The Black & Decker Corp.*, SEC No-Action Letter, 1997 WL 34877 (Jan. 21, 1997).

We believe these statements in the Supporting Statements are similar to statements in other proposals that the Staff has permitted companies to exclude. See, e.g., *Marriott International, Inc.*, SEC No-Action Letter, 2010 WL 169404 (Mar. 12, 2010) (permitting the exclusion, under Rule 14a-8(i)(8), of a proposal that alleged specific lapses of judgment and a lack of competence on the part of certain directors); *AT&T Corp.*, SEC No-Action Letter, 2001 WL 138967 (Feb. 13, 2001) (permitting the exclusion, under Rule 14a-8(i)(8), of a proposal accompanied by a supporting statement questioning the business judgment and strategy of the company's Chairman and CEO), *The Black & Decker Corp.*, SEC No-Action Letter, 1997 WL 34877 (Jan. 21, 1997) (permitting the exclusion, under Rule 14a-8(i)(8), of a proposal accompanied by a supporting statement questioning the managerial style of the company's Chairman and CEO).

---

the 2013 annual meeting for one-year terms. While the Board has not yet made its nomination determinations, the Company anticipates that all of these individuals will be renominated for election by the holders of the Class B common stock at the next annual meeting.

As in these precedents, we believe that exclusion of the Proposals and Supporting Statements would be in line with the guidance given by the Staff in *Division of Corporation Finance: Staff Legal Bulletin No. 14 - Shareholder Proposals* (Jul. 13, 2001) where the Staff stated that "when a proposal and supporting statement will require detailed and extensive editing in order to bring them into compliance with the proxy rules, we may find it appropriate for companies to exclude the entire proposal, supporting statement, or both, as materially false or misleading." We urge the Staff to concur in our analysis that the Proposals and Supporting Statements may be omitted on this basis. (See, e.g., *ConocoPhillips*, SEC No-Action Letter, 2012 WL 122330 (Mar. 13, 2012) (permitting exclusion of a proposal which made numerous "inflammatory assertions" and impugned the character, integrity and personal reputation of certain directors of the company).

In light of the pervasive nature of the false and misleading statements contained in the Supporting Statements, we believe that the Proposals may be omitted in their entirety. Alternatively, if the Staff does not agree, we believe that the portions of the Supporting Statements that reference the Board of the Company may be omitted. See, e.g., *Sara Lee Corp.*, SEC No-Action Letter, 2007 WL 2240165 (Jul. 31, 2007) (permitting omission of specified portions of a supporting statement as being materially false and misleading); *Bob Evans Farms, Inc.*, SEC No-Action Letter, 2006 WL 1751022 (Jun. 26, 2006) (permitting exclusion of one paragraph of a supporting statement as being materially false and misleading).

Conclusion

On behalf of the Company, we hereby respectfully request that the Staff indicate that it will not recommend enforcement action to the Commission if the Proposals and Supporting Statements are excluded from the Company's Proxy Materials for all the reasons set forth above.

Connecticut Retirement Plans and Trust Funds ("CRPTF")

RESOLVED, that shareholders of Cablevision Systems Corporation ("Cablevision" or the "Company") request that the Board of Directors take the necessary steps (excluding those steps that must be taken by the Company's stockholders) to adopt a recapitalization plan that would eliminate Cablevision's dual-class capital structure and provide that each outstanding share of common stock has one vote.

SUPPORTING STATEMENT

Cablevision had 267,221,703 shares of common stock outstanding as of March 28, 2013, the date used in the beneficial ownership table in Cablevision's 2013 proxy statement: 213,083,430 shares of Class A common stock and 54,137,673 shares of Class B common stock. Holders of Class A common stock have one vote per share and holders of Class B common stock have 10 votes per share, in all matters except the election of directors. Holders of Class A common stock have the right to elect up to 25% of the board and the holders of Class B common stock elect the remaining 75%.

The Dolan Family Group, which includes founder and board Chair Charles Dolan, several directors who are related to Charles Dolan and current Cablevision CEO James Dolan, owns 100% of the Class B common stock and 4.2% of Class A shares outstanding. (2013 Proxy Statement, at 84) Thus, The Dolan Family Group controls 72.9% of the total voting power while owning 23.6% of shares outstanding.

Dual-class structures like the one in pace at Cablevision distort incentives and increase agency costs by misaligning economic incentives and voting power. High-profile scandals at companies such as Hollinger and Adelphia illustrate the dangers of dual-class structures in facilitating the extraction of private benefits for management. Governance expert Charles Elson has stated that dual-class structures create "a culture with no accountability." (Geoff Colvin, "The Trembling at News Corp. Has Only Begun," CNNMoney, July 19, 2011)

Dual-class structures are associated with poorer company performance. A 2008 study by Harvard's Paul Gompers and two co-authors found that dual-class structures with disparate voting rights were correlated with lower firm value. (Paul Gompers et al., "Extreme Governance" (working paper 2008) (available at http://papers.ssrn.com/sol3/papers.cfm?abstract_id=562511))

We believe that the Dolan family's control over Cablevision has resulted in decisions that are not in public stockholders' best interests. According to data from GMI as of September 30, 2013, Cablevision's total shareholder return has lagged its broadcasting peers over the previous one-, three- and five-year periods. As well, a 2005 article described the board split caused by disagreement over Cablevision's costly investment in satellite TV operator Voom, which was reportedly a pet project of Charles Dolan. (Joel Siegel, "Oedipus at the Garden," New York, Mar. 21, 2005) Voom was shut down in 2005. (Liana Baker, "Voom HD Case Between Dish, Cablevision Kicks Off," Reuters, Sept. 26, 2012)

Dear Ms. Salhus:

The Comptroller of the State of New York, Thomas P. DiNapoli, is the trustee of the New York State Common Retirement Fund (the "Fund") and the administrative head of the New York State and Local Retirement System. The Comptroller has authorized me to inform Cablevision Systems Corporation ("Cablevision") of his intention to co-sponsor, with the Connecticut Retirement Plan and Trust Funds, the enclosed shareholder proposal for consideration of stockholders at the next annual meeting.

I submit the enclosed proposal to you in accordance with rule 14a-8 of the Securities Exchange Act of 1934 and ask that it be included in your proxy statement.

A letter from J.P. Morgan Chase, the Fund's custodial bank verifying the Fund's ownership of Cablevision shares, continually for over one year, will follow. The Fund intends to continue to hold at least $2,000 worth of these securities through the date of the annual meeting.

We would be happy to discuss this initiative with you. Should the Cablevision board decide to endorse its provisions as company policy, the Comptroller will ask that the proposal be withdrawn from consideration at the annual meeting. Please feel free to contact me at (212) 681-4489 should you have any further questions on this matter.

Dear Ms. Salhus,

On behalf of the AFL-CIO Reserve Fund (the "Fund"), I write to give notice that pursuant to the 2013 proxy statement of Cablevision Systems Corporation (the "Company"), the Fund intends to present the attached proposal (the "Proposal") at the 2014 annual meeting of shareholders (the "Annual Meeting"). Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words "include," "includes" and "including" shall be deemed to be followed by the phrase "without limitation." The word "will" shall be construed to have the same meaning and effect as the word "shall." Unless the context requires otherwise, (i) any definition of or reference to any agreement, instrument or other document (including any organization document) shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth herein or in any other Loan Document), (ii) any reference herein to any Person shall be construed to include such Person's successors and assigns, (iii) the words "herein," "hereof" and "hereunder," and words of similar import when used in any Loan Document, shall be construed to refer to such Loan Document in its entirety and not to any particular provision thereof, (iv) all references in a Loan Document to Articles, Sections, Exhibits and Schedules shall be construed to refer to Articles and Sections of, and Exhibits and Schedules to, the Loan Document in which such references appear, (v) any reference to any law shall include all statutory and regulatory provisions consolidating, amending, replacing or interpreting such law and any reference to any law or regulation shall, unless otherwise specified, refer to such law or regulation as amended, modified or supplemented from time to time, and (vi) the words "asset" and "property" (except when used as accounting terms, in which case GAAP shall apply) shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, securities, accounts and contract rights.

(b) In the computation of periods of time from a specified date to a later specified date, the word "from" means "from and including;" the words "to" and "until" each mean "to but excluding;" and the word "through" means "to and including."

(c) Section headings herein and in the other Loan Documents are included for convenience of reference only and shall not affect the interpretation of this Credit Agreement or any other Loan Document.

Section 1.03 Accounting Terms. (a) Generally. All accounting terms not specifically or completely defined herein shall be construed in conformity with, and all financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Credit Agreement shall be prepared in conformity with, GAAP applied on a consistent basis, as in effect from time to time, applied in a manner consistent with that used in preparing the audited financial statements, except as otherwise specifically prescribed herein.

(b) Changes in GAAP. If at any time any change in GAAP would affect the computation of any financial ratio or requirement set forth in any Loan Document,

and either the Company or the Required Revolver/Term A Lenders (or, in the case of any financial ratio set forth in Section 7.25 or Section 7.26 (to the extent it relates to a Term B Tranche Facility), the Required Lenders), shall so request, the Administrative Agent, the applicable Lenders and the Company shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change in GAAP (subject to the approval of the Required Lenders or Required Revolver/Term A Lenders, as applicable); provided that, until so amended, (i) such ratio or requirement shall continue to be computed in accordance with GAAP prior to such change therein and (ii) the Company shall provide to the Administrative Agent and the Lenders financial statements and other documents required under this Credit Agreement or as reasonably requested hereunder setting forth a reconciliation between calculations of such ratio or requirement made before and after giving effect to such change in GAAP.

Section 1.04 Rounding. Any financial ratios required to be maintained by the Company pursuant to this Credit Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

Section 1.05 Times of Day. Unless otherwise specified, all references herein to times of day shall be references to Eastern time (daylight or standard, as applicable).

Section 1.06 Letter of Credit Amounts. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the stated amount of such Letter of Credit in effect at such time; provided, however, that with respect to any Letter of Credit that, by its terms or the terms of any Issuer Document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

Section 1.07 Currency Equivalents Generally. Any amount specified in this Credit Agreement (other than in Articles II, IV and IX) or any of the other Loan Documents to be in Dollars shall also include the equivalent of such amount in any currency other than Dollars, such equivalent amount thereof in the applicable currency to be determined by the Administrative Agent at such time on the basis of the Spot Rate (as defined below) for the purchase of such currency with Dollars. For purposes of this Section 1.07, the "Spot Rate" for a currency means the rate determined by the Administrative Agent to be the rate quoted by the Person acting in such capacity as the spot rate for the purchase by such Person of such currency with another currency through its principal foreign exchange trading office at approximately 11:00 a.m. on the date two Business Days prior to the date of such determination; provided that the Administrative Agent may obtain such spot rate from another financial institution designated by the Administrative Agent if the Person acting in such capacity does not have as of the date of determination a spot buying rate for any such currency.

ARTICLE II

THE COMMITMENTS AND CREDIT EXTENSIONS

Section 2.01 The Loans. (a) The Term A Borrowing. Subject to the terms and conditions set forth herein, each Term A Lender severally agrees to make a single loan to the Company on the Closing Date in an amount not to exceed such Term A Lender's Term A Commitment. The Term A Borrowing shall consist of Term A Loans made simultaneously by the Term A Lenders in accordance with their respective Applicable Percentage of the Term A Facility. Amounts borrowed under this Section 2.01(a) and repaid or prepaid may not be reborrowed. Term A Loans may be Base Rate Loans or Eurodollar Rate Loans, as further provided herein.

(b) The Term B Borrowing. Subject to the terms and conditions set forth herein, each Term B Lender severally agrees to make a single loan to the Company on the Closing Date in an amount not to exceed such Term B Lender's Term B Commitment. The Term B Borrowing shall consist of Term B Loans made simultaneously by the Term B Lenders in accordance with their respective Term B Commitments, provided, that each Term B Loan shall be funded with .50% of original issue discount. Amounts borrowed under this Section 2.01(b) and repaid or prepaid may not be reborrowed. Term B Loans may be Base Rate Loans or Eurodollar Rate Loans as further provided herein.

(c) The Revolving Credit Borrowings. Subject to the terms and conditions set forth herein, each Revolving Credit Lender severally agrees to make loans (each such loan, a "Revolving Credit Loan") to the Company from time to time, on any Business Day during the Availability Period, in an aggregate amount not to exceed at any time outstanding the amount of such Lender's Revolving Credit Commitment; provided, however, that after giving effect to any Revolving Credit Borrowing, (i) the Total Revolving Credit Outstandings shall not exceed the Revolving Credit Facility, and (ii) the aggregate Outstanding Amount of the Revolving Credit Loans of any Lender, plus such Revolving Credit Lender's Applicable Revolving Credit Percentage of the Outstanding Amount of all L/C Obligations shall not exceed such Revolving Credit Lender's Revolving Credit Commitment. Within the limits of each Revolving Credit Lender's Revolving Credit Commitment, and subject to the other terms and conditions hereof, the Company may borrow under this Section 2.01(c), prepay under Section 2.04, and reborrow under this Section 2.01(c). Revolving Credit Loans may be Base Rate Loans or Eurodollar Rate Loans, as further provided herein.

Section 2.02 Borrowings, Conversions and Continuations of Loans. (a) Each Term Borrowing, each Revolving Credit Borrowing, each conversion of Term Loans or Revolving Credit Loans from one Type to the other, and each continuation of Eurodollar Rate Loans shall be made upon the Company's irrevocable notice to the Administrative Agent, which may be given by telephone. Each such notice must be received by the Administrative Agent not later than 11:00 a.m. (i) three Business Days prior to the requested date of any Borrowing of, conversion to or continuation of Eurodollar Rate Loans or of any conversion of Eurodollar Rate Loans to Base Rate Loans, and (ii) on the

requested date of any Borrowing of Base Rate Loans; provided, however, that notice of (x) the initial Borrowing of Base Rate Loans to be made on the Closing Date may be received by the Administrative Agent at such time as agreed by the Administrative Agent on the requested date of Borrowing and (y) any conversion of such initial Borrowing to Eurodollar Rate Loans may be received by the Administrative Agent no later than 5:00 p.m. on the third Business Day prior to the requested date of conversion. Each telephonic notice by the Company pursuant to this Section 2.02(a) must be confirmed promptly by delivery to the Administrative Agent of a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Company. In the case of any discrepancies between telephonic and written notices received by the Administrative Agent, the telephonic notice shall be effective as understood in good faith by the Administrative Agent. Each Borrowing of, conversion to or continuation of Eurodollar Rate Loans shall be in a principal amount of $5,000,000 or a whole multiple of $1,000,000 in excess thereof. Except as provided in Section 2.03(c), each Borrowing of or conversion to Base Rate Loans shall be in a principal amount of $500,000 or a whole multiple of $100,000 in excess thereof. Each Committed Loan Notice (whether telephonic or written) shall specify (i) whether the Company is requesting a Term A Borrowing, a Term B Borrowing, a Revolving Credit Borrowing, an Additional Facility Borrowing, if available, a conversion of Term Loans or Revolving Credit Loans from one Type to the other, or a continuation of Eurodollar Rate Loans, (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iii) the principal amount of Loans to be borrowed, converted or continued, (iv) the Type of Loans to be borrowed or to which existing Term Loans or Revolving Credit Loans are to be converted, and (v) if applicable, the duration of the Interest Period with respect thereto. If the Company fails to specify a Type of Loan in a Committed Loan Notice or if the Company fails to give a timely notice requesting a conversion or continuation, then the applicable Term Loans or Revolving Credit Loans shall be made as, or converted to, Base Rate Loans. Any such automatic conversion to Base Rate Loans shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurodollar Rate Loans. If the Company requests a Borrowing of, conversion to, or continuation of Eurodollar Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month.

(b) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Applicable Percentage under the applicable Facility of the applicable Term A Loans, Term B Loans, Revolving Credit Loans, or Additional Facility Loans, if any, and if no timely notice of a conversion or continuation is provided by the Company, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Base Rate Loans described in Section 2.02(a). With respect to any Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in immediately available funds at the Administrative Agent's Office not later than (i) one hour after receipt of notice from the Administrative Agent on the Closing Date in the case of the initial Borrowing of Base Rate Loans (as long as such notice is received prior to 1:30 p.m. on such day) or (ii) 1:00 p.m. on the Business Day specified in the applicable Committed Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 5.02 (and, (x) if such

Borrowing is the initial Credit Extension, Section 5.01, and (y) if such Borrowing is an Additional Facility Borrowing, the applicable conditions set forth in the respective Additional Facility Supplement), the Administrative Agent shall make all funds so received available to the Company in like funds as received by the Administrative Agent either by (i) crediting the account of the Company on the books of Bank of America with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Company; provided, however, that if, on the date a Committed Loan Notice with respect to a Revolving Credit Borrowing is given by the Company, there are L/C Borrowings outstanding, then the proceeds of such Revolving Credit Borrowing, first, shall be applied to the payment in full of any such L/C Borrowings, and second, shall be made available to the Company as provided above.

(c) Except as otherwise provided herein, a Eurodollar Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurodollar Rate Loan. During the existence of an Event of Default, the Administrative Agent may notify the Company that Loans

may only be converted into or continued as Loans of certain specified Types and, thereafter, until no Event of Default shall continue to exist, Loans may not be converted into or continued as Loans of any Type other than one or more of such specified Types.

(d) The Administrative Agent shall promptly notify the Company and the Lenders of the interest rate applicable to any Interest Period for Eurodollar Rate Loans upon determination of such interest rate. At any time that Base Rate Loans are outstanding, the Administrative Agent shall notify the Company and the Lenders of any change in Bank of America's prime rate used in determining the Base Rate promptly following the public announcement of such change.

(e) After giving effect to all Term A Borrowings, all conversions of Term A Loans from one Type to the other, and all continuations of Term A Loans as the same Type, there shall not be more than 12 Interest Periods in effect in respect of the Term A Facility. After giving effect to all Term B Borrowings, all conversions of Term B Loans from one Type to the other, and all continuations of Term B Loans as the same Type, there shall not be more than 12 Interest Periods in effect in respect of the Term B Facility. After giving effect to all Revolving Credit Borrowings, all conversions of Revolving Credit Loans from one Type to the other, and all continuations of Revolving Credit Loans as the same Type, there shall not be more than 12 Interest Periods in effect in respect of the Revolving Credit Facility.

Section 2.03 Letters of Credit. (a) The Letter of Credit Commitment. (i) (i) Subject to the terms and conditions set forth herein, (A) the L/C Issuer agrees, in reliance upon the agreements of the Revolving Credit Lenders set forth in this Section 2.03, (1) from time to time on any Business Day during the period from the Closing Date until the Letter of Credit Expiration Date, to issue Letters of Credit for the account of the Company or its Subsidiaries, and to amend Letters of Credit previously issued by it, in accordance with Section 2.03(b), and (2) to honor drawings under the Letters of Credit; and (B) the Revolving Credit Lenders severally agree to participate in Letters of Credit

issued for the account of the Company or its Subsidiaries and any drawings thereunder; provided that after giving effect to any L/C Credit Extension with respect to any Letter of Credit, (x) the Total Revolving Credit Outstandings shall not exceed the Revolving Credit Facility, (y) the aggregate Outstanding Amount of the Revolving Credit Loans of any Revolving Credit Lender, plus such Lender's Applicable Revolving Credit Percentage of the Outstanding Amount of all L/C Obligations shall not exceed such Lender's Revolving Credit Commitment, and (z) the Outstanding Amount of the L/C Obligations shall not exceed the Letter of Credit Sublimit. Each request by the Company for the issuance or amendment of a Letter of Credit shall be deemed to be a representation by the Company that the L/C Credit Extension so requested complies with the conditions set forth in the proviso to the preceding sentence. Within the foregoing limits, and subject to the terms and conditions hereof, the Company's ability to obtain Letters of Credit shall be fully revolving, and accordingly the Company may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed. All Existing Letters of Credit shall be deemed to have been issued pursuant hereto, and from and after the Closing Date shall be subject to and governed by the terms and conditions hereof.

(ii) The L/C Issuer shall not issue any Letter of Credit if:

(A) the expiry date of such requested Letter of Credit would occur more than twelve months after the date of issuance, unless the Required Revolving Lenders have approved such expiry date; or

(B) the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date, unless all the Revolving Credit Lenders have approved such expiry date.

(C) such Letter of Credit is to be denominated in a currency other than Dollars;

(iii) The L/C Issuer shall not be under any obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain the L/C Issuer from issuing such Letter of Credit, or any Law applicable to the L/C Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over the L/C Issuer shall prohibit, or request that the L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon the L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital or liquidity requirement (for which the L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon the L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which the L/C Issuer in good faith deems material to it;

(B) the issuance of such Letter of Credit would violate one or more policies of the L/C Issuer generally applicable to the issuance of letters of credit;

(C) except as otherwise agreed by the Administrative Agent and the L/C Issuer, such Letter of Credit is in an initial stated amount less than $100,000;

(D) such Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing

thereunder; or

(E) a default of any Lender's obligations to fund under Section 2.03(c) exists or any Lender is at such time a Defaulting Lender hereunder, unless the L/C Issuer has entered into satisfactory arrangements with the Company or such Lender to eliminate the L/C Issuer's risk with respect to such Lender.

(iv) The L/C Issuer shall not amend any Letter of Credit if the L/C Issuer would not be permitted at such time to issue such Letter of Credit in its amended form under the terms hereof.

(v) The L/C Issuer shall be under no obligation to amend any Letter of Credit if (A) the L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(vi) The L/C Issuer shall act on behalf of the Revolving Credit Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and the L/C Issuer shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article IX with respect to any acts taken or omissions suffered by the L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article IX included the L/C Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to the L/C Issuer.

(b) Procedures for Issuance and Amendment of Letters of Credit. (i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Company delivered to the L/C Issuer (with a copy to the Administrative Agent) in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of the Company. Such Letter of Credit Application must be received by the L/C Issuer and the Administrative Agent not later than 11:00 a.m. at least two Business Days (or such later date and time as the Administrative Agent and the L/C Issuer may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an

initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail satisfactory to the L/C Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount thereof; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; and (G) such other matters as the L/C Issuer may require. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail satisfactory to the L/C Issuer (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); (3) the nature of the proposed amendment; and (4) such other matters as the L/C Issuer may require. Additionally, the Company shall furnish to the L/C Issuer and the Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as the L/C Issuer or the Administrative Agent may require.

(ii) Promptly after receipt of any Letter of Credit Application, the L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Application from the Company and, if not, the L/C Issuer will provide the Administrative Agent with a copy thereof. Unless the L/C Issuer has received written notice from any Revolving Credit Lender, the Administrative Agent or any Loan Party, at least one Business Day prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Article V shall not then be satisfied, then, subject to the terms and conditions hereof, the L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the Company (or the applicable Subsidiary) or enter into the applicable amendment, as the case may be, in each case in accordance with the L/C Issuer's usual and customary business practices. Immediately upon the issuance of each Letter of Credit, each Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the L/C Issuer a risk participation in such Letter of Credit in an amount equal to the product of such Revolving Credit Lender's Applicable Revolving Credit Percentage times the amount of such Letter of Credit.

(iii) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the L/C Issuer will also deliver to the Company and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(c) Drawings and Reimbursements; Funding of Participations. (i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the L/C Issuer shall notify the Company and the Administrative Agent thereof. Not later than 11:00 a.m. on the date of any payment by the L/C Issuer under a Letter of Credit (each such date, an "Honor Date"), the Company shall reimburse the L/C Issuer through the Administrative Agent in an amount equal to the amount of such

drawing. If the Company fails to so reimburse the L/C Issuer by such time, the Administrative Agent shall promptly notify each Revolving Credit

http://www.sec.gov/Archives/edgar/data/784681/000119312513167412/d524328dex101.htm[1/17/2014 11:32:29 AM]

Lender of the Honor Date, the amount of the unreimbursed drawing (the "Unreimbursed Amount"), and the amount of such Revolving Credit Lender's Applicable Revolving Credit Percentage thereof. In such event, the Company shall be deemed to have requested a Revolving Credit Borrowing of Base Rate Loans to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans, but subject to the amount of the unutilized portion of the Revolving Credit Commitments and the conditions set forth in Section 5.02 (other than the delivery of a Committed Loan Notice). Any notice given by the L/C Issuer or the Administrative Agent pursuant to this Section 2.03(c)(i) may be given by telephone if immediately confirmed in writing; provided that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Revolving Credit Lender shall upon any notice pursuant to Section 2.03(c)(i) make funds available to the Administrative Agent for the account of the L/C Issuer at the Administrative Agent's Office in an amount equal to its Applicable Revolving Credit Percentage of the Unreimbursed Amount not later than 1:00 p.m. on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.03(c)(iii), each Revolving Credit Lender that so makes funds available shall be deemed to have made a Base Rate Loan to the Company in such amount. The Administrative Agent shall remit the funds so received to the L/C Issuer.

(iii) With respect to any Unreimbursed Amount that is not fully refinanced by a Revolving Credit Borrowing of Base Rate Loans because the conditions set forth in Section 5.02 cannot be satisfied or for any other reason, the Company shall be deemed to have incurred from the L/C Issuer an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate. In such event, each Revolving Credit Lender's payment to the Administrative Agent for the account of the L/C Issuer pursuant to Section 2.03(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(iv) Until each Revolving Credit Lender funds its Revolving Credit Loan or L/C Advance pursuant to this Section 2.03(c) to reimburse the L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's Applicable Revolving Credit Percentage of such amount shall be solely for the account of the L/C Issuer.

(v) Each Revolving Credit Lender's obligation to make Revolving Credit Loans to the Company or L/C Advances to reimburse the L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c), shall be absolute and unconditional and shall not be affected by any circumstance,

---

including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the L/C Issuer, the Company or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.03(c) is subject to the conditions set forth in Section 5.02 (other than delivery by the Company of a Committed Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Company to reimburse the L/C Issuer for the amount of any payment made by the L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(c) by the time specified in Section 2.03(c)(ii), the L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the L/C Issuer at a rate per annum equal to the greater of the Federal Funds Rate and a rate determined by the L/C Issuer in accordance with banking industry rules on interbank compensation. A certificate of the L/C Issuer submitted to any Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(c)(vi) shall be conclusive absent manifest error.

(d) Repayment of Participations. (i) At any time after the L/C Issuer has made a payment under any Letter of Credit and has received from any Revolving Credit Lender such Lender's L/C Advance in respect of such payment in accordance with Section 2.03(c), if the Administrative Agent receives for the account of the L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Company or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Applicable Revolving Credit Percentage thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the same funds as those received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of the L/C Issuer pursuant to Section 2.03(c)(i) is required to be returned under any of the circumstances described in Section 10.05 (including pursuant to any settlement entered into by the L/C Issuer in its discretion), each Revolving Credit Lender shall pay to the Administrative Agent for the account of the L/C Issuer its Applicable Revolving Credit Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders under this clause shall survive the payment in full of the

Obligations and the termination of this Credit Agreement.

(e) Obligations Absolute. The obligation of the Company to reimburse the L/C Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Credit Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Credit Agreement, or any other Loan Document;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that the Company or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the L/C Issuer or any other Person, whether in connection with this Credit Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) waiver by the L/C Issuer of any requirement that exists for the L/C Issuer's protection and not the protection of the Company or any waiver by the L/C Issuer which does not in fact prejudice the Company;

(v) any payment by the L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Company or any of its Subsidiaries.

The Company shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with the Company's instructions or other irregularity, the Company will immediately notify the L/C Issuer. The Company shall be conclusively deemed to have waived any such claim against the L/C Issuer and its correspondents unless such notice is given as aforesaid.

(f) Role of L/C Issuer. Each Lender and the Company agree that, in paying any drawing under a Letter of Credit, the L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the L/C Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Revolving Credit Lenders or the Required Revolving Lenders, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Issuer Document. The Company hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude the Company's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuer, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of the L/C Issuer shall be liable or responsible for any of the matters described in clauses (i) through (v) of Section 2.03(e); provided, however, that anything in such clauses to the contrary notwithstanding, the Company may have a claim against the L/C Issuer, and the L/C Issuer may be liable to the Company, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Company which the Company proves were caused by the L/C Issuer's willful misconduct or gross negligence or the L/C Issuer's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, the L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and the L/C Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

(g) Cash Collateral. Upon the request of the Administrative Agent, (i) if the L/C Issuer has honored any full or partial drawing request under any Letter of Credit and such drawing has resulted in an L/C Borrowing, or (ii) if, as of the Letter of Credit Expiration Date, any L/C Obligation for any reason remains outstanding, the Company shall, in each case, immediately Cash Collateralize the then Outstanding Amount of all L/C Obligations. Section 2.04 and Section 8.02 set forth certain additional requirements to deliver Cash Collateral hereunder. For purposes of

this Section 2.03, Section 2.04 and Section 8.02, "Cash Collateralize" means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the L/C Issuer and the Lenders, as collateral for

the L/C Obligations, cash or deposit account balances pursuant to documentation in form and substance satisfactory to the Administrative Agent and the L/C Issuer (which documents are hereby consented to by the Lenders). Derivatives of such term have corresponding meanings. The Company hereby grants to the Administrative Agent, for the benefit of the L/C Issuer and the Lenders, a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing. Cash Collateral shall be maintained in blocked, non-interest bearing deposit accounts at Bank of America. If at any time the Administrative Agent determines that any funds held as Cash Collateral are subject to any right or claim of any Person other than the Administrative Agent or that the total amount of such funds is less than the aggregate Outstanding Amount of all L/C Obligations, the Company will, forthwith upon demand by the Administrative Agent, pay to the Administrative Agent, as additional funds to be deposited as Cash Collateral, an amount equal to the excess of (x) such aggregate Outstanding Amount over (y) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under applicable Laws, to reimburse the L/C Issuer.

(h) Applicability of ISP and UCP. Unless otherwise expressly agreed by the L/C Issuer and the Company when a Letter of Credit is issued (including any such agreement applicable to an Existing Letter of Credit), (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the UCP, as most recently published by the International Chamber of Commerce at the time of issuance shall apply to each commercial Letter of Credit.

(i) Letter of Credit Fees. The Company shall pay to the Administrative Agent for the account of each Revolving Credit Lender in accordance with its Applicable Revolving Credit Percentage a Letter of Credit Fee (the "Letter of Credit Fee") for each Letter of Credit equal to the Applicable Rate times the daily amount available to be drawn under such Letter of Credit. For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.06. Letter of Credit Fees shall be (A) computed on a quarterly basis in arrears and (B) due and payable on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. If there is any change in the Applicable Rate during any quarter, the daily amount available to be drawn under each Letter of Credit shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect. Notwithstanding anything to the contrary contained herein, upon the request of the Required Revolving Lenders, while any Event of Default exists, all Letter of Credit Fees shall accrue at the Default Rate.

(j) Fronting Fee and Documentary and Processing Charges Payable to L/C Issuer. The Company shall pay directly to the L/C Issuer for its own account a fronting fee with respect to each Letter of Credit, at the rate per annum specified in the Bank of America Fee Letter, computed on the daily amount available to be drawn under such Letter of Credit on a quarterly basis in arrears. Such fronting fee shall be due and

payable on the tenth Business Day after the end of each March, June, September and December in respect of the most recently-ended quarterly period (or portion thereof, in the case of the first payment), commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.06. In addition, the Company shall pay directly to the L/C Issuer for its own account the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of the L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable on demand and are nonrefundable.

(k) Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

(l) Letters of Credit Issued for Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary, the Company shall be obligated to reimburse the L/C Issuer hereunder for any and all drawings under such Letter of Credit. The Company hereby acknowledges that the issuance of Letters of Credit for the account of Subsidiaries inures to the benefit of the Company, and that the Company's business derives substantial benefits from the businesses of such Subsidiaries.

Section 2.04 Prepayments.

(a) Optional. The Company may, upon notice to the Administrative Agent, at any time or from time to time voluntarily prepay Loans, in whole or in part, and, except as provided in Section 2.04(c) below, without premium or penalty; provided that (A) such notice must be received by the Administrative Agent not later than 11:00 a.m. (I) three Business Days prior to any date of prepayment of Eurodollar Rate Loans and (II) on the date of prepayment of Base Rate Loans; (B) any prepayment of Eurodollar Rate Loans shall be in a principal amount of $5,000,000 or a whole

multiple of $1,000,000 in excess thereof; and (C) any prepayment of Base Rate Loans shall be in a principal amount of $500,000 or a whole multiple of $100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment, the Type(s) of Loans to be prepaid and, in the case of a prepayment of Term Loans, the amount of such prepayment to be applied to each Term Facility. The Administrative Agent will promptly notify each Lender of its receipt of each such notice, and of the amount of such Lender's ratable portion of such prepayment (based on such Lender's Applicable Percentage in respect of the relevant Facility). If such notice is given by the Company, the Company shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurodollar Rate Loan shall be accompanied by all accrued interest on the amount prepaid, together with any additional amounts required pursuant to Section 3.05. Each prepayment of the outstanding Loans pursuant to this Section 2.04(a) shall be applied (x) to the Facility or Facilities specified by the Company in the related notice of prepayment and (y) within

each Facility or Facilities to be prepaid, to the principal repayment installments thereof on a pro-rata basis, and each such prepayment shall be paid to the Lenders in accordance with their respective Applicable Percentages in respect of each of the relevant Facilities.

(b) Mandatory. (i) If the Company or any of its Restricted Subsidiaries (A) Disposes of any property (other than any Disposition deemed to have resulted from a redesignation of a Restricted Subsidiary as an Unrestricted Subsidiary under Section 7.08(c)) or (B) suffers an Event of Loss, in each case, which results in the realization by such Person of Net Cash Proceeds, the Company shall prepay, immediately upon receipt thereof by such Person, an aggregate principal amount of Loans equal to 100% of such Net Cash Proceeds which, in the aggregate with any other Net Cash Proceeds described in this Section 2.04(b)(i) that have not been used to prepay the Loans pursuant to this Section 2.04(b)(i) or reinvested pursuant to the proviso set forth below, exceeds $75,000,000; provided, however, that, with respect to any Net Cash Proceeds described in this Section 2.04(b)(i), at the election of the Company (as notified by the Company to the Administrative Agent on or prior to the receipt of such Net Cash Proceeds), and so long as no Event of Default shall have occurred and be continuing, the Company or such Restricted Subsidiary may reinvest all or any portion of such Net Cash Proceeds in operating assets so long as within 365 days after the receipt of such Net Cash Proceeds, such reinvestment shall have been consummated (as certified by the Company in writing to the Administrative Agent); and provided further, however, that any Net Cash Proceeds not so reinvested shall be immediately applied to the prepayment of the Loans as set forth in this Section 2.04(b)(i).

(ii) Upon the incurrence or issuance by the Company or any of its Restricted Subsidiaries of any Indebtedness (other than any Indebtedness expressly permitted to be incurred or issued pursuant to Section 7.12), the Company shall prepay an aggregate principal amount of Loans equal to 100% of all Net Cash Proceeds received therefrom immediately upon receipt thereof by the Company or such Restricted Subsidiary.

(iii) Each prepayment of Loans pursuant to the foregoing provisions of this Section 2.04(b) shall be applied, first, ratably to each of the Term Facilities and to the principal repayment installments thereof on a pro-rata basis (except as otherwise provided in clause (vii) of this Section 2.04(b)) and, second, to the Revolving Credit Facility in the manner set forth in clause (vi) of this Section 2.04(b).

(iv) Notwithstanding any of the other provisions of clause (i) or (ii) of this Section 2.04(b), so long as no Default under Section 8.01(b), Section 8.01(g) or Section 8.01(h), or Event of Default shall have occurred and be continuing, if, on any date on which a prepayment would otherwise be required to be made pursuant to clause (i) or (ii) of this Section 2.04(b), the aggregate amount of Net Cash Proceeds required by such clause to be applied to prepay Loans on such date is less than or equal to $75,000,000, the Company may defer such prepayment until the first date on which the aggregate amount of Net Cash Proceeds or other amounts otherwise required under clause (i) or (ii) of this

Section 2.04(b) to be applied to prepay Loans exceeds $75,000,000. During such deferral period the Company may apply all or any part of such aggregate amount to prepay Revolving Credit Loans and may, subject to the fulfillment of the applicable conditions set forth in Article V, reborrow such amounts (which amounts, to the extent originally constituting Net Cash Proceeds, shall be deemed to retain their original character as Net Cash Proceeds when so reborrowed) for application as required by this Section 2.04(b). Upon the occurrence of a Default under Section 8.01(b), Section 8.01(g) or Section 8.01(h), or an Event of Default during any such deferral period, the Company shall immediately prepay the Loans in the amount of all Net Cash Proceeds received by the Company and other amounts, as applicable, that are required to be applied to prepay Loans under this Section 2.04(b) (without giving effect to the first and second sentences of this clause (iv)) but which have not previously been so applied.

(v) If for any reason the Total Revolving Credit Outstandings at any time exceed the Revolving Credit Facility at such time, the Company shall immediately prepay Revolving Credit Loans and L/C Borrowings and/or Cash Collateralize the L/C Obligations (other than the L/C Borrowings) in an aggregate amount equal to such excess.

(vi) Prepayments of the Revolving Credit Facility made pursuant to this Section 2.04(b), first, shall be applied ratably to the L/C Borrowings, second, shall be applied ratably to the outstanding Revolving Credit Loans, and, third, shall be used to

Cash Collateralize the remaining L/C Obligations; and, in the case of prepayments of the Revolving Credit Facility required pursuant to clause (i) or (ii) of this Section 2.04(b), the amount remaining, if any, after the prepayment in full of all L/C Borrowings and Revolving Credit Loans outstanding at such time and the Cash Collateralization of the remaining L/C Obligations in full (the sum of such prepayment amounts, cash collateralization amounts and remaining amount being, collectively, the "Reduction Amount") may be retained by the Company for use in the ordinary course of its business. Upon the drawing of any Letter of Credit that has been Cash Collateralized, the funds held as Cash Collateral shall be applied (without any further action by or notice to or from the Company or any other Loan Party) to reimburse the L/C Issuer or the Revolving Credit Lenders, as applicable.

(vii) With respect to any prepayment of the Loans under any Term B Tranche Facility required to made pursuant to this Section 2.04(b), any applicable Term B Tranche Lender, at its option, may elect not to accept such prepayment. Upon receipt by the Administrative Agent of any such prepayment of the applicable Term B Tranche Facility, the amount of the prepayment that is available to prepay such Term B Tranche Loans (the "Prepayment Amount") shall be deposited in a blocked, interest bearing deposit account of one or more of the Loan Parties at Bank of America in the name of the Collateral Agent and under the sole dominion and control of the Administrative Agent, and otherwise established in a manner satisfactory to the Administrative Agent (a "Cash Collateral Account"), on terms reasonably satisfactory to the Administrative

Agent and the Company, pending application of such amount on the Prepayment Date as set forth below and promptly after the date of such receipt, the Administrative Agent shall notify the Term B Tranche Lenders of the amount available to prepay the Term B Tranche Loans and the date on which such prepayment shall be made (the "Prepayment Date"), which date shall be 10 Business Days after the date of such receipt. Any Term B Tranche Lender declining such prepayment (a "Declining Lender") shall give written notice to the Administrative Agent by 11:00 a.m. on the Business Day immediately preceding the Prepayment Date. On the Prepayment Date, an amount equal to that portion of the Prepayment Amount accepted by the Term B Tranche Lenders other than the Declining Lenders (such Lenders being the "Accepting Lenders") to prepay Term B Tranche Loans owing to such Accepting Lenders shall be withdrawn from the applicable Cash Collateral Account and applied ratably to prepay Term B Tranche Loans owing to such Accepting Lenders in the manner described in Section 2.04(b) of the Credit Agreement for such prepayment. For the avoidance of doubt, interest shall continue to accrue on the Term B Tranche Loans of each Accepting Lender through the Prepayment Date applicable to such Loans. Any amounts that would otherwise have been applied to prepay Term B Tranche Loans owing to Declining Lenders shall instead be applied ratably to prepay the Term A Tranche Loans in the manner described in Section 2.04(b) for such prepayment, or if there are no Term A Tranche Loans then outstanding after such payment, any remaining amounts shall instead be applied ratably to prepay the Term B Tranche Loans owing to Accepting Lenders in the manner described in Section 2.04(b) for such prepayment, or if there are no Term B Tranche Loans owing to Accepting Lenders then outstanding after such payment, any remaining amounts shall be returned to the Company. Any interest from such account shall be returned to the Company on the Prepayment Date to the extent not applied to prepay the Term A Tranche Loans or the Term B Tranche Loans on the Prepayment Date.

(c) Call Protection. In the event that all or any portion of the Term B Loans are repaid or are subject to a Repricing Event during the period from the Closing Date through and including the date falling six months after the Closing Date, the Company agrees to pay a premium to each Lender holding Term B Loans equal to 1.00% of the principal amount of the Term B Loans so prepaid, or, in the case of a modification of the Term B Loans constituting a Repricing Event, 1.00% of the principal amount of the Term B Loans so modified.

Section 2.05 Termination or Reduction of Commitments. (a) Optional. The Company may, upon notice to the Administrative Agent, terminate the Revolving Credit Facility or the Letter of Credit Sublimit, or from time to time permanently reduce the Revolving Credit Facility or the Letter of Credit Sublimit; provided that (i) any such notice shall be received by the Administrative Agent not later than 11:00 a.m. three Business Days prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of $5,000,000 or any whole multiple of $1,000,000 in excess thereof and (iii) the Company shall not terminate or reduce (A) the Revolving Credit Facility if, after giving effect thereto and to any concurrent prepayments

hereunder, the Total Revolving Credit Outstandings would exceed the Revolving Credit Facility, or (B) the Letter of Credit Sublimit if, after giving effect thereto, the Outstanding Amount of L/C Obligations not fully Cash Collateralized hereunder would exceed the Letter of Credit Sublimit; provided further that (i) the Company may terminate or reduce separately (I) any portion of the Revolving Credit Facility not constituting an Extended Revolving Credit Facility and (II) any Extended Revolving Credit Facility as specified in their notice and (ii) no Extended Revolving Credit Facility may be terminated or reduced pursuant to this Section 2.05(a) prior to the termination of each portion of the Revolving Credit Facility with an earlier Maturity Date without the prior written consent of each Revolving Credit Lender under each such portion of the Revolving Credit Facility.

(b) Mandatory. (i) The aggregate Term A Commitments shall be automatically and permanently reduced to zero on the date of the

Term A Borrowing. Upon the occurrence of the Maturity Date applicable to any portion of the Revolving Credit Facility, the Revolving Credit Commitments applicable to such portion shall be automatically and permanently reduced to zero on such date.

(ii) If after giving effect to any reduction or termination of Revolving Credit Commitments under this Section 2.05, the Letter of Credit Sublimit exceeds the Revolving Credit Facility at such time, the Letter of Credit Sublimit shall be automatically reduced by the amount of such excess.

(c) Application of Commitment Reductions; Payment of Fees. The Administrative Agent will promptly notify the Lenders of any termination or reduction of the Letter of Credit Sublimit or the Revolving Credit Commitment under this Section 2.05. Upon any reduction of the Revolving Credit Commitments, unless otherwise permitted under this Section 2.05, the Revolving Credit Commitment of each Revolving Credit Lender shall be reduced by such Lender's Applicable Revolving Credit Percentage of such reduction amount. All fees in respect of the Revolving Credit Facility accrued until the effective date of any termination of the Revolving Credit Facility shall be paid on the effective date of such termination. In connection with the termination or reduction of any portion of the Revolving Credit Facility pursuant to this Section 2.05, the Company shall prepay the Revolving Credit Loans and L/C Advances of the Revolving Credit Lenders whose Revolving Credit Commitments have been so terminated or reduced to the extent necessary such that the Revolving Credit Loans and L/C Advances of each Revolving Credit Lender shall not exceed its Applicable Revolving Credit Percentage of the Revolving Credit Loans and L/C Advances after giving effect to such termination or reduction.

Section 2.06 Repayment of Loans. (a) Term A Loans. The Company shall repay to the Term A Lenders the aggregate principal amount of all Term A Loans outstanding on the following dates in the respective amounts set forth opposite such dates based upon the specified percentage of the Original Principal Amount of the Term A Facility (which amounts shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.04):

Date	Principal Amortization Payment (shown as a % of Original Principal Amount)	Date	Principal Amortization Payment (shown as a % of Original Principal Amount)
September 30, 2014	1.25%	September 30, 2016	2.50%
December 31, 2014	1.25%	December 31, 2016	2.50%
March 31, 2015	1.25%	March 31, 2017	2.50%
June 30, 2015	1.25%	June 30, 2017	2.50%
September 30, 2015	1.25%	September 30, 2017	2.50%
December 31, 2015	1.25%	December 31, 2017	2.50%
March 31, 2016	1.25%	March 31, 2018	2.50%
June 30, 2016	1.25%	April 17, 2018	Outstanding Principal Amount
		Total:	100.00%

provided, however, that the final principal repayment installment of the Term A Loans shall be repaid on the Maturity Date for the Term A Facility and in any event shall be in an amount equal to the aggregate principal amount of all Term A Loans outstanding on such date.

(b) Term B Loans. The Company shall repay to the Term B Lenders the aggregate principal amount of all Term B Loans outstanding in 27 consecutive installments which except for the final installment shall be due on the last day of each March, June, September and December beginning with September 30, 2013. Subject to adjustment in connection with prepayments made pursuant to Section 2.04, each of the first 26 installments shall be in the principal amount equal to 0.25% of the original aggregate principal amount of the Term B Loan and the final installment, due on the Maturity Date for the Term B Facility, shall be in the principal amount equal to the aggregate principal amount of all Term B Loans outstanding on such date.

(c) Revolving Credit Loans. The Company shall repay to the Revolving Credit Lenders on the applicable Maturity Date for the Revolving Credit Facility the aggregate principal amount of all Revolving Credit Loans with such Maturity Date outstanding on such date.

(d) Additional Facility Loans. The Company shall repay to the Additional Facility Lenders the aggregate principal amount of all Additional Facility Loans held by such Lender in the installments and on the Maturity Date set forth in the applicable Additional Facility Agreement pursuant to which such Loans were made.

(e) Extended Facility Loans. The Company shall repay to the Extended Facility Lenders under an Extended Term A Facility or Extended Term B Facility the aggregate principal amount of all Extended Facility Loans held by such Lender in the installments and on the Maturity Date set forth in the applicable Extended Facility Agreement pursuant to which such Loans were extended.

Section 2.07 Interest. (a) Subject to the provisions of Section 2.07(b), (i) (i) each Eurodollar Rate Loan under a Facility shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurodollar Rate for such Interest Period plus the Applicable Rate for such Facility; and (ii) each Base Rate Loan under a Facility shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate for such Facility.

(b) (i) If any amount of principal of any Loan is not paid when due (without regard to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws.

(ii) If any amount (other than principal of any Loan) payable by the Company under any Loan Document is not paid when due (without regard to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, then upon the request of (x) in the case of any amount payable only to the Revolving Credit Lenders and/or the Term A Lenders, the Required Revolver/Term A Lenders and (y) in the case of any other amount, the Required Lenders, such amount shall thereafter bear interest at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws.

(iii) Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

Section 2.08 Fees. In addition to certain fees described in Section 2.03(i) and (j):

(a) Commitment Fee. The Company shall pay to the Administrative Agent for the account of each Revolving Credit Lender in accordance with its Applicable Revolving Credit Percentage, a commitment fee (the "Commitment Fee") on the actual daily amount by which the Revolving Credit Facility exceeds the Total Revolving Credit Outstandings, at the rate equal to 0.30% per annum. The Commitment Fee shall accrue at all times during the Availability Period, including at any time during which one or more of the conditions in Article V is not met, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the Closing Date, and on the last day of the Availability Period for the Revolving Credit Facility. The Commitment Fee shall be calculated quarterly in arrears.

(b) Other Fees.

(i) The Company shall pay to the Administrative Agent and the applicable L/C Issuer for their own respective accounts fees in the amounts and at the times specified in the Bank of America Fee Letter. Such fees shall not be refundable for any reason whatsoever

(ii) The Company shall pay to the Lenders (or the Administrative Agent on behalf of the Lenders) such fees as shall have been separately agreed upon in writing, to the Lenders and in the amounts and at the times so specified. Such fees shall not be refundable for any reason whatsoever.

Section 2.09 Computation of Interest and Fees. All computations of interest for Base Rate Loans when the Base Rate is determined by Bank of America's "prime rate" shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.11(a), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.10 Evidence of Debt. (a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and by the Administrative Agent in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive absent manifest error of the amount of the Credit Extensions made by the Lenders to the Company and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Company hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and

records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Company shall execute and deliver to such Lender (through the Administrative Agent) a Note, which shall evidence such Lender's

Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in Section 2.10(a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records evidencing the purchases and sales by such Lender of participations in Letters of Credit. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

Section 2.11 Payments Generally; Administrative Agent's Clawback. (a) General. All payments to be made by the Company shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Company hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Dollars and in immediately available funds not later than 2:00 p.m. on the date specified herein. The Administrative Agent will promptly distribute to each Lender its Applicable Percentage in respect of the relevant Facility (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 2:00 p.m. shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Company shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected on computing interest or fees, as the case may be.

(b) (i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Eurodollar Rate Loans (or, in the case of any Borrowing of Base Rate Loans, prior to 12:00 noon on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 (or, in the case of a Borrowing of Base Rate Loans, that such Lender has made such share available in accordance with and at the time required by Section 2.02) and may, in reliance upon such assumption, make available to the Company a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Company severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Company to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender,

---

the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, and (B) in the case of a payment to be made by the Company, the interest rate applicable to Base Rate Loans. If the Company and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Company the amount of such interest paid by the Company for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Company shall be without prejudice to any claim the Company may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(ii) Payments by Company; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Company prior to the time at which any payment is due to the Administrative Agent for the account of the Lenders or the L/C Issuer hereunder that the Company will not make such payment, the Administrative Agent may assume that the Company has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Appropriate Lenders or the L/C Issuer, as the case may be, the amount due. In such event, if the Company has not in fact made such payment, then each of the Appropriate Lenders or the L/C Issuer, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or the L/C Issuer, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

A notice of the Administrative Agent to any Lender or the Company with respect to any amount owing under this subsection (b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Company by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article V are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) Obligations of Lenders Several. The obligations of the Lenders hereunder to make Term Loans and Revolving Credit Loans, to fund participations in Letters of Credit and to make payments pursuant to Section 10.04(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any payment under Section 10.04(c) on any date required hereunder shall not relieve any other

Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 10.04(c).

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Insufficient Funds. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, L/C Borrowings, interest and fees then due hereunder, such funds shall be applied (i) first, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, toward payment of principal and L/C Borrowings then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and L/C Borrowings then due to such parties.

Section 2.12 Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of (a) Obligations in respect of any of the Facilities due and payable to such Lender hereunder and under the other Loan Documents at such time in excess of its ratable share (according to the proportion of (i) the amount of such Obligations due and payable to such Lender at such time to (ii) the aggregate amount of the Obligations in respect of such Facilities due and payable to all Lenders hereunder and under the other Loan Documents at such time) of payments on account of the Obligations in respect of such Facilities due and payable to all Lenders hereunder and under the other Loan Documents at such time obtained by all the Lenders at such time or (b) Obligations in respect of any of such Facilities owing (but not due and payable) to such Lender hereunder and under the other Loan Documents at such time in excess of its ratable share (according to the proportion of (i) the amount of such Obligations owing (but not due and payable) to such Lender at such time to (ii) the aggregate amount of the Obligations in respect of such Facilities owing (but not due and payable) to all Lenders hereunder and under the other Loan Parties at such time) of payments on account of the Obligations in respect of the Facilities owing (but not due and payable) to all Lenders hereunder and under the other Loan Documents at such time obtained by all of the Lenders at such time then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans and subparticipations in L/C Obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of Obligations in respect of the Facilities then due and payable to the Lenders or owing (but not due and payable) to the Lenders, as the case may be, provided that:

(i) if any such participations or subparticipations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations or subparticipations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this Section shall not be construed to apply to (A) any payment made by the Company pursuant to and in accordance with the express terms of this Credit Agreement or (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or subparticipations in L/C Obligations to any assignee or participant, other than to the Company or any Subsidiary thereof (as to which the provisions of this Section shall apply).

Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Loan Party in the amount of such participation.

Section 2.13 Increase in Commitments. (a) Request for Increase. Provided that no Event of Default shall have occurred and be continuing at such time or would result therefrom, upon notice to the Administrative Agent (which, if all Lenders under the specified Facility are being requested, shall promptly notify all of the Lenders under the applicable Facility and, if less than all Lenders under the specified Facility are being requested, each individual Lender being requested), the Company may, from time to time, request one or more Lenders to increase their portion of the applicable Facility; provided that (i) any such request for an increase shall be in a minimum amount of $10,000,000, (ii) no increase may be made to (A) any portion of the Revolving Credit Facility with a Maturity Date earlier than any other portion of the Revolving Credit Facility or (B) any Term Facility with a Maturity Date earlier than any other existing Term Facility and (iii) the amount of such increase, together with the aggregate amount of all undrawn Commitments and outstanding Loans under all Facilities (after giving effect to any repayment of Loans and reduction of Commitments to be made with the proceeds of such increase on the date of such increase or as evidenced by an irrevocable notice delivered on such date in the manner set forth in Section 2.04(a) or Section 2.05(a), as applicable) shall not exceed the Maximum Facilities Limit. At the time of sending such notice, the Company (in consultation with the Administrative Agent) shall specify the time period within which each applicable Lender is requested to respond (which shall in no event be less than ten Business Days from the date of delivery of such notice to such Lenders by the Administrative Agent).

(b) Lender Elections to Increase. Each requested Lender shall notify the Administrative Agent in writing within such time period whether or not it agrees to increase its applicable Commitment, and, if so, whether by an amount equal to, greater than, or less than, (i) in the case of a Revolving Credit Lender, its Applicable Revolving Credit Percentage of such requested increase and (ii) in the case of a Term Lender, its

ratable portion (based on such Term Lender's Applicable Percentage in respect of the applicable Term Facility) of such requested increase. Any requested Revolving Credit Lender and Term Lender, as applicable, not responding within such time period shall be deemed to have declined to increase its Revolving Credit Commitment and/or Term Loans, as applicable.

(c) Notification by Administrative Agent; Additional Lenders. The Administrative Agent shall notify the Company and, if more than one Lender in the applicable Facility has been requested, each requested Revolving Credit Lender and Term Lender, as applicable, of the requested Revolving Credit Lenders' and Term Lenders' responses, as applicable, to each request made hereunder. If the aggregate increase participated in by the existing Lender(s) is less than the requested increase, then to achieve the full amount of the requested increase, and subject to the approval of the Administrative Agent and, in the case of an increase in the Revolving Credit Facility, the L/C Issuer (which approvals shall not be unreasonably withheld), the Company may also invite additional Eligible Assignees to become Revolving Credit Lenders or Term Lenders, as applicable, pursuant to a joinder agreement substantially in the form attached as Exhibit L hereto or otherwise in form and substance satisfactory to the Administrative Agent and its counsel.

(d) Effective Date and Allocations. If the Revolving Credit Facility or Term Loans, or both, are increased in accordance with this Section, the Administrative Agent and the Company shall determine the effective date (the "Increase Effective Date") and the final allocation of such increase. The Administrative Agent shall promptly notify the Company and the applicable Revolving Credit Lenders and Term Lenders, including the proposed new lenders, as applicable, in writing of the final allocation of such increase and the Increase Effective Date and shall provide to all Lenders in respect of the increased Facility a revised Schedule 2.01 reflecting the final allocation of such increase and the total amount of such Facility after giving effect to such increase.

(e) Conditions to Effectiveness of Increase. As a condition precedent to such increase, the Company shall deliver to the Administrative Agent a certificate of each Loan Party dated as of the Increase Effective Date (in sufficient copies for each increasing Lender) signed by a Responsible Officer of such Loan Party (i) certifying and attaching the resolutions adopted by such Loan Party approving or consenting to such increase, and (ii) in the case of the Company, certifying that, before and after giving effect to such increase, (A) the representations and warranties contained in Article VI and the other Loan Documents are true and correct in all material respects on and as of the Increase Effective Date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they are true and correct as of such earlier date, and except that for purposes of this Section 2.13, the representations and warranties contained in Section 6.04 shall be deemed to refer to the most recent financial statements furnished pursuant to Section 7.01(b), and (B) no Event of Default exists or would result from such increase. In the event of an increase in the Revolving Credit Commitment in accordance with this Section, on the Increase Effective Date, the Company shall borrow Revolving Credit Loans and prepay any outstanding Revolving Credit Loans from each Revolving Credit Lender (and pay any additional amounts required pursuant to Section 3.05) to the extent necessary to keep the outstanding Revolving Credit Loans ratable amongst the Revolving Credit Lenders in accordance with their respective revised Applicable Revolving Credit Percentages arising from any nonratable increase in the Revolving Credit Commitments under this Section. In the event of an increase in the Term Loans in accordance with this Section, the Company shall deliver to the Administrative Agent a Committed Loan Notice on the Increase

Effective Date requesting the additional Term Loans (and notwithstanding anything in Section 2.02 to the contrary, the Administrative Agent shall only notify the Term Lenders participating in such additional Loans of such request) and the Term Lenders participating therein shall provide such Loans pursuant to the procedures set forth in Section 2.02.

(f) Conflicting Provisions. This Section shall supersede any provisions in Sections 2.12 or 5.01 to the contrary.

Section 2.14 Additional Facilities. (a) Request for Additional Facilities. Provided that no Event of Default shall have occurred and be continuing at such time or would result therefrom, at the option of the Company, the lenders party to an Additional Facility Supplement and the Administrative Agent, and without the consent of any other Lender, one or more separate and additional tranches of commitments and loans may be established under this Credit Agreement in an amount not exceeding the Maximum Facilities Limit; provided that any such request for an Additional Facility shall be in a minimum amount of $100,000,000.

(b) Conditions to Effectiveness of any Additional Facility. As a condition precedent to the establishment of any Additional Facility, the Company, the Administrative Agent and the lenders party thereto shall enter into an Additional Revolver/Term A Facility Supplement or an Additional Term B Facility Supplement, as the case may be, and satisfy the conditions precedent set forth therein. Upon the effective date of such Additional Facility Supplement, each lender thereunder shall become an Additional Facility Lender hereunder and such Additional Facility Supplement shall be deemed part of this Credit Agreement for all purposes thereafter.

(c) Restrictions on Additional Facilities.

(i) Additional Revolver Facility. In the case of an Additional Revolver Facility, (a) such Additional Revolver Facility shall not have a final maturity earlier than the Maturity Date applicable to the Revolving Credit Facility immediately prior to the respective Additional Facility Closing Date, (b) such Additional Revolver Facility shall not have any required commitment

reductions prior to the Maturity Date applicable to the Revolving Credit Facility immediately prior to the respective Additional Facility Closing Date, (c) on or prior to the respective Additional Facility Closing Date, the Company shall have terminated the existing Revolving Credit Commitments and repaid the amounts outstanding immediately prior to such Additional Facility Closing Date under the Revolving Credit Facility, including all interest and fees applicable thereto and all other amounts payable hereunder and under the other Loan Documents in respect thereof and (d) the Company shall use reasonable efforts to syndicate such Additional Revolver Facility to financial institutions of the type holding a majority of the Revolving Credit Facility, in the aggregate, immediately prior the respective Additional Facility Closing Date.

(ii) Additional Term Facility. In the case of an Additional Term Facility, (a) the Term Loans under such Additional Term Facility shall not have a Maturity Date, or a weighted average life, shorter than any Term Facility outstanding at the Additional Facility Closing Date, (b) such Additional Term Facility shall not have any required amortization prior to the Maturity Date applicable to any then outstanding applicable Term Facility which is not being prepaid with the proceeds of such Additional Facility unless the average weighted life to maturity of such Additional Facility is equal to or greater that the average weighted life to maturity of any Term Facility immediately prior to the respective Additional Facility Closing Date and (c), in the case of any Additional Term B Facility entered into within 18 months after the Closing Date, if the aggregate of the per annum rate of interest and fees payable to the Additional Term B Facility Lenders party thereto exceeds the aggregate of the per annum rate of interest and fees payable to the Lenders under any applicable Term B Tranche Facility by more than 0.50% per annum, the Applicable Margin in respect of such Term B Tranche Facility shall be increased by an amount equal to such excess amount over 0.50% per annum from the respective Additional Facility Closing Date until the Loans pursuant to such applicable Term B Tranche Facility have been paid in full.

(d) Amendments; Etc. For the benefit of each Additional Facility Lender, the Lenders agree that they shall not consent to or approve any amendment or waiver of any provision of this Credit Agreement or any other Loan Document or consent to any departure by the Company or any other Loan Party therefrom, to the extent the effect thereof would:

(i) waive any condition set forth in Section 6 of any Additional Facility Supplement (other than Section 6(h) thereof), without the written consent of each Additional Facility Lender party thereto;

(ii) waive any condition set forth in Section 5.02 as to any Credit Extension under any Additional Facility without the written consent of the Required Additional Facility Lenders, if any, under such Additional Facility;

(iii) change the order of application of any reduction in the Commitments or any prepayment of any Additional Facility Loans among the Facilities from the application thereof set forth in the applicable provisions of Section 2.04(b) or Section 2.05(b), respectively, in any manner that materially and adversely affects the Additional Facility Lenders holding such Additional Facility Loans without the written consent of the Required Additional Facility Lenders, if any, under such Additional Facility;

(iv) change any provision of this Section 2.14(d) or the definition of "Required Additional Facility Lenders" as to an Additional Facility without the written consent of each Additional Facility Lender under such Facility; and

(v) impose any greater restriction on the ability of any Additional Facility Lender under an Additional Facility, if any, to assign any of its rights or obligations hereunder without the written consent of the Required Additional Facility Lenders under such Additional Facility.

Section 2.15 Extended Lenders and Facilities. (a) Request for Extended Lenders. At the request of the Company, individual Term Lenders and Revolving Credit Lenders may, from time to time, extend the maturity date of such Lender's Term Loans or Revolving Credit Commitments, as applicable, on the same terms and conditions as an existing Extended Term Facility or Extended Revolving Credit Facility, as applicable, effected pursuant to this Section 2.15. Each such extending Term Lender or Revolving Credit Lender shall become a party to, and subject to the terms of, the Extended Facility Agreement applicable to such existing Extended Facility by executing and delivering to the Company and the Administrative Agent an Accession Agreement and such other documentation as the Administrative Agent shall reasonably specify to evidence the extended Term Loans or Revolving Credit Commitments of such Lender. Such Accession Agreement shall become effective immediately after, in the case of any extending Term Lender, the first scheduled principal repayment installment date of the Loans under the existing Extended Term Facility and, in the case of any extending Revolving Credit Lender, the first payment of Commitment Fees under the existing Extended Revolving Credit Facility, in each case occurring on or after the date of the Accession Agreement (the "Accession Effective Date") and must be delivered to the Administrative Agent at least five (5) Business Days prior to such Accession Effective Date. For the avoidance of doubt, the request for an Extended Facility and any allocation among the Facilities in connection therewith shall not be considered an increase in commitments made pursuant to, and subject to the terms of, Section 2.13.

(b) Request for Extended Facilities. Provided that no Event of Default shall have occurred and be continuing at such time or would

result therefrom, at the option of the Company, the Lenders party to the applicable Facility and the Administrative Agent, and without the consent of any other Lender, the maturity or termination date and, if applicable, amortization schedule of one or more of the Facilities may be extended under this Credit Agreement; provided that any Extended Facility requested by the Company shall be participated in by Lenders holding at least 10% of the outstanding Loans (or Commitments, in the case of the Revolving Credit Facility) under the Facility to be extended.

(c) Conditions to Effectiveness of any Extended Facility. As a condition precedent to the extension of any Facility, the Company, the Administrative Agent and the lenders party thereto shall enter into an Extended Revolving Credit Facility Agreement, an Extended Term A Facility Agreement, an Extended Term B Facility Agreement or an Extended Additional Facility Agreement, as the case may be, and satisfy the conditions precedent set forth therein.

(d) Restrictions on Extended Facilities. In the case of an Extended Term B Facility entered into within six months after the Closing Date, if the aggregate of the per annum rate of interest and fees payable to any Lender party to any Extended Term B

Facility exceeds the aggregate of the per annum rate of interest and fees payable to the Lenders under the Term B Facility, if any, by more than 0.50% per annum, the Applicable Margin in respect of the Term B Facility shall be increased by an amount equal to such excess amount over 0.50% per annum from the respective Extended Facility Closing Date until the Loans pursuant to the Term B Facility have been paid in full.

(e) Amendments; Etc. For the benefit of each Extended Facility Lender, the Lenders agree that they shall not consent to or approve any amendment or waiver of any provision of this Credit Agreement or any other Loan Document or consent to any departure by the Company or any other Loan Party therefrom, to the extent the effect thereof would:

(i) waive any condition set forth in Section 4 of any Extended Facility Agreement (other than Section 4(g) thereof), without the written consent of each Extended Facility Lender party thereto;

(ii) change the order of application of any reduction in the Commitments or any prepayment of any Extended Facility Loans among the Facilities from the application thereof set forth in the applicable provisions of Section 2.04(b) or Section 2.05(b), respectively, in any manner that materially and adversely affects the Extended Facility Lenders holding such Extended Facility Loans without the written consent of the Required Extended Facility Lenders, if any, under such Extended Facility;

(iii) change any provision of this Section 2.15(d) or the definition of "Required Extended Facility Lenders" as to an Extended Facility without the written consent of each Extended Facility Lender under such Facility; and

(iv) impose any greater restriction on the ability of any Extended Facility Lender under an Extended Facility, if any, to assign any of its rights or obligations hereunder without the written consent of the Required Extended Facility Lenders under such Extended Facility.

Section 2.16 Defaulting Lenders. (a) Adjustments. Notwithstanding anything to the contrary contained in this Credit Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 10.07 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts

owing by such Defaulting Lender to the L/C Issuer hereunder; *third*, to Cash Collateralize the L/C Issuer's Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.03(g); *fourth*, as the Company may request (so long as no Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Credit Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Company, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Credit Agreement and (y) Cash Collateralize the L/C Issuer's future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement; *sixth*, to the payment of any amounts owing to the Lenders or the L/C Issuer as a result of any judgment of a court of competent jurisdiction obtained by any Lender or the L/C Issuer against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Event of Default exists, to the payment of any amounts owing to the Company as a result of any judgment of a court of competent jurisdiction obtained by the Company against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which such Defaulting Lender has not fully funded its appropriate share, and

(y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 5.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Obligations owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Obligations owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in L/C Obligations are held by the Lenders pro rata in accordance with the Commitments hereunder without giving effect to Section 2.16(a)(iii). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.16(a)(i) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(ii) Certain Fees.

(A) No Defaulting Lender shall be entitled to receive any fee payable under Section 2.08(a) for any period during which that Lender is a Defaulting Lender (and the Company shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(B) Each Defaulting Lender shall be entitled to receive Letter of Credit Fees for any period during which that Lender is a Defaulting Lender only to the extent allocable to its Applicable Percentage of the stated amount of Letters of Credit for which it has provided Cash Collateral to be held in accordance with the provisions of Section 2.03(g).

(C) With respect to any fee payable under Section 2.08(a) or any Letter of Credit Fee not required to be paid to any Defaulting Lender pursuant to clause (A) or (B) above, the Company shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in L/C Obligations that has been reallocated to such Non-Defaulting Lender pursuant to clause (iii) below, (y) pay to the L/C Issuer, the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such L/C Issuer's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(iii) Reallocation of Applicable Revolving Credit Percentages to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in L/C Obligations shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Applicable Revolving Credit Percentages (calculated without regard to such Defaulting Lender's Revolving Credit Commitment) but only to the extent that (x) the conditions set forth in Section 5.02 are satisfied at the time of such reallocation, and (y) such reallocation does not cause the aggregate Revolving Credit Exposure of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Revolving Credit Commitment. No reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(b) Defaulting Lender Cure. If the Company, the Administrative Agent and the L/C Issuer agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent shall so notify such Lender and each Lender directly affected by this Section 2.16(b), whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender shall, to the extent applicable, purchase at par that portion of outstanding Revolving Credit Loans of the other Revolving Credit Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Revolving Credit Loans and funded and unfunded participations in Letters of Credit to be held on a pro rata basis by the Revolving Credit Lenders in accordance with their Applicable Revolving Credit Percentages (without giving effect to Section 2.16(a)(iii)), whereupon such Lender shall cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Company while that Lender was a Defaulting Lender and no such change shall give rise to any breakage costs, increased costs or other compensation payable to any Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender shall constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

ARTICLE III

TAXES, YIELD PROTECTION AND ILLEGALITY

Section 3.01 Taxes. (a) Defined Terms – For purposes of this Section 3.01, the term "applicable law" includes FATCA.

(b) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Company hereunder or under any other Loan Document shall be made free and clear of and without reduction or withholding for any Taxes, except as required by applicable law. If the Company or the Administrative Agent shall be required by applicable law to deduct or withhold any Taxes from such payments, then (i) if such Tax is an Indemnified Tax, the sum payable by the Company shall be increased as necessary so that after making all required deductions or withholdings (including deductions or withholdings applicable to additional sums payable under this Section) the Administrative Agent, any Lender or the L/C Issuer, as the case may be, receives an amount equal to the sum it would have received had no such deductions or withholdings been

made, (ii) the Company or the Administrative Agent shall make such deductions or withholdings and (iii) the Company or the Administrative Agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law.

(c) Payment of Other Taxes by the Company. Without limiting the provisions of subsection (b) above, the Company shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law, or, at the option of the Administrative Agent, timely reimburse it for the payment of any Other Taxes.

(d) Indemnification by the Company. The Company shall indemnify the Administrative Agent, each Lender or the L/C Issuer, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by the Administrative Agent, such Lender or the L/C Issuer, as the case may be, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Company by a Lender or the L/C Issuer (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender or the L/C Issuer, shall be conclusive absent manifest error.

(e) Evidence of Payments. As soon as practicable after any payment of Taxes by the Company to a Governmental Authority pursuant to this Section 3.01, the Company shall deliver to the Administrative Agent the original or a certified copy of a

receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Status of Lenders. Any Foreign Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which the Company is resident for tax purposes, or any treaty to which such jurisdiction is a party, with respect to payments hereunder or under any other Loan Document shall deliver to the Company (with a copy to the Administrative Agent), at the time or times prescribed by applicable law or reasonably requested by the Company or the Administrative Agent, such properly completed and executed documentation prescribed by applicable law or reasonably requested by the Company or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Company or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Company or the Administrative Agent as will enable the Company or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

Without limiting the generality of the foregoing, if the Company is resident for tax purposes in the United States:

(i) any Lender that is a United States Person shall deliver to the Company and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Credit Agreement (and from time to time thereafter upon the reasonable request of the Company or the Administrative Agent), executed originals of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(ii) any Foreign Lender shall deliver to the Company and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Credit Agreement (and from time to time thereafter upon the reasonable request of the Company or the Administrative Agent, but only if such Foreign Lender is legally entitled to do so), whichever of the following is applicable:

(A) duly completed copies of Internal Revenue Service Form W-8BEN claiming eligibility for benefits of an income tax treaty to which the United States is a party with respect to payments of interest or any other applicable payments under any Loan Document,

(B) duly completed copies of Internal Revenue Service Form W-8ECI,

(C) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under section 881(c) of the Code,

(A) a certificate to the effect that such Foreign Lender is not (1) a "bank" within the meaning of section 881(c)(3)(A) of the Code, (2) a "10 percent shareholder" of the Company within the meaning of section 881(c)(3)(B) of the Code, or (3) a "controlled foreign corporation" described in section 881(c)(3)(C) of the Code and (B) duly completed copies of Internal Revenue Service Form W-8BEN, or

(D) any other form prescribed by applicable law or reasonably requested by the Company or the Administrative Agent as a basis for claiming exemption from or a reduction in U.S. federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Company or the Administrative Agent to determine the withholding or deduction required to be made.

Each Lender and the L/C Issuer agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Company and the Administrative Agent in writing of its legal inability to do so.

(g) FATCA. If a payment made to a Lender or the L/C Issuer under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender or the L/C Issuer were to fail to comply with the applicable requirements of FATCA, such Lender or the L/C Issuer shall deliver to the Company and the Administrative Agent, at the time or times prescribed by applicable law and at such time or times reasonably requested by the Company or the Administrative Agent, such documentation prescribed by applicable law and such additional documentation reasonably requested by the Company or the Administrative Agent as may be necessary for the Company and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender or the L/C Issuer has complied with such Lender's or the L/C Issuer's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purpose of this Section 3.01(g), "FATCA" shall include any amendments made to FATCA after the date of this Credit Agreement.

(h) Treatment of Certain Refunds. If the Administrative Agent, any Lender or the L/C Issuer determines, in its sole discretion, that it has received a refund of any Taxes as to which it has been indemnified by the Company or with respect to which the Company has paid additional amounts pursuant to this Section, it shall pay to the Company an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Company under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent, such Lender or the L/C Issuer, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the Company, upon the request of the Administrative Agent, such Lender or the L/C Issuer, agrees to repay the amount paid over to the Company (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to

the Administrative Agent, such Lender or the L/C Issuer if the Administrative Agent, such Lender or the L/C Issuer is required to repay such refund to such Governmental Authority. This subsection shall not be construed to require the Administrative Agent, any Lender or the L/C Issuer to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Company or any other Person.

Section 3.02 Illegality. If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Eurodollar Rate Loans, or to determine or charge interest rates based upon the Eurodollar Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Company through the Administrative Agent, any obligation of such Lender to make or continue Eurodollar Rate Loans or to convert Base Rate Loans to Eurodollar Rate Loans shall be suspended until such Lender notifies the Administrative Agent and the Company that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Company shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurodollar Rate Loans of such Lender to Base Rate Loans, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Rate Loans. Upon any such prepayment or conversion, the Company shall also pay accrued interest on the amount so prepaid or converted.

Section 3.03 Inability to Determine Rates. If the Required Lenders determine that for any reason in connection with any request for a Eurodollar Rate Loan or a conversion to or continuation thereof that (a) Dollar deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount and Interest Period of such Eurodollar Rate Loan, (b) adequate and reasonable means do not exist for determining the Eurodollar Base Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan, or (c) the Eurodollar Base Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Company and each Lender. Thereafter, the obligation of the Lenders to make or maintain Eurodollar Rate Loans shall be suspended until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Company may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans or, failing that, will be deemed to have converted such request into a request for a Committed Borrowing of Base Rate Loans in the amount specified therein.

Section 3.04 Increased Costs; Reserves on Eurodollar Rate Loans. (a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets

of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the Eurodollar Rate contemplated by Section 3.04(e)) or the L/C Issuer;

(ii) subject the Administrative Agent, any Lender or the L/C Issuer to any Tax (except for (A) Indemnified Taxes (B) Taxes described in clauses (b) and (c) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the L/C Issuer or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Credit Agreement or Eurodollar Rate Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Eurodollar Rate Loan (or of maintaining its obligation to make any such Loan), or to increase the cost to such Lender or the L/C Issuer of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or the L/C Issuer hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or the L/C Issuer, the Company will pay to such Lender or the L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or the L/C Issuer, as the case may be, for such additional costs incurred or reduction suffered. Notwithstanding the foregoing, a Lender shall be entitled to request compensation for increased costs or expenses described in this Section 3.04(a) only to the extent it is the general practice or policy of such Lender to request such compensation from other borrowers under comparable facilities under similar circumstances.

(b) Capital Requirements. If any Lender or the L/C Issuer determines that any Change in Law affecting such Lender or the L/C Issuer or any Lending Office of such Lender or such Lender's or the L/C Issuer's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or the L/C Issuer's capital or on the capital of such Lender's or the L/C Issuer's holding company, if any, as a consequence of this Credit Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by the L/C Issuer, to a level below that which such Lender or the L/C Issuer or such Lender's or the L/C Issuer's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or the L/C Issuer's policies and the policies of such Lender's or the L/C Issuer's holding company with respect to capital adequacy), then from time to time the Company will pay to such Lender or the L/C Issuer, as the case may be, such additional amount or amounts as will compensate such Lender or the L/C Issuer or such Lender's or the L/C Issuer's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender or the L/C Issuer setting forth the amount or amounts necessary to compensate such Lender or the L/C Issuer or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section and delivered to the Company shall be conclusive absent manifest error. The Company shall pay such Lender or the L/C Issuer, as the case may be, the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or the L/C Issuer to demand compensation pursuant to the foregoing provisions of this Section shall not constitute a waiver of such Lender's or the L/C Issuer's right to demand such compensation, provided that the Company shall not be required to compensate a Lender or the L/C Issuer pursuant to the foregoing provisions of this Section for any compensation pursuant to the foregoing provisions of this Section more than six months prior to the date that such Lender or the L/C Issuer, as the case may be, notifies the Company of the Change in Law giving rise to such compensation pursuant to the foregoing provisions of this Section and of such Lender's or the L/C Issuer's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six-month period referred to above shall be extended to include the period of retroactive effect thereof).

(e) Reserves on Eurodollar Rate Loans. The Company shall pay to each Lender, as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits (currently known as "Eurocurrency liabilities"), additional interest on the unpaid principal amount of each Eurodollar Rate Loan equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive), which shall be due and payable on each date on which interest is payable on such Loan, provided the Company shall have received at least 10 days' prior notice (with a copy to the Administrative Agent) of such additional interest from such Lender. If a Lender fails to give notice 10 days prior to the relevant Interest Payment Date, such additional interest shall be due and payable 10 days from receipt of such notice.

Section 3.05 Compensation for Losses. Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Company shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by the Company (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a Base Rate Loan on the date or in the amount notified by the Company; or

(c) any assignment of a Eurodollar Rate Loan on a day other than the last day of the Interest Period therefor as a result of a request by the Company pursuant to Section 10.12;

including any loss of anticipated profits and any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained. The Company shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

For purposes of calculating amounts payable by the Company to the Lenders under this Section 3.05, each Lender shall be deemed to have funded each Eurodollar Rate Loan made by it at the Eurodollar Base Rate used in determining the Eurodollar Rate for such Loan by a matching deposit or other borrowing in the London interbank eurodollar market for a comparable amount and for a comparable period, whether or not such Eurodollar Rate Loan was in fact so funded.

Section 3.06 Mitigation Obligations; Replacement of Lenders. (a) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Company is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or Section 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Company hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if the Company is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, the Company may replace such Lender in accordance with Section 10.12.

Section 3.07 Survival. All of the Company's obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder.

ARTICLE IV

GUARANTY

Section 4.01 Guaranty. Each of the Guarantors hereby, jointly and severally, absolutely and unconditionally guarantees, as a guaranty of payment and performance and not merely as a guaranty of collection, prompt payment when due, whether at stated maturity, by required prepayment, upon acceleration, demand or otherwise, and at all times thereafter, of any and all of the Obligations, whether for principal, interest, premiums, fees, indemnities, damages, costs, expenses or otherwise, of the Company to the Secured Parties, arising hereunder and under the other Loan Documents (including all renewals, extensions, amendments, refinancings and other modifications thereof and all costs, attorneys' fees and expenses incurred by the Secured Parties in connection with the collection or enforcement thereof and including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 USC. § 362(a)), but excluding, with respect to any Guarantor at any time, Excluded Swap Obligations with respect to such Guarantor at such time. The Administrative Agent's books and records showing the amount of the Obligations shall be admissible in evidence in any action or proceeding, and shall be binding upon each Guarantor, and conclusive for the purpose of establishing the amount of the Obligations, absent manifest error. This Guaranty shall not be affected by the genuineness, validity, regularity or enforceability of the Obligations or any instrument or agreement evidencing any Obligations, or by the existence, validity, enforceability, perfection, non-perfection or extent of any collateral therefor, or by any fact or circumstance relating to the Obligations which might otherwise constitute a defense to the obligations of any Guarantor under this Guaranty, and each Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to any or all of the foregoing (but excluding, with respect to any Guarantor at any time, Excluded Swap Obligations with respect to such Guarantor at such time).

Section 4.02 Rights of Lenders. Each Guarantor consents and agrees that the Secured Parties may, at any time and from time to time, without notice or demand, and without affecting the enforceability or continuing effectiveness hereof: (a) amend, extend, renew, compromise, discharge, accelerate or otherwise change the time for payment or the terms of the Obligations or any part thereof; (b) take, hold, exchange, enforce, waive, release, fail to perfect, sell, or otherwise dispose of any security for the payment of this Guaranty or any Obligations; (c) apply such security and direct the order or manner of sale thereof as the Administrative Agent, the L/C Issuer and the Lenders in their sole discretion may determine; and (d) release or substitute one or more of any endorsers or other guarantors of any of the Obligations. Without limiting the generality of the foregoing, each Guarantor consents to the taking of, or failure to take, any action which might in any manner or to any extent vary the risks of such Guarantor under this Guaranty or which, but for this provision, might operate as a discharge of such Guarantor.

Section 4.03 Certain Waivers. Each Guarantor waives (a) any defense arising by reason of any disability, change in corporate existence or structure or other defense of

the Company or any other Guarantor, or the cessation from any cause whatsoever (including any act or omission of any Secured Party) of the liability of the Company or any other Guarantor; (b) any defense based on any claim that such Guarantor's obligations exceed or are more burdensome than those of the Company or any other Guarantor; (c) the benefit of any statute of limitations affecting such Guarantor's liability hereunder; (d) any right to proceed against the Company, proceed against or exhaust any security for the Obligations, or pursue any other remedy in the power of any Secured Party whatsoever; (e) any benefit of and any right to participate in any security now or hereafter held by any Secured Party; and (f) to the fullest extent permitted by law, any and all other defenses or benefits that may be derived from or afforded by applicable law limiting the liability of or exonerating guarantors or sureties. Each Guarantor expressly waives all setoffs and counterclaims and all presentments, demands for payment or performance, notices of nonpayment or nonperformance, protests, notices of protest, notices of dishonor and all other notices or demands of any kind or nature whatsoever with respect to the Obligations, and all notices of acceptance of this Guaranty or of the existence, creation or incurrence of new or additional Obligations.

Section 4.04 Obligations Independent. The obligations of each Guarantor hereunder are those of primary obligor, and not merely as surety, and are independent of the Obligations and the obligations of any other Guarantor, and a separate action may be brought against such Guarantor to enforce this Guaranty whether or not the Company or any other person or entity is joined as a party.

Section 4.05 Subrogation. Each Guarantor shall not exercise any right of subrogation, contribution, indemnity, reimbursement or similar rights with respect to any payments it makes under this Guaranty until all of the Obligations and any amounts payable under this Guaranty have been indefeasibly paid and performed in full and the Commitments and the Facilities are terminated. If any amounts are paid to any Guarantor in violation of the foregoing limitation, then such amounts shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Secured Parties to reduce the amount of the Obligations, whether matured or unmatured.

Section 4.06 Termination; Reinstatement. This Guaranty is a continuing and irrevocable guaranty of all Obligations now or hereafter existing and shall remain in full force and effect until all Obligations and any other amounts payable under this Guaranty are indefeasibly paid in full in cash and the Commitments and the Facilities with respect to the Obligations are terminated. Notwithstanding the foregoing, this Guaranty shall continue in full force and effect or be revived, as the case may be, if any payment by or on behalf of the Company or any Guarantor is made, or any of the Secured Parties exercises its right of setoff, in respect of the Obligations and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by any of the Secured Parties in their discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Laws or otherwise, all as if such payment had not been made or such setoff had not occurred and whether or not the Secured Parties are in possession of or have released this Guaranty and regardless of any prior revocation, rescission, termination or reduction. The obligations of each Guarantor under this paragraph shall survive termination of this Guaranty.

Section 4.07 Subordination. Each Guarantor hereby subordinates the payment of all obligations and indebtedness of the Company owing to such Guarantor, whether now existing or hereafter arising, including but not limited to any obligation of the Company to such Guarantor as subrogee of the Secured Parties or resulting from such Guarantor's performance under this Guaranty, to the indefeasible payment in full in cash of all Obligations. If the Secured Parties so request, any such obligation or indebtedness of the Company to any Guarantor shall be enforced and performance received by such Guarantor as trustee for the Secured Parties and the proceeds thereof shall be paid over to the Secured Parties on account of the Obligations, but without reducing or affecting in any manner the liability of such Guarantor under this Guaranty.

Section 4.08 Stay of Acceleration. If acceleration of the time for payment of any of the Obligations is stayed, in connection with any case commenced by or against any Guarantor or the Company under any Debtor Relief Laws, or otherwise, all such amounts shall nonetheless be payable by such Guarantor immediately upon demand by the Secured Parties.

Section 4.09 Condition of Company. Each Guarantor acknowledges and agrees that it has the sole responsibility for, and has adequate means of, obtaining from the Company and any other Guarantor such information concerning the financial condition, business and operations of the Company and any such other Guarantor as such Guarantor requires, and that none of the Secured Parties has any duty, and such Guarantor is not relying on the Secured Parties at any time, to disclose to such Guarantor any information relating to the business, operations or financial condition of the Company or any other Guarantor (such Guarantor waiving any duty on the part of the Secured Parties to disclose such information and any defense relating to the failure to provide the same).

Section 4.10 Limitation on Guaranty. It is the intention of the Guarantors, the Lenders and the Company that the obligations of each Guarantor hereunder shall be in, but not in excess of, the maximum amount permitted by applicable law. To that end, but only to the extent such obligations would otherwise be avoidable, the obligations of each Guarantor hereunder shall be limited to the maximum amount that, after giving effect to the incurrence thereof, would not render such Guarantor insolvent or unable to make payments in respect of any of its indebtedness as such indebtedness matures or leave such Guarantor with an unreasonably small capital. The need for any such limitation shall be determined, and any such needed limitation shall be effective, at the time or times that such Guarantor is deemed, under applicable law, to incur the Obligations

hereunder. Any such limitation shall be apportioned amongst the Obligations pro rata in accordance with the respective amounts thereof. This paragraph is intended solely to preserve the rights of the Lenders under this Credit Agreement to the maximum extent permitted by applicable law, and neither the Guarantors, the Company nor any other Person shall have any right under this paragraph that it would not otherwise have under applicable law. The Company and each Guarantor agree not to commence any proceeding or action seeking to limit the amount of the obligation of such Guarantor under this Article IV by

reason of this paragraph. For the purposes of this paragraph, "insolvency", "unreasonably small capital" and "unable to make payments in respect of any of its indebtedness as such indebtedness matures" shall be determined in accordance with applicable law.

ARTICLE V

Without limiting the generality of the provisions of Section 9.04, for purposes of determining compliance with the conditions specified in this Section 5.01, each Lender that has signed this Credit Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

Section 5.02 Conditions to all Credit Extensions. The obligation of the L/C Issuer and each Lender to make each Credit Extension hereunder (which shall not include any conversion or continuation of any outstanding Loan) is subject to the additional conditions precedent that:

ARTICLE VI

REPRESENTATIONS AND WARRANTIES

Each Loan Party represents and warrants to the Administrative Agent and the Lenders as follows:

Section 6.01 Existence, Qualification and Power. Each Loan Party is a limited or general partnership, limited liability company or corporation duly organized, validly existing and in good standing under the Laws of its jurisdiction of organization and is duly qualified to transact business and is in good standing in all jurisdictions in which such qualification is necessary in view of the properties and assets owned and presently intended to be owned and the business transacted and presently intended to be transacted by it except for qualifications the lack of which, singly or in the aggregate, have not had and are not likely to have a Materially Adverse Effect, and each of the Company and the Restricted Subsidiaries has full power, authority and legal right to perform its obligations under this Credit Agreement, the Notes and the other Loan Documents to which it is a party.

Section 6.02 Subsidiaries; Affiliates; Loan Parties. Schedules 1.01(i) and 1.01(ii) contain a complete and correct list, as at the Agreement Date and the Closing Date, of all Restricted Subsidiaries and Unrestricted Subsidiaries of the Company, respectively, and a description of the legal nature of such Subsidiaries (including, with respect to each Restricted Subsidiary, the address of its principal place of business and its U.S. taxpayer identification number), the nature of the ownership interests (shares of

stock or general or limited partnership or other interests) in such Subsidiaries and the holders of such interests and, except as disclosed to the Lenders in writing prior to the Agreement Date, the Company and each of its Subsidiaries owns all of the ownership interests of its Subsidiaries indicated in such Schedules as being owned by the Company or such Subsidiary, as the case may be, free and clear of all Liens except those created under the Collateral Documents and Permitted Liens of the type described in clauses (ii) and (iii) of the definition thereof, and all such ownership interests are validly issued and, in the case of shares of stock, fully paid and non-assessable. Schedule 6.02 hereto contains a complete and correct list, as at the Agreement Date and the Closing Date, of all controlled Affiliates of the Company which are not Subsidiaries of the Company, the nature of the respective ownership interests in each such Affiliate, and the holder of each such interest.

Section 6.03 Authority; No Conflict. The execution, delivery and performance by each of the Company and the Restricted Subsidiaries of each Loan Document to which it is a party, and each Credit Extension hereunder, have been duly authorized by all necessary corporate or other organizational action and do not and will not: (a) subject to the consummation of the action described in Section 6.12 hereof, violate any Law currently in effect (other than violations that, singly or in the aggregate, have not had and are not likely to have a Materially Adverse Effect), or any provision of any of the Company's or the Restricted Subsidiaries' respective partnership agreements, charters or by-laws presently in effect; (b) conflict with or result in the breach of, or constitute a default or require any consent (except for the consents described on Schedule 6.03 hereto) under, or require any payment to be made under (i) any Contractual Obligation to which the Company or any of the Restricted Subsidiaries is a party or their respective properties may be bound or affected or (ii) any order, injunction, writ or decree of any Governmental Authority or any arbitral award to which the Company or any of the Restricted Subsidiaries or their respective properties are subject (in each case, other than any conflict, breach, default or required consent that, singly or in the aggregate, have not had and are not likely to have a Materially Adverse Effect); or (c) except as provided under any Loan Document, result in, or require, the creation or imposition of any Lien upon or with respect to any of the properties or assets now owned or hereafter acquired by the Company or any of the Restricted Subsidiaries.

Section 6.04 Financial Condition. the following actions:

(i) declare the commitment of each Revolving Credit Lender, each Term A Lender and each Additional Facility Lender, if any, party to an Additional Facility Supplement which makes such Revolver/Term A Event of Default applicable to such Additional Facility Lender to make Loans and any obligation of the L/C Issuer to make L/C Credit Extensions to be terminated, whereupon such commitments and obligation shall be terminated;

(ii) declare the unpaid principal amount of all outstanding Revolving Credit Loans, Term A Loans and Additional Facility Loans, if any, if such Additional Facility Loans are advanced under an Additional Facility Supplement which makes such Revolver/Term A Event of Default applicable to such Additional Facility Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable to any Revolver Credit Lender, Term A Lender or any Additional Facility Lender holding such Additional Facility Loans or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Company;

(iv) exercise on behalf of itself, the Revolving Credit Lenders, the Term A Lenders, and any Additional Facility Lenders, if any, party to an Additional Facility Supplement which makes such Revolver/Term A Event of Default applicable to such Additional Facility Lender and the L/C Issuer all rights and remedies available to it and such Lenders under the Loan Documents.

(b) Other Event of Default. If any Event of Default (other than a Revolver/Term A Event of Default) occurs and is continuing, the Administrative Agent shall, at the request of, or may, with the consent of, the Required Lenders, take any or all of the following actions:

Section 8.03 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable and the L/C Obligations have automatically been required to be Cash Collateralized as set forth in the proviso to Section 8.02), any amounts received on account of the Obligations shall be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including fees, charges and disbursements of counsel to the Administrative Agent and amounts payable under Article III) payable to the Administrative Agent in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal, interest and Letter of Credit Fees) payable to the Lenders and the L/C Issuer (including fees, charges and disbursements of counsel to the respective Lenders and the L/C Issuer and amounts payable under Article III), ratably among them in proportion to the respective amounts described in this clause Second payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid Letter of Credit Fees and interest on the Loans, L/C Borrowings and other Obligations, to the extent due and payable, ratably among the Lenders and the L/C Issuer in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans, L/C Borrowings and amounts owing under Secured Hedge Agreements and Secured Cash Management Agreements, and which have become due and owing, ratably among the

Lenders, the L/C Issuer, the Hedge Banks and the Cash Management Banks in proportion to the respective amounts described in this clause Fourth held by them;

Fifth, to the Administrative Agent for the account of the L/C Issuer, to Cash Collateralize that portion of L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit; and

Last, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Company or as otherwise required by Law.

Subject to Section 2.03(c), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Fifth above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above.

ARTICLE IX

THE ADMINISTRATIVE AGENT

Section 9.01 Appointment and Authority. (a) Each of the Lenders and the L/C Issuer hereby irrevocably appoints Bank of America to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent, the Lenders and the L/C

Issuer, and neither the Company nor any other Loan Party shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) The Administrative Agent shall also act as the "collateral agent" under the Loan Documents, and each of the Lenders (in its capacities as a Lender, potential Hedge Bank and potential Cash Management Bank) and the L/C Issuer hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of such Lender and the L/C Issuer for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto In this connection, the Administrative Agent, as "collateral agent" and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX and Article X (including Section 10.04(c), as though such co-agents, sub-agents and attorneys-in-fact were the "collateral agent" under the Loan Documents) as if set forth in full herein with respect thereto.

Section 9.02 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Company or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

Section 9.03 Exculpatory Provisions. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or

percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that the Administrative Agent shall

not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Company or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity

The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 10.01 and Section 8.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and non-appealable judgment. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Company, a Lender or the L/C Issuer.

The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Credit Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Credit Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (v) the satisfaction of any condition set forth in Article V or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

Section 9.04 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to

the satisfaction of a Lender or the L/C Issuer, the Administrative Agent may presume that such condition is satisfactory to such Lender or the L/C Issuer unless the Administrative Agent shall have received notice to the contrary from such Lender or the L/C Issuer prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Company), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 9.05 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

Section 9.06 Resignation of Administrative Agent.

(a) The Administrative Agent may at any time give notice of its resignation to the Lenders, the L/C Issuer and the Company. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Company, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "Resignation Effective Date"), then the retiring Administrative Agent may (but shall not be obligated to) on behalf of the Lenders and the L/C Issuer, appoint a successor Administrative Agent meeting the qualifications set forth above. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(b) If the Person serving as Administrative Agent is a Defaulting Lender pursuant to clause (c) of the definition thereof, the Required Lenders may, to the extent permitted by applicable law, by notice in writing to the Company and such Person remove such Person as Administrative Agent

and, in consultation with the Company, appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days (or such earlier day as shall be agreed by the Required Lenders) (the "Removal Effective Date"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(c) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (1) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the L/C Issuer under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (2) except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and the L/C Issuer directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Administrative Agent (other than as provided in Section 3.07 and other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Company to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Company and such successor. After the retiring or removed Administrative Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article and Section 10.04 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

(d) Any resignation by Bank of America as Administrative Agent pursuant to this Section shall also constitute its resignation as L/C Issuer. If Bank of America resigns as an L/C Issuer, it shall retain all the rights, powers, privileges and duties of the L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto, including, the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c). Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer, (ii) the retiring L/C Issuer shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents, and (iii) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

Section 9.07 Non-Reliance on Administrative Agent and Other Lenders. Each Lender and the L/C Issuer acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Credit Agreement. Each Lender and the L/C Issuer also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Credit Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Section 9.08 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the Joint Bookrunners, Joint Lead Arrangers, Syndication Agent or Co-Documentation Agents listed on the cover page hereof on the Agreement Date shall have any powers, duties or responsibilities under this Credit Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender or the L/C Issuer hereunder.

Section 9.09 Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Company) shall be entitled and empowered, by intervention in such proceeding or otherwise

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuer and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuer and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuer and the Administrative Agent under Section 2.03(i) and (j), Section 2.08 and Section 10.04 allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and the L/C Issuer to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the L/C Issuer, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Section 2.08 and Section 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or the L/C Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or the L/C Issuer or to authorize the Administrative Agent to vote in respect of the claim of any Lender or the L/C Issuer or in any such proceeding.

Section 9.10 Collateral and Guaranty Matters. Without limiting the provisions of Section 9.09, the Lenders and the L/C Issuer irrevocably authorize the Administrative Agent, at its option and in its discretion,

(a) to release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than contingent indemnification obligations) and the expiration or termination of all Letters of Credit, (ii) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Loan Document, or (iii) if approved, authorized or ratified in writing in accordance with Section 10.01;

(c) to subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.14(ii).

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.10. In each case as specified in this Section 9.10, the Administrative Agent will, at the Company's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.10.

The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders and the L/C Issuer; provided, however, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) the L/C Issuer from exercising the rights and remedies that inure to its benefit (solely in its capacity as L/C Issuer) hereunder and under the other Loan Documents, (c) any Lender from exercising setoff rights in accordance with Section 10.07 (subject to the terms of Section 2.12), or (d) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and provided, further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.12, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

The obligations of the Lenders and the L/C Issuer under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Credit Agreement.

Section 10.06 Successors and Assigns. (a) Successors and Assigns Generally. The provisions of this Credit Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Company nor any other Loan Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of Section 10.06(b), (ii) by way of participation in accordance with the provisions of Section 10.06(d), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.06(f), or (iv) to an SPC in accordance with the provisions of Section 10.06(h) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Credit Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the L/C Issuer and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Credit Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Credit Agreement (including all or a portion of its Commitment and the Loans (including for purposes of this Section 10.06(b), participations in L/C Obligations) at the time owing to it); provided that any such assignment shall be subject to the following

conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment under any Facility and the Loans at the time owing to it under such Facility or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than $5,000,000, in the case of any assignment in respect of the Revolving Credit Facility, or $1,000,000, in the case of any assignment in respect of a Term Facility, unless each of the Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Company otherwise consents (each such consent not to be unreasonably withheld or delayed); provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met;

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Credit Agreement with respect to the Loans or the Commitment assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis;

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by subsection (b)(i)(B) of this Section and, in addition:

(A) the consent of the Company (such consent not to be unreasonably withheld or delayed) shall be required unless (1) an Event of Default has occurred and is continuing at the time of such assignment or (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; provided that the Company shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within 10 Business Days after having received notice thereof;

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of (i) any Term Commitment or Revolving Credit Commitment if such assignment is to a Person that is not a Lender with a Commitment in respect of the applicable Facility, an Affiliate of such Lender or an Approved Fund with respect to such Lender or (ii) any Term Loan to a Person that is not a Lender, an Affiliate of a Lender or an Approved Fund; and

(C) the consent of the L/C Issuer (such consent not to be unreasonably withheld or delayed) shall be required for any assignment that increases the obligation of the assignee to participate in exposure under one or more Letters of Credit (whether or not then outstanding).

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee in the amount, if any, required as set forth in Schedule 10.06; provided, however, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(v) Assignment to the Company. Notwithstanding anything else to the contrary contained in this Section 10.06, the Company shall not constitute an "Eligible Assignee" for purposes of any assignment hereunder unless (A) no Event of Default has occurred and is continuing or would result from such assignment, (B) the Administrative Agent has received prior written notice of such assignment, (C) the Company represents and warrants as of the date of any such assignment that the Company does not have any MNPI with respect to the Company and the Restricted Subsidiaries, taken as a whole, that has not been disclosed to the assigning Lender (other than because such assigning Lender does not wish to receive MNPI) prior to such date, (D) such assignment is of Term Loans and not Revolving Credit Loans or Commitments, (E) no borrowing of Revolving Credit Loans are used to fund the purchase or acquisition of Term Loans pursuant to such assignment. Immediately upon the assignment of such Term Loans to the Company, such Term Loans shall be deemed cancelled and repaid in full and shall cease to be outstanding for any purpose under the Loan Documents, and the Company shall execute such documentation confirming the foregoing as reasonably requested by the Administrative Agent. The Administrative Agent shall promptly inform each other Lender under the applicable Facility that Term Loans under such Facility have been assigned to the Company and cancelled, together with a statement of the remaining Loans outstanding under such Facility.

(vi) No Assignment to Certain Persons. No such assignment shall be made to (x) a natural person, (y) a Defaulting Lender or any subsidiary of a Defaulting Lender or (z) an Affiliate of the Company.

(vii) Certain Additional Payments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Company and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, the L/C Issuer or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit in accordance with its Applicable Percentage in respect thereof. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to subsection (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Credit Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Credit Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Credit Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Credit Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 3.01, Section 3.04, Section 3.05 and Section 10.04 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender. Upon request, the Company (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Credit Agreement that does not comply with this subsection shall be treated for purposes of this Credit Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.06(d).

(c) Register. The Administrative Agent, acting solely for this purpose as an agent of the Company (and such agency being solely for tax purposes), shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it (or the equivalent thereof in electronic form) and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of the Loans and L/C Obligations owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive and the Company, the Administrative Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Credit Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Company and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, the Company or the Administrative Agent, sell participations to any Person (other than a natural person, a Defaulting Lender or the Company or any of the Company's Affiliates or Subsidiaries) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Credit Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in L/C Obligations) owing to it); provided that (i) such Lender's obligations under this Credit Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Company, the Administrative Agent, the Lenders and the L/C Issuer shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Credit Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Credit Agreement and to approve any amendment, modification or waiver of any provision of this Credit Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 that affects such Participant. Subject to subsection (e) of this Section, the Company agrees that each Participant shall be entitled to the benefits of Section 3.01, Section 3.04 and Section 3.05 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.06(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.07 as though it were a Lender, provided such Participant agrees to be subject to Section 2.12 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Company, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including

the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent

manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Credit Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01 or Section 3.04 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Company's prior written consent. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 3.01 unless the Company is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Company, to comply with Section 3.01(e) as though it were a Lender.

(f) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Credit Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Electronic Execution of Assignments. The words "execute," "execution," "signed," "signature," and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(h) Special Purpose Funding Vehicles. Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Company (an "SPC") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Credit Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof or, if it fails to do so, to make such payment to the Administrative Agent as is required under Section 2.11(b)(ii). Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise

increase or change the obligations of the Company under this Credit Agreement (including its obligations under Section 3.04), (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Credit Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the lender of record hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Credit Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior debt of any SPC, it will not institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency, or liquidation proceeding under the laws of the United States or any State thereof. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Company and the Administrative Agent and with the payment of a processing fee in the amount of $2,500, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(i) Resignation as L/C Issuer after Assignment. Notwithstanding anything to the contrary contained herein, if at any time Bank of America assigns all of its Revolving Credit Commitments and Revolving Credit Loans pursuant to Section 10.06(b), Bank of America may upon 30 days' notice to the Company and the Lenders, resign as L/C Issuer. In the event of any such resignation as L/C Issuer, the Company shall be entitled to appoint from among the Lenders a successor L/C Issuer hereunder; provided, however, that no failure by the Company to appoint any such successor shall affect the resignation of Bank of America as L/C Issuer. If Bank of America resigns as L/C Issuer, it shall retain all the rights, powers, privileges and duties of the L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer

and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c)). Upon the appointment and acceptance of a successor L/C Issuer, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer, and (b) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to Bank of America to effectively assume the obligations of Bank of America with respect to such Letters of Credit.

Section 10.07 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender, the L/C Issuer and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand,

provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender, the L/C Issuer or any such Affiliate to or for the credit or the account of the Company or any other Loan Party against any and all of the obligations of the Company or such Loan Party now or hereafter existing under this Credit Agreement or any other Loan Document to such Lender or the L/C Issuer, irrespective of whether or not such Lender or the L/C Issuer shall have made any demand under this Credit Agreement or any other Loan Document and although such obligations of the Company or such Loan Party may be contingent or unmatured or are owed to a branch or office of such Lender or the L/C Issuer different from the branch or office holding such deposit or obligated on such indebtedness; provided, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.16 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the L/C Issuer and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender, the L/C Issuer and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender, the L/C Issuer or their respective Affiliates may have. Each Lender and the L/C Issuer agrees to notify the Company and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

Section 10.08 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "Maximum Rate"). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Company. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.09 Counterparts; Integration; Effectiveness. This Credit Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Credit Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 5.01, this Credit Agreement shall become effective when it shall have been executed by the

Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Credit Agreement by telecopy shall be effective as delivery of a manually executed counterpart of this Credit Agreement.

Section 10.10 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

Section 10.11 Severability. If any provision of this Credit Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Credit Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Without limiting the foregoing provisions of this Section 10.11, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent or the L/C Issuer, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

Section 10.12 Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if the Company is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, or if any Lender is a Defaulting Lender, then the Company may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.05), all of its interests, rights and obligations under this Credit Agreement and the related Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(a) the Company shall have paid to the Administrative Agent the assignment fee specified in Section 10.06(b);

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and L/C Advances, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Company (in the case of all other amounts);

(c) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter; and

(d) such assignment does not conflict with applicable Laws.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Company to require such assignment and delegation cease to apply.

Section 10.13 Governing Law; Jurisdiction; Etc. (a) THIS CREDIT AGREEMENT AND THE OTHER LOAN DOCUMENTS AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS CREDIT AGREEMENT OR ANY OTHER LOAN DOCUMENT (EXCEPT, AS TO ANY OTHER LOAN DOCUMENT, AS EXPRESSLY SET FORTH THEREIN) AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) SUBMISSION TO JURISDICTION. THE COMPANY AND EACH OTHER LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE NONEXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK AND OF THE FEDERAL COURTS OF THE UNITED STATES OF AMERICA SITTING IN THE BOROUGH OF MANHATTAN, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS CREDIT AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS CREDIT AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT, ANY LENDER OR THE L/C

ISSUER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS CREDIT AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST THE COMPANY OR ANY OTHER LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) WAIVER OF VENUE. THE COMPANY AND EACH OTHER LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS CREDIT AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE

MANNER PROVIDED FOR NOTICES IN SECTION 10.02. NOTHING IN THIS CREDIT AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

Section 10.14 Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS CREDIT AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS CREDIT AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 10.15 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby, the Company acknowledges and agrees that: (i) the credit facilities provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document) are an arm's-length commercial transaction between the Company and its Affiliates, on the one hand, and the Administrative Agent and Joint Lead Arrangers, on the other hand, and the Company is capable of evaluating and understanding and understands and accepts the terms, risks and

conditions of the transactions contemplated hereby and by the other Loan Documents (including any amendment, waiver or other modification hereof or thereof); (ii) in connection with the process leading to such transaction, the Administrative Agent and the Joint Lead Arrangers each is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary, for the Company or any of its Affiliates, stockholders, creditors or employees or any other Person; (iii) neither the Administrative Agent nor any Joint Lead Arranger has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Company with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Loan Document (irrespective of whether the Administrative Agent or any Joint Lead Arranger has advised or is currently advising the Company or any of its Affiliates on other matters) and neither the Administrative Agent nor any Joint Lead Arranger has any obligation to the Company or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; (iv) the Administrative Agent and the Joint Lead Arrangers and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company and its Affiliates, and neither the Administrative Agent nor any Joint Lead Arranger has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and (v) the Administrative Agent and the Joint Lead Arrangers have not provided and will not provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Loan Document) and the Company has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate. The Company hereby waives and releases, to the fullest extent permitted by law, any claims that it may have against the Administrative Agent and the Joint Lead Arrangers with respect to any breach or alleged breach of agency or fiduciary duty.

Section 10.16 USA PATRIOT Act Notice. Each Lender that is subject to the Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Company that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Act"), it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the Act.

Section 10.17 Senior Indebtedness. The Obligations shall constitute "Senior Indebtedness" as such term is defined in all Debt Instruments to which the Company or any Restricted Subsidiary is a party and which contains such a definition.

Section 10.18 Liability of General Partners and Other Persons. No general partner of any Restricted Subsidiary that is a partnership, joint venture or joint adventure shall have any personal liability in respect of such Restricted Subsidiary's obligation under this Credit Agreement or the Notes by reason of his, her or its status as such general partner. In addition, no limited partner, officer, employee, director, stockholder

or other holder of an ownership interest of or in the Company or any Restricted Subsidiary or any partnership, corporation or other entity which is a stockholder or other holder of an ownership interest of or in the Company or any Restricted Subsidiary shall have any personal liability in respect of such obligations by reason of his, her or its status as such limited partner, officer, employee, director, stockholder or holder.

Section 10.19 Authorization of Third Parties to Deliver Information and Discuss Affairs. The Company hereby confirms that it has authorized and directed each Person whose preparation or delivery to the Administrative Agent or the Lenders of any opinion, report or other information is a condition or covenant under this Credit Agreement (including under Article V and Article VII) to so prepare or deliver such

opinions, reports or other information for the benefit of the Administrative Agent and the Lenders. The Company agrees to confirm such authorizations and directions provided for in this Section 10.19 from time to time as may be requested by the Administrative Agent.

Section 10.20 Treatment of Certain Information; Confidentiality. Each of the Administrative Agent, the Lenders and the L/C Issuer agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, trustees, advisors and representatives on a need to know basis (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto other than a Public Lender as provided in Section 7.01, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Credit Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section (other than in the case of a pledge to any Federal Reserve Bank), to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Credit Agreement, (ii) any pledgee referred to in Section 10.06(f), or (iii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Company and its obligations, (g) with the written consent of the Company, or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, any Lender, the L/C Issuer or any of their respective Affiliates on a non-confidential basis from a source other than the Company or any other Loan Party.

In the event that the Administrative Agent, a Lender or an L/C Issuer are requested or required pursuant to clause (b) or (c) above to disclose any Information, to the extent permitted by law, such person shall provide the Company with prompt written notice, to the extent practicable and not in contravention with such request or requirement, of any such request or requirement so that the Company may seek a protective order or other appropriate remedy and/or waive compliance with the

provisions of this Section. If such notice is not practicable or in contravention with such request or if, in the absence of a protective order or other remedy or the receipt of a waiver by the Company, the Administrative Agent, such Lender or such L/C Issuer is nonetheless compelled to disclose Information, such person may, without liability hereunder, disclose only that portion of the Information that is legally required to be disclosed, provided that such person exercises reasonable efforts, to the extent practicable, to preserve the confidentiality of such Information. Notwithstanding the foregoing, the Administrative Agent, the Lenders and the L/C Issuers may disclose Information to any regulatory or self-regulatory agency having jurisdiction over it in the course of routine reviews or audits, which Information may be disclosed without notice or restriction. For purposes hereof, "routine" reviews or audits shall not include any reviews or audits the target of which is the Company in particular (as opposed to the Company having been arbitrarily selected as part of a wider review or audit).

For purposes of this Section, "Information" means all information received from the Company or any Subsidiary thereof relating to any Company or any Subsidiary thereof or their respective businesses, other than any such information that is available to the Administrative Agent, any Lender or the L/C Issuer on a non-confidential basis prior to disclosure by the Company or any Subsidiary, provided that, in the case of information received from the Company or any Subsidiary after the Closing Date, such information shall not be Information subject to this confidentiality provision if it is stamped "Public".

Each of the Administrative Agent, the Lenders and the L/C Issuer acknowledges that (a) the Information may include material non-public information concerning the Company or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information, and (c) it will handle such material non-public information in accordance with applicable Law, including United States Federal and state securities Laws.

Section 10.21 Acknowledgement. The Company hereby acknowledges that neither the Administrative Agent nor any Lender has any fiduciary relationship with or fiduciary duty to the Company arising out of or in connection with this Credit Agreement or any of the other Loan Documents, and the relationship between the Administrative Agent and the Lenders, on the one hand, and the Company, on the other hand, in connection herewith or therewith is solely that of debtor and creditor.

IN WITNESS WHEREOF, the parties hereto have caused this Credit Agreement to be duly executed as of the day and year first above written.

(c) Each Borrowing shall be made upon the Borrower's irrevocable written notice to the Administrative Agent. Such notice must be given in the form of a Loan Notice and must be received by the Administrative Agent not later than 11:00 a.m. (New York City time) (i) in the case of a Eurodollar Rate Borrowing, three Business Days prior to the date of the requested Borrowing (except that for Eurodollar Rate Borrowings to be made on the Closing Date, such Loan Notice must only be received by the Administrative Agent two Business Days prior to the Closing Date) or (ii) in the case of a Base Rate Borrowing, one Business Day prior to the date of the requested Borrowing.

(d) Each Loan Notice shall specify the following information in compliance with this Section 2.02: (i) the aggregate amount of the requested Borrowing; (ii) the date of such requested Borrowing (which shall be a Business Day); (iii) whether such Borrowing is to be a Base Rate Borrowing or Eurodollar Rate Borrowing; (iv) in the case of a Eurodollar Rate Borrowing, the Interest Period selected therefor; and (vi) the location and number of the Borrower's account to which funds are to be disbursed.

(e) Following receipt of a Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Applicable Percentage under the Term Facility. Each Lender shall make the amount of its Loan available to the Administrative Agent in immediately available funds at the Administrative Agent's Office not later than one hour after receipt of notice from the Administrative Agent on the Closing Date (as long as such notice is received prior to 1:30 p.m. (New York City time) on such day). Upon satisfaction of the applicable conditions set forth in Section 4.01, the Administrative Agent shall promptly make all funds so received available to the Borrower in like funds as received by the Administrative Agent by wire transfer of such funds in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrower.

(f) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to each Interest Period for the Term Loans upon determination of such interest rate.

(g) If no election as to the Type of a Borrowing is specified in the applicable Loan Notice, then the requested Borrowing shall be a Base Rate Borrowing. If no Interest Period is specified with respect to any requested Eurodollar Rate Borrowing, the Borrower shall be deemed to have selected an Interest Period of one month's duration.

2.03 Prepayments.

(a) Optional. (i) The Borrower may, upon delivery to the Administrative Agent of a Prepayment Notice, voluntarily prepay the Term Loans, in whole or in part (together with all accrued interest on the principal amount of the Term Loans so prepaid), at any time without premium or penalty, subject to the provisions of Section 3.03.

(ii) Notice under this Section 2.03(a) must be received by the Administrative Agent not later than 11:00 a.m. (New York City time) on the date of prepayment; and any prepayment shall be in a principal amount of $5,000,000 or a whole multiple of $1,000,000 in excess thereof or, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment. The Administrative Agent will promptly notify each Lender of its receipt of each such notice, and of the amount of such Lender's ratable portion of such prepayment (based on such Lender's Applicable Percentage). If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Each prepayment of the Term Loans pursuant to this Section 2.03(a) shall be applied to the Term Facility as directed by the Borrower and shall be paid to the Lenders under the Term Facility in accordance with their respective Applicable Percentages.

(b) Mandatory.

(i) Subject to clause (iv) of this Section 2.03(b), if the Borrower or any of its Restricted Subsidiaries Disposes of any property (other than any Disposition permitted under Section 7.05 (other than clause (d) thereof)) which results in the realization by such Person of Net Cash Proceeds or the Borrower or any of its Restricted Subsidiaries receives any Net Cash Proceeds of casualty insurance or condemnation awards, the Borrower shall prepay an aggregate principal amount of Term Loans equal to 100% of such Net Cash Proceeds (or in the case of a Restricted Subsidiary that is not directly or indirectly wholly owned by the Borrower, in such lesser amount of Net Cash Proceeds as are actually received by the Borrower or a wholly owned

Restricted Subsidiary of the Borrower), together with all accrued interest thereon and any additional amounts required pursuant to Section 3.03, such prepayment to occur (subject to the provisions below and to clause (iv) of this Section 2.03(b)) within 10 Business Days following receipt of such Net Cash Proceeds by such Person; provided, however, that, (x) with respect to any Net Cash Proceeds realized under a Disposition described in this Section 2.03(b)(i), at the election of the Borrower (as notified by the Borrower to the Administrative Agent on or prior to the date of such Disposition), and so long as no Event of Default shall have occurred and be continuing, the Borrower or such Restricted Subsidiary may reinvest all or any portion of such Net Cash Proceeds in operating assets, provided that, (i) within 180 days after the receipt of such Net Cash Proceeds, the Borrower or Restricted Subsidiary, as applicable, has reinvested the Net Cash Proceeds into operating assets or (ii) where such Net Cash Proceeds have not been reinvested within 180 days after the receipt of such Net Cash Proceeds, the Borrower or Restricted Subsidiary shall have entered into a binding agreement for such reinvestment and such reinvestment shall have been consummated within 180 days after entering into such reinvestment agreement (as certified by the Borrower in writing to the Administrative Agent); and (y) with respect to any Net Cash Proceeds of casualty insurance or condemnation awards, at the election of the Borrower (as notified by the Borrower to the Administrative Agent on or prior to the date of receipt of such Net Cash Proceeds of casualty insurance or condemnation awards), and so long as no Event of Default shall have occurred and be continuing, the Borrower or such Restricted Subsidiary may apply within 180 days after the receipt of such Net Cash Proceeds to replace or repair the equipment, fixed assets or real property in respect of which such Net Cash Proceeds were received; and provided that any Net Cash Proceeds referred to above in (x) or (y) to be so reinvested shall be deposited in the Cash Collateral Account pending such reinvestment and, provided, further, that any amount referred to above in (x) or (y) which is not so reinvested within the time specified therein shall be applied as set forth in clause (iv) of this Section 2.03(b).

(ii) Subject to clause (iv) of this Section 2.03(b), upon the sale or issuance by the Borrower or any of its Restricted Subsidiaries of any of its Equity Interests (other than Excluded Issuances and any sales or issuances of Equity Interests to another Loan Party), the Borrower shall prepay an aggregate principal amount of Term Loans equal to 50% of all Net Cash Proceeds received therefrom immediately upon receipt thereof by the Borrower or such Restricted Subsidiary.

(iii) Subject to clause (iv) of this Section 2.03(b), upon the incurrence or issuance by the Borrower or any of its Restricted Subsidiaries of any Indebtedness not permitted under Section 7.02, the Borrower shall prepay an aggregate principal amount of Term Loans equal to 100% of all Net Cash Proceeds received therefrom immediately upon receipt thereof by the Borrower or such Restricted Subsidiary.

(iv) Notwithstanding anything to the contrary herein, prepayments made and required to be made by the Borrower under this Section 2.03(b), together with repayments made and required to be made by the Borrower under Section 2.04, (a) prior to July 29, 2013 shall not exceed an aggregate amount of $155,000,000, (b) prior to July 29, 2014 shall not exceed an aggregate amount of $190,000,000, (c) prior to July 29, 2015 shall not exceed an aggregate amount of $225,000,000, and (d) prior to the Maturity Date shall not exceed an aggregate amount of $260,000,000.

(v) Each prepayment of Term Loans made prior to the Maturity Date pursuant to this Section 2.03(b) shall be applied, *first*, in direct order of maturities, to any principal repayment installments of the Term Facility that are due within 12 months after the date of such prepayment, *second*, on a pro rata basis, to the other principal repayment installments of the Term Facility, and shall be paid to the Lenders under the Term Facility in accordance with their respective Applicable Percentages.

2.04 Amortization and Repayment of Term Loans. Subject to Section 2.03(b)(iv), the Borrower shall repay to the Administrative Agent, for the ratable account of the Lenders, the aggregate principal amount of all Term Loans outstanding in consecutive semi-annual installments, as set forth below (which installments shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in the applicable provisions of Section 2.03); provided, however, that the final principal repayment installment of the Term Loans shall be repaid on the Maturity Date and in any event shall be in an amount equal to the aggregate principal amount of all Term Loans outstanding on such date:

Date	Term Loan Amortization Payment
June 30, 2013	$ 10,000,000
December 31, 2013	$ 10,000,000
June 30, 2014	$ 10,000,000
December 31, 2014	$ 10,000,000
June 30, 2015	$ 10,000,000
December 31, 2015	$ 10,000,000
June 30, 2016	$ 10,000,000
Maturity Date	**$ 580,000,000**

2.05 Interest Elections.

(a) The Term Loans comprising each Borrowing initially shall be of the Type specified in the applicable Loan Notice and, in the case of a Eurodollar Rate Borrowing, shall have the Interest Period specified in such Loan Notice. Thereafter, the Borrower may elect to convert such Borrowing to a Borrowing of a different Type or to continue such Borrowing as a Borrowing of the same Type and, in the case of a Eurodollar Rate Borrowing, may elect the Interest Period therefor, all as provided in this Section 2.05. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Term Loans comprising such Borrowing, and the Term Loans comprising each such portion shall be considered a separate Borrowing.

(b) Each such election pursuant to this Section 2.05 shall be made upon the Borrower's irrevocable notice to the Administrative Agent. Each such notice shall be in the form of a written Interest Election Request in substantially the form of Exhibit L, appropriately completed and signed by a Responsible Officer of the Borrower, or may be given by telephone to the Administrative Agent (if immediately confirmed in writing by delivery of such a written Interest Election Request consistent with such telephonic notice) and must be received by the Administrative Agent not later than the time that a Loan Notice would be required under Section 2.02 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election.

(c) Each Interest Election Request pursuant to this Section shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be a Base Rate Borrowing or Eurodollar Rate Borrowing; and

(iv) if the resulting Borrowing is a Eurodollar Rate Borrowing, the Interest Period therefor after giving effect to such election.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely and complete Interest Election Request with respect to a Eurodollar Rate Borrowing prior to the end of the Interest Period therefor, then, unless such Eurodollar Rate Borrowing is repaid as provided herein, the Borrower shall be deemed to have selected that such Eurodollar Rate Borrowing shall automatically be continued as, or converted to, as applicable, a Eurodollar Rate Borrowing with an Interest Period of one month at the end of such Interest Period. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as such Event of Default is continuing (i) no outstanding Borrowing may be converted to or continued as a Eurodollar Rate Borrowing and (ii) unless repaid, each Eurodollar Rate Borrowing shall automatically be converted to a Base Rate Borrowing at the end of the Interest Period therefor.

2.06 Interest.

(a) Subject to the provisions of Section 2.06(b), (i) each Base Rate Loan under the Term Facility shall bear interest at a rate *per annum* equal to the Base Rate plus the Applicable Margin for Base Rate Loans under the Term Facility; and (ii) each Eurodollar Rate Loan under the Term Facility shall bear interest at a rate *per annum* equal to the Eurodollar Rate for the Interest Period therefor plus the Applicable Margin for Eurodollar Rate Loans under the Term Facility.

(b) (i) If any amount of principal of any Loan is not paid when due (without regard to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, such amount shall thereafter bear interest at an interest rate *per annum* at all times equal to the applicable Default Rate, to the fullest extent permitted by applicable Laws.

(ii) If any amount (other than principal of any Loan) payable by the Borrower under any Loan Document is not paid when due (without regard to any applicable grace periods), whether at stated maturity, by acceleration or otherwise, then such amount shall thereafter bear interest at an interest rate *per annum* at all times equal to the applicable Default Rate, to the fullest extent permitted by applicable Laws.

(iii) While any Event of Default exists, the Borrower shall pay interest on the principal amount of all outstanding Obligations hereunder at an interest rate *per annum* at all times equal to the applicable Default Rate, to the fullest extent permitted by applicable Laws.

(iv) Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

2.07 Fees. The Borrower shall pay to the Administrative Agent, for the account of each Lender in accordance with its Applicable Percentage, an upfront fee equal to 0.50% of the Aggregate Term Commitments. The upfront fee referred to in the preceding sentence shall be fully earned, due and payable in full on the Closing Date.

2.08 Computation of Interest and Fees. All fees and interest payable under this Agreement shall be computed (a) in the case of any Eurodollar Rate Loans, on the basis of a 360-day year (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year), and (b) in the case of any Base Rate Loans, on the basis of a year of 365 days (or 366 days in a leap year), and in all cases shall be payable for the actual number of days elapsed. Interest shall accrue on each Term Loan for the day on which the Term Loan is made, and shall not accrue on a Term Loan, or any portion thereof, for the day on which the Term Loan or such portion is paid, provided that any Term Loan that is repaid on the same day on which it is made shall, subject to Section 2.10(a), bear interest for one day. The applicable Base Rate or Eurodollar Rate shall be determined by the Administrative Agent, and such determination shall be conclusive and binding for all purposes absent manifest error.

2.09 Evidence of Debt. The Loans made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and by the Administrative Agent in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be presumptively conclusive absent manifest error of the amount of the Term Loans made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Term Note, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Term Note and endorse thereon the date, amount and maturity of its Loans and payments with respect thereto.

2.10 Payments Generally; Administrative Agent's Clawback.

(a) General. All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Dollars and in immediately available funds not later than 2:00 p.m. (New York City time) on the date specified herein. The Administrative Agent will promptly distribute to each Lender its Applicable Percentage in respect of the Term Facility (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 2:00 p.m. (New York City time) shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected on computing interest or fees, as the case may be.

(b) (i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the Closing Date that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, as applicable, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with and at the time required by Section 2.02 and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the Borrowings available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, and (B) in the case of a payment to be made by the Borrower, the interest rate (including any Applicable Margin) otherwise applicable to the Term Loan. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Term Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(ii) Payments by Borrower; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the time at which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agree to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender in immediately available funds with interest thereon, for each day from and including the date such amount is distributed

to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this subsection (b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Term Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the Term Loans set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(d) Obligations of Lenders Several. The obligations of the Lenders hereunder to make Term Loans and to make payments pursuant to Section 12.04(c) are several and not joint. The failure of any Lender to make any Loan or to make any payment under Section 12.04(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or to make its payment under Section 12.04(c).

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Insufficient Funds. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties.

2.11 Sharing of Payments by Lenders. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of (a) Obligations due and payable to such Lender hereunder and under the other Loan Documents at such time in excess of its ratable share (according to the proportion of (i) the amount of such Obligations due and payable to such Lender at such time to (ii) the aggregate amount of the Obligations due and payable to all Lenders hereunder and under the other Loan Documents at such time) of payments on account of the Obligations due and payable to all Lenders hereunder and under the other Loan Documents at such time obtained by all the Lenders at such time or (b) Obligations owing (but not due and payable) to such Lender hereunder and under the other Loan Documents at such time in excess of its ratable share (according to the proportion of (i) the amount of such Obligations owing (but not due and payable) to such Lender at such time to (ii) the aggregate amount of the Obligations owing (but not due and payable) to all Lenders hereunder and under the other Loan Parties at such time) of payment on account of the Obligations owing (but not due and payable) to all Lenders hereunder and under the other Loan Documents at such time obtained by all of the Lenders at such time then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Term Loans of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of Obligations then due and payable to the Lenders or owing (but not due and payable) to the Lenders, as the case may be, provided that:

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this Section 2.11 shall not be construed to apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Borrower or any Subsidiary thereof (as to which the provisions of this Section 2.11 shall apply).

Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Loan Party in the amount of such participation

2.12 Inability to Determine Rates. If prior to the commencement of the Interest Period for any Eurodollar Rate Borrowing:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Eurodollar Rate for such Interest Period; or

(b) the Administrative Agent is advised by the Required Lenders that the Eurodollar Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their respective Term Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders as promptly as practicable thereafter and, until the

Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or the continuation of any Borrowing as, a Eurodollar Rate Borrowing shall be ineffective and such Borrowing (unless prepaid) shall be continued as, or converted to, a Base Rate Borrowing and (ii) if any Loan Notice requests a Eurodollar Rate Borrowing, such Borrowing shall be made as a Base Rate Borrowing.

2.13 Illegality. If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Term Loans whose interest is determined by reference to the Eurodollar Rate, or to determine or charge interest rates based upon the Eurodollar Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, upon notice thereof by such Lender to the Borrower (through the Administrative Agent), (i) any obligation of such Lender to make or continue Eurodollar Rate Loans or to convert Base Rate Loans to Eurodollar Rate Loans shall be suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Eurodollar Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurodollar Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Rate Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurodollar Rate, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurodollar Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurodollar Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted, together with any additional amounts required pursuant to Section 3.03.

ARTICLE III
TAXES, YIELD PROTECTION AND ILLEGALITY

3.01 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 3.01) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrower. The Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent, timely reimburse it for the payment of, any Other Taxes.

(c) Indemnification by the Borrower. The Borrower shall indemnify each Recipient, within ten days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within ten days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 12.06(d) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

(e) Evidence of Payments. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 3.01, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the

Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.01(f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, so long as the Borrower is a U.S. Person,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(I) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(II) executed originals of IRS Form W-8ECI;

(III) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN; or

(iv) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, a U.S. Tax Compliance Certificate, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in

Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the Closing Date.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 3.01 (including by the payment of additional amounts pursuant to this Section 3.01), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g),

in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

3.02 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Term Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or other Recipient, the Borrower will pay to such Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or other Recipient, as the case may be, for such additional costs incurred or reduction suffered. Notwithstanding the foregoing, a Lender shall be entitled to request compensation for increased costs or expenses described in this Section 3.02(a) only to the extent it is the general practice or policy of such Lender to request such compensation from other borrowers under comparable facilities under similar circumstances.

(b) Capital Requirements. If any Lender determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Term Commitments of such Lender or the Term Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section 3.02 and delivered to the Borrower, shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within ten days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 3.02 shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to this Section 3.02 for any increased costs incurred or reductions suffered more than six months prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions, and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six-month period referred to above shall be extended to include the period of retroactive effect thereof).

3.03 Compensation for Losses. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, setting forth in reasonable detail the basis for calculating such compensation, the Borrower shall promptly after such demand compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of (a) any continuation, conversion, payment or prepayment of any Eurodollar Rate Loan on a day other than the last day of the Interest Period for such Term Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise); (b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Term Loan) to prepay, borrow, continue or convert any Eurodollar Rate Loan on the date or in the amount notified by the Borrower; or (c) any assignment of such Lender's Eurodollar Rate Loans pursuant to Sections 3.04 and/or 12.13 on a day other than the last day of the Interest Period therefor, including, in each case, any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained; provided that, for the avoidance of doubt, the Borrower shall not be obligated to compensate any Lender under this Section 3.03 for any loss of anticipated profits in respect of any of the foregoing.

3.04 Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.02, or the Borrower is required to pay any Indemnified Taxes or additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, then such Lender (at the request of the Borrower) shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.02, as the case may be, in the future, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.02, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, the Borrower may replace such Lender in accordance with Section 12.13.

3.05 Defaulting Lenders.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders.

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article IX or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 12.08 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Term Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *third*, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Term Loans under this Agreement; *fourth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *fifth*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *sixth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Term Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Term Loans were made at a time when the conditions set forth in Section 4.01 were satisfied or waived, such payment shall be applied solely to pay the Term Loans of

all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Term Loans of such Defaulting Lender until such time as all Term Loans are held by the Lenders pro rata in accordance with their Term Commitments under the Term Facility. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender pursuant to this Section 3.05(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(b) Defaulting Lender Cure. If the Borrower and the Administrative Agent agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, such Lender will cease to be a Defaulting Lender; provided, that, except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

3.06 Survival. All of the Borrower's obligations under this Article III shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Aggregate Term Commitments and repayment, satisfaction or discharge of all other Obligations under this Agreement and the other Loan Documents.

ARTICLE IV

(d) The Borrower shall have paid to each Existing Lender under the Existing Credit Agreement (or to the Existing Agent on behalf of such Existing Lenders, for further payment to each such Existing Lender on the Business Day immediately following the Closing Date) all principal, all interest accrued through the Closing Date and all other amounts due and owing to such Existing Lenders under the Existing Credit Agreement (including, without limitation, all losses, costs and expenses to which it is entitled pursuant to Article III and Section 12.04 of the Existing Credit Agreement).

satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

ARTICLE V
REPRESENTATIONS AND WARRANTIES

The Borrower and the Parent Guarantor represent and warrant as of the Closing Date to the Administrative Agent and the Lenders that:

5.01 Existence, Qualification and Power. The Borrower is a limited liability company or corporation duly organized, validly existing and in good standing under the Laws of its jurisdiction of organization and is duly qualified to transact business and is in good standing in all jurisdictions in which such qualification is necessary in view of the properties and assets owned and presently intended to be owned and the business transacted and presently intended to be transacted by it except for qualifications the lack of which, singly or in the aggregate, have not had and would not reasonably be expected to have a Materially Adverse Effect, and each of the Borrower and the Restricted Subsidiaries has full power, authority and legal right to perform its obligations under this Agreement, the Term Notes and the other Loan Documents to which it is a party.

5.02 Subsidiaries; Affiliates; Loan Parties. Schedule 1.01 contains a complete and correct list, as at the Closing Date, of all Subsidiaries of the Borrower and a description of the legal nature of such Subsidiaries (including, with respect to each Subsidiary, the address of its principal place of business and its U.S. taxpayer identification number), the nature of the ownership interests (shares of stock or general or limited partnership or other interests) in such Subsidiaries and the holders of such interests and, except as disclosed to the Lenders in writing prior to the Closing Date, the Borrower and each of its Restricted Subsidiaries owns all of the ownership interests of its Subsidiaries indicated in such Schedules as being owned by the Borrower or such Restricted Subsidiary, as the case may be, free and clear of all Liens except those created under the Collateral Documents, and all such ownership interests are validly issued and, in the case of shares of stock, fully paid and non-assessable.

5.03 Authorization; No Contravention. The execution, delivery and performance by each of the Borrower and the Restricted Subsidiaries of each Loan Document and Related Document to which it is a party, and the Term Loans hereunder, have been duly authorized by all necessary corporate or other organizational action and do not and will not: (a) violate any Law currently in effect (other than violations that, singly or in the aggregate, have not had and would not reasonably be expected to have a Materially Adverse Effect), or any provision of any of the Borrower's or the Restricted Subsidiaries' respective charters, by-laws or membership agreements presently in effect; (b) conflict with or result in the breach of, or constitute a default or require any consent (except for the consents described on Schedule 5.03 hereto, each of which has been duly obtained) under, or require any payment to be made (other than in the case of Contractual Obligations that are satisfied and terminated in full on the Closing Date concurrently with the consummation of the Transaction) under (i) any Contractual Obligation to which the Borrower or any of the Restricted Subsidiaries is a party or their respective properties may be bound or affected or (ii) any order, injunction, writ or decree of any Governmental Authority or any arbitral award to which the Borrower or any of the Restricted Subsidiaries or their respective properties are subject (in each case under Section 5.03(b)(i) and (ii), other than any conflict, breach, default or required consent that, singly or in the aggregate, have not had and would not reasonably be expected to have a Materially Adverse Effect); or (c) except as provided under any Loan Document, result in, or require, the creation or imposition of any Lien upon or with respect to any of the properties or assets now owned or hereafter acquired by the Borrower or any of the Restricted Subsidiaries.

5.04 Financial Statements. The Borrower has, pursuant to Section 4.01(a)(x), furnished to each Lender prior to the Closing Date:

(a) the Audited Financial Statements; and

(b) the unaudited financial statements of the Parent Guarantor for any interim quarterly periods that have ended since the most recent of such Audited Financial Statements and at least 45 days prior to the Closing Date.

All financial statements referred to above in clauses (a) and (b), (i) are complete and correct in all material respects (subject, in the case of the unaudited financial statements referred to above, to year-end and audit adjustments), (ii) were prepared in accordance with GAAP consistently applied throughout the period covered thereby, except as otherwise expressly noted therein, and (iii) fairly present the consolidated financial condition of the Parent Guarantor as at the respective dates of the balance sheets included in such financial statements and the results of operations of such entity or groups of entities for the respective periods ended on said dates.

None of the Borrower and its Restricted Subsidiaries had on any of said dates any material contingent liabilities, liabilities for Taxes, unusual forward or long-term commitments or unrealized or anticipated losses from any unfavorable commitments or operations which are substantial in amount, except as referred to or reflected or provided for in said financial statements of the Borrower and its consolidated Restricted Subsidiaries as at said respective dates or as disclosed to the Lenders in writing prior to the Closing Date and except as would not, individually or in the aggregate, reasonably be expected to have a Materially Adverse Effect. Except as disclosed to the Lenders in writing prior to the Closing Date, since June 24, 2012, there has been no change in the financial condition (from that shown by the respective balance sheets as at June 24, 2012

included in said financial statements) of the businesses or operations of the Borrower and the Restricted Subsidiaries taken as a whole except for changes that would not reasonably be expected to have a Materially Adverse Effect (after giving effect to the Indebtedness contemplated to be incurred on the Closing Date and the use of proceeds thereof).

5.05 Litigation; Compliance with Laws. There are no actions, suits, proceedings, claims or disputes pending, or to the knowledge of the Borrower or any Restricted Subsidiary threatened, against the Borrower or any Restricted Subsidiary or any of their respective properties or assets, before any court or arbitrator or by or before any Governmental Authority that, singly or in the aggregate, would reasonably be expected to have a Materially Adverse Effect. None of the Borrower nor any Restricted Subsidiary is in default under or in violation of or with respect to any Laws or any writ, injunction or decree of any court, arbitrator or Governmental Authority except for minor defaults which, if continued unremedied, would not reasonably be expected to have a Materially Adverse Effect.

5.06 Titles and Liens. Except as set forth on Schedule 5.06, each of the Borrower and the Restricted Subsidiaries has good title to its properties and assets, free and clear of all Liens except those permitted by Section 7.01 hereof.

5.07 Regulation U; Investment Company Act.

(a) None of the proceeds of the Term Loans shall be used to purchase or carry, or to reduce or retire or refinance any credit incurred to purchase or carry, any Margin Stock or to extend credit to others for the purpose of purchasing or carrying any Margin Stock. If requested by any Lender, the Borrower will furnish to the Lenders statements in conformity with the requirements of Regulation U.

(b) None of the Borrower, the Parent Guarantor, NMG Holdings, or any Restricted Subsidiary of the Borrower is registered or is required to be registered as an "investment company" under the Investment Company Act.

5.08 Taxes. Each of the Borrower and the Restricted Subsidiaries has filed all Federal, state and other material tax returns which are required to be filed under any law applicable thereto except such returns as to which the failure to file, singly or in the aggregate, has not had and would not reasonably be expected to have a Materially Adverse Effect, and has paid, or made provision for the payment of, all Taxes shown to be due pursuant to said returns or pursuant to any assessment received by the Borrower or any of the Restricted Subsidiaries, except such Taxes, if any, as are being contested in good faith and as to which adequate reserves have been provided or as to which the failure to pay, individually or in the aggregate, has not had and would not reasonably be expected to have a Materially Adverse Effect.

5.09 Full Disclosure. None of the financial statements referred to in Section 5.04 hereof, certificates or any other written statements delivered by or on behalf of the Borrower or any Restricted Subsidiary to the Administrative Agent or any Lender contains, as at the Closing Date, any untrue statement of a material fact nor do such financial statements, certificates and such other written statements, taken as a whole, omit to state a material fact necessary to make the statements contained therein in light of the known conditions under which they were made not misleading.

5.10 No Default. None of the Borrower nor any Restricted Subsidiary thereof is in default in the payment or performance or observance of any Contractual Obligation, which default, either alone or in conjunction with all other such defaults, has had or would reasonably be expected to have a Materially Adverse Effect.

5.11 Approval of Regulatory Authorities. Except as set forth on Schedule 5.03 hereto, no approval or consent of, or filing or registration with, any Governmental Authority is required in connection with (a) the execution, delivery and performance by, or enforcement against the Borrower or any of the Restricted Subsidiaries of any Loan Document or Related Document to which it is a party or for the consummation of the Transaction, (b) the grant by the Borrower or any Restricted Subsidiary that is a Guarantor of the Liens granted by it pursuant to the Collateral Documents, (c) the perfection or maintenance of the Liens created under the Collateral Documents (including the first priority nature thereof) or (d) the exercise by the Administrative Agent or any Lender of its rights under the Loan Documents or the remedies in respect of the Collateral pursuant to the Collateral Documents. All approvals, consents, filings, registrations or other actions described in Schedule 5.03 have been duly obtained, taken, given or made and are in full force and effect (other than as set forth in Schedule 5.03).

5.12 Binding Agreements. This Agreement constitutes, and each other Loan Document when executed and delivered will constitute, the legal, valid and binding obligations of each of the Borrower and the Restricted Subsidiaries which is a party thereto, enforceable in accordance with their respective terms (except for limitations on enforceability under bankruptcy, reorganization, insolvency and other similar laws affecting creditors' rights generally and limitations on the availability of the remedy of specific performance imposed by the application of general equitable principles).

5.13 Insurance. The properties of the Borrower and its Restricted Subsidiaries are insured (which insurance may be maintained by CSC Holdings on behalf of the Borrower and its Restricted Subsidiaries) with reputable insurance companies not Affiliates of CSC Holdings or the Borrower (except for captive insurance companies), in such amounts with such deductibles and covering such risks as are customarily carried by companies engaged in similar businesses and owning similar properties in localities where the Borrower or the applicable Restricted Subsidiary operates, except to the extent that any failure to do so would not reasonably be expected to have a Materially Adverse Effect.

5.14 ERISA Compliance. The assets and liabilities of the Business that were contributed to or assumed by the Borrower pursuant to the Formation Agreement excluded the "employee benefit plans" (as such term is defined in Section 3(3) of ERISA) maintained by Tribune or Tribune's ERISA Affiliates, except that (i) Tribune agreed to continue to provide benefits under certain of its welfare benefit plans and defined contribution plans to employees of the Business through the end of 2008 (or a period of 180 days from closing if longer) and the Borrower agreed to reimburse Tribune for the cost of such benefits, (ii) Borrower assumed accrued but unpaid vacation liabilities, (iii) Borrower agreed to accept a trust-to-trust transfer to one or more of its defined contribution plans and (iv) Borrower assumed the applicable collective bargaining agreements. As of the Closing Date, except that would not reasonably be expected to have a Materially Adverse Effect, neither the Borrower nor any ERISA Affiliate has, as a result of maintaining or terminating a Plan or Multiemployer Plan prior to the Closing Date, (i) incurred, or reasonably expects to incur, any liability under Title IV of ERISA with respect to any Plan, (ii) incurred, or reasonably expects to incur, any liability under Section 4201 of ERISA with respect to a Multiemployer Plan or Section 4243 with respect to a Plan, or (iii) engaged in a transaction during the past five years that could be subject to Section 4069 or 4212(c) of ERISA.

5.15 Intellectual Property. The Borrower and its Restricted Subsidiaries own, or possess the right to use, all of the registered trademarks, service marks, trade names, copyrights, and patents embodied in the Collateral that are material for the operation of their respective businesses, (collectively, "IP Rights"), and Schedule 5.15 sets forth a complete and accurate list of all such IP Rights. To the knowledge of the Borrower, the IP Rights do not infringe upon any intellectual property rights held by any other Person. Except as set forth on Schedule 5.15, there is not now pending nor, to the knowledge of the Borrower, since the date of the Formation Agreement, has there been threatened any action, suit, arbitration or proceeding to contest, oppose, cancel or otherwise challenge the validity, ownership, enforceability or use of any of the IP Rights that remains unresolved, which, either individually or in the aggregate, would reasonably be expected to have a Materially Adverse Effect.

5.16 Solvency. The Parent Guarantor and the Borrower, taken as a whole, after giving effect to the Transaction and the incurrence of Indebtedness related thereto, are Solvent.

5.17 Casualty, Etc. Neither the businesses nor the properties of any of the Borrower or any of its Restricted Subsidiaries are affected by any fire, explosion, accident, strike, lockout or other labor dispute, drought, storm, hail, earthquake, embargo, act of God or of the public enemy or other casualty (whether or not covered by insurance) that, either individually or in the aggregate, would reasonably be expected to have a Materially Adverse Effect.

5.18 Collateral Documents. The provisions of the Collateral Documents are effective to create in favor of the Administrative Agent for the benefit of the Secured Parties a legal, valid and enforceable first priority Lien (subject to Liens permitted by Section 7.01) on all right, title and interest of the Borrower and the Restricted Subsidiaries that are Guarantors in the Collateral described therein. Except for filings completed prior to the Closing Date or as otherwise contemplated hereby or by the Collateral Documents, no filing or other action will be necessary to perfect such Liens.

5.19 Environmental Compliance. Except as set forth on Schedule 5.19 and with such exceptions as, individually or in the aggregate, would not reasonably be expected to have a Materially Adverse Effect:

(i) (A) the business of the Borrower and the Restricted Subsidiaries is in compliance with all applicable Environmental Laws; and (B) the Real Property (as used in this Section 5.19, such term shall have the meaning specified in the Formation Agreement) is in compliance with all applicable Environmental Laws;

(ii) (A) to the knowledge of the Borrower and the Restricted Subsidiaries, there are no underground storage tanks on any of the Real Property, and (B) no Hazardous Materials have been spilled or released in, on or under any of the Real Property in an amount that would trigger a reporting or remediation obligation under current Environmental Laws;

(iii) neither the Borrower nor any of the Restricted Subsidiaries have received any written notice, order, directive, claim or demand from any Governmental Authority with respect to any actual or potential liability under Environmental Laws on the part of the Borrower or any Restricted Subsidiary in connection with the business of the Borrower and the Restricted Subsidiaries that remains outstanding;

(iv) none of the Borrower or any of the Restricted Subsidiaries nor any of their respective predecessors is currently in any negotiations, agreements or undertakings with any Person relating to any cleanup of Hazardous Materials on the Real Property or otherwise relating to the business of the Borrower and the Restricted Subsidiaries;

(v) no Hazardous Materials generated by the Borrower or any of the Restricted Subsidiaries in connection with the business of the Borrower and the Restricted Subsidiaries are the subject of a written claim or demand from any third party;

(vi) no actions or proceedings are pending or, to the knowledge of the Borrower, threatened, to revoke, modify or terminate any

permit issued to the Borrower or any Restricted Subsidiary under Environmental Laws; and

(vii) with respect to the business of the Borrower and the Restricted Subsidiaries, neither the Borrower nor the Restricted Subsidiaries are the subject of any outstanding written notice, order or Contractual Obligation with any Governmental Authority or other Person relating to the business of the Borrower and the Restricted Subsidiaries regarding Environmental Laws.

5.20 Other Credit Agreements. Schedule 5.06 (Existing Liens) and Schedule 7.02 (Outstanding Indebtedness) contain complete and correct lists, as at September 23, 2012, of all credit agreements, indentures, purchase agreements, obligations in respect of letters of credit, guarantees and other instruments presently in effect (including Capitalized Lease Obligations) providing for, evidencing, securing or otherwise relating to any Indebtedness of the Borrower and the Restricted Subsidiaries in a principal or face amount equal to $1,000,000 or more and such lists correctly set forth the names of the debtor or lessee and creditor or lessor with respect to the Indebtedness outstanding or to be outstanding thereunder, the rate of interest or rentals, a description of any security given or to be given therefor, and the maturity or maturities or expiration date or dates thereof.

6.02 Taxes and Claims. Each of the Borrower and the Restricted Subsidiaries will pay and discharge all Taxes imposed upon it or upon its income or profits, or upon any properties or assets belonging to it and all other lawful claims which, if unpaid, could be reasonably expected to become a Lien (other than Liens permitted pursuant to Section 7.01) upon the property of the Borrower or any of the Restricted Subsidiaries, provided that none of the Borrower or the Restricted Subsidiaries shall be required to pay any such Tax, fee or other claim as to which the Borrower or the Restricted Subsidiaries have a good faith basis to believe is not due and owing and, to the extent then appropriate, the payment thereof is being contested in good faith and by proper proceedings, provided that it maintains adequate reserves in accordance with GAAP with respect thereto.

6.03 Insurance. Each of the Borrower and the Restricted Subsidiaries (or CSC Holdings on behalf of the Borrower and the Restricted Subsidiaries) will maintain insurance issued by financially sound and reputable insurance companies with respect to its properties and business in such amounts and against such risks as is usually carried by owners of similar businesses and properties in the same general areas in which the Borrower or such Restricted Subsidiary operates. The Borrower will furnish to any Lender, upon the request of such Lender from time to time, full information as to the insurance maintained in accordance with this Section 6.03.

6.05 Maintenance of and Access to Properties. Each of the Borrower and the Restricted Subsidiaries will maintain, preserve and protect its properties and assets necessary in its business in good working order and condition, ordinary wear and tear excepted and except where a failure to do so, individually or in the aggregate, would not be reasonably expected to have a Materially Adverse Effect, and will permit representatives of the respective Lenders to visit and inspect such properties, and to examine and make extracts from its books and records, during normal business hours.

6.07 Litigation. Each of the Borrower and the Restricted Subsidiaries will promptly give to the Administrative Agent notice in writing (and the Administrative Agent will notify each Lender) of all actions, suits, proceedings, claims or disputes before any courts, arbitrators or Governmental Authority against it or, to its knowledge, otherwise affecting it or any of its respective properties or assets, except actions, suits, proceedings, claims or disputes which would not be reasonably expected to, individually or in the aggregate, have a Materially Adverse Effect. Following the initial notice of each such action, suit, proceeding, claim or dispute, supplementary notices of all material developments in respect thereof shall be given from time to time in like manner. The parties hereby acknowledge that the prompt notice required by this Section 6.07 shall be satisfied by public reporting of such actions, suits, proceedings, claims or disputes by the Borrower, CSC Holdings or Cablevision with the SEC in a filing made pursuant to Securities Laws.

6.08 Subsidiaries. The Borrower may, at any time, designate any Subsidiary that is acquired or created after the Closing Date as an Unrestricted Subsidiary by prior written notice to the Administrative Agent; provided that the Borrower shall only be permitted to so designate a newly formed or acquired Subsidiary as an Unrestricted Subsidiary after the Closing Date so long as (a) no Default or Event of Default exists or would result therefrom, (b) such Subsidiary does not own any capital stock or Indebtedness of, or own or hold a Lien on any property of CSC Holdings, NMG Holdings, the Parent Guarantor, the Borrower or any other Restricted Subsidiary of the Borrower that is not a subsidiary of the Subsidiary to be so designated, and (c) such Unrestricted Subsidiary shall be capitalized (to the extent capitalized by the Borrower or any of its Subsidiaries) through Investments permitted by, and in compliance with, Section 7.03(h) with any assets owned by such Unrestricted Subsidiary at the time of the initial designation thereof to be treated as Investments pursuant to Section 7.03(h); provided that at the time of the initial Investment, the Borrower shall designate such entity as an Unrestricted Subsidiary in a written notice to the Administrative Agent. The Borrower may designate any Unrestricted Subsidiary to be a Restricted Subsidiary for purposes of this Agreement (each, a "Subsidiary Redesignation"); provided that (i) such Unrestricted Subsidiary, both before and after giving effect to such designation, shall be a wholly owned Subsidiary of the Borrower, (ii) no Default or Event of Default then exists or would occur as a consequence of any such Subsidiary Redesignation, (iii) there shall be Liquidity of at least $25,000,000 after giving effect to such Subsidiary Redesignation and based on the good faith projections prepared by the Borrower for the period from the date of the Subsidiary Redesignation to the later of the subsequent June 30 and December 31, the Borrower shall be in compliance with Section 7.10 on each of June 30 and December 31 following the date of such Subsidiary Redesignation, (iv) all representations and warranties contained herein and in the other Loan Documents shall be true and correct in all material respects with the same effect as though such representations and warranties had been made on and as of the date of such Subsidiary Redesignation (both before and after giving effect thereto), unless stated to relate to a specific earlier date, in which case such representations and warranties shall be true and correct in all material respects as of such earlier date, (v) the Borrower shall have delivered to the Administrative Agent an officer's certificate executed by a Responsible Officer, certifying to the best of such officer's knowledge, compliance with the requirements of preceding clauses (i) through (iv), inclusive, and containing the calculations required by the preceding clause (iii), and (vi) any Unrestricted Subsidiary subject to a Subsidiary Redesignation or any Subsidiary formed or acquired as a Restricted Subsidiary may not thereafter be designated as an Unrestricted Subsidiary. Notwithstanding anything to the contrary herein, as of the Closing Date, all subsidiaries of the Borrower shall be deemed to be Restricted Subsidiaries.

6.09 Books and Records. (a) Maintain proper books of record and account, in which entries that are full, true and correct in all material respects and are in conformity with GAAP consistently applied shall be made of all material financial transactions and material matters involving the assets and business of the Borrower or such Restricted Subsidiary, as the case may be; and (b) except to the extent failure to do so would not reasonably be expected to have a Materially Adverse Effect, maintain such books of record and account in conformity with all applicable requirements of any Governmental Authority having regulatory jurisdiction over the Borrower or such Subsidiary, as the case may be.

6.10 Use of Proceeds. Use the proceeds of the Term Loans (i) to finance the Transaction, and (ii) for general corporate purposes not in contravention of any Law or of any Loan Document.

6.11 Covenant to Guarantee Obligations and Give Security. Upon (x) the formation or acquisition of any new direct or indirect wholly-owned Subsidiary (other than an Unrestricted Subsidiary, any CFC or a Subsidiary that is held directly or indirectly by a CFC) by any Loan Party or (y) the acquisition of any property by any Loan Party if such property, in the reasonable judgment of the Administrative Agent, shall not already be subject to a perfected first priority security interest in favor of the Administrative Agent for the benefit of the Secured Parties, then the Borrower shall, at the Borrower's expense:

(a) within 30 days (or such longer period as the Administrative Agent may agree in its reasonable discretion) after such formation or acquisition, cause such Subsidiary (if it has not already done so), to duly execute and deliver to the Administrative Agent a guaranty or guaranty supplement, in form and substance reasonably satisfactory to the Administrative Agent, guaranteeing the Borrower's obligations under the Loan Documents,

(b) within 30 days (or such longer period as the Administrative Agent may agree in its reasonable discretion) after such formation or acquisition, furnish to the Administrative Agent a description of the real and personal properties of such Subsidiary or such newly-acquired property, in detail reasonably satisfactory to the Administrative Agent,

(c) within 45 days (or such longer period as the Administrative Agent may agree in its reasonable discretion) after such formation or acquisition, cause such Subsidiary (if it has not already done so) to duly execute and deliver to the Administrative Agent Supplemental Collateral Documents, as specified by and in form and substance reasonably satisfactory to the Administrative Agent (or in substantially the form attached to the Security Agreement, if applicable) (including delivery of all Pledged Interests in and of such Subsidiary, and other instruments of the type specified in Section 4.01(a)(iii)),

(d) within 60 days (or such longer period as the Administrative Agent may agree in its reasonable discretion) after such formation or acquisition, cause such Subsidiary (if it has not already done so) to take any actions required under the Security Agreement (including the recording of mortgages, the filing of UCC financing statements, the giving of notices and the endorsement of notices on title documents) may be reasonably requested by the Administrative Agent to vest in the Administrative Agent (or in any representative of the Administrative Agent designated by it) valid and subsisting Liens on the properties subject to the Supplemental Collateral Documents delivered pursuant to this Section 6.11, and

(e) as promptly as practicable after such formation or acquisition in the case of any Material Real Property, deliver, upon the request of the Administrative Agent in its reasonable discretion, to the Administrative Agent the items specified on Exhibit D to the Security Agreement.

All representations and warranties contained in this Agreement and the other Loan Documents shall be deemed modified to the extent necessary to effect the foregoing (and to permit the taking of the actions described above within the required time periods, rather than as elsewhere provided in the Loan Documents); provided, that (i) to the extent any representation and warranty would not be true because the foregoing actions were not taken on the Closing Date, the respective representation and warranty shall be required to be true and correct in all material respects at the time the respective action is taken (or was required to be taken) in accordance with the foregoing provisions of this Section 6.12 (and Schedule 6.12) and (ii) all representations and warranties relating to the Collateral Documents shall be required to be true in all material respects immediately after the actions required to be taken by this Section 6.12 (and Schedule 6.12) have been taken (or were required to be taken).

(e) CSC Holdings' Indebtedness. CSC Holdings shall not, and shall not permit any CSC Holdings Restricted Subsidiaries to, directly or indirectly incur, create, issue, assume, guarantee or otherwise become liable for, contingently or otherwise, or become responsible for the payment of, contingently or otherwise, any CSC Holdings Indebtedness (other than CSC Holdings Indebtedness between or among any of CSC Holdings and the CSC Holdings Restricted Subsidiaries) unless, after giving effect thereto, the Cash Flow Ratio shall be less than or equal to 9 to 1.

(f) CSC Holdings' Liens. CSC Holdings shall not, and shall not permit any CSC Holdings Restricted Subsidiary to, directly or indirectly incur, create, issue, assume, or suffer to exist any CSC Holdings Lien of any kind, except for CSC Holdings Permitted Liens, on or with

respect to any of its property or assets, whether owned at the Closing Date or thereafter acquired, or any income, profits or proceeds therefrom, or assign or otherwise convey any right to receive income thereon, unless (x) in the case of any CSC Holdings Lien securing CSC Holdings Indebtedness that is subordinated in right of payment to the Guaranty pursuant to Section 11.01, the Guaranty pursuant to Section 11.01 is secured by a CSC Holdings Lien on such property, assets or proceeds that is senior in priority to such CSC Holdings Lien and (y) in the case of any other CSC Holdings Lien, the Guaranty pursuant to Section 11.01 is equally and ratably secured.

(g) CSC Holdings' Restricted Payments. Except as otherwise provided in this Section 8.02(g), CSC Holdings shall not, and shall not permit any CSC Holdings Restricted Subsidiary to make any CSC Holdings Restricted Payment if (a) at the time of such proposed CSC Holdings Restricted Payment, a Default or Event of Default shall have occurred and be continuing or shall occur as a consequence of such CSC Holdings Restricted Payment or

(b) immediately after giving effect to such CSC Holdings Restricted Payment, the aggregate of all CSC Holdings Restricted Payments shall exceed the sum of $2.7 billion plus an amount equal to the difference between the (i) Cumulative Cash Flow Credit and (ii) 1.2 multiplied by Cumulative Interest Expense.

For purposes of this Section 8.02(g), the amount of any CSC Holdings Restricted Payment, if other than cash, shall be based upon fair market value as determined by the board of directors of CSC Holdings, whose good faith determination shall be conclusive.

The foregoing provisions of this Section 8.02(g) shall not prevent (i) the payment of any dividend within 60 days after the date of declaration thereof, if at such date of declaration such payment complied with the foregoing provisions of this Section 8.02(g); and (ii) retirement, redemption, purchase, defeasance or other acquisition of any share of the capital stock of CSC Holdings or warrants, rights or options to acquire capital stock of CSC Holdings in exchange for, or out of the proceeds of a sale (within one year before or 180 days after such retirement, redemption, purchase, defeasance or other acquisition) of, other shares of the capital stock of CSC Holdings or warrants, rights or options to acquire capital stock of CSC Holdings. For purposes of determining the aggregate permissible amount of CSC Holdings Restricted Payments in accordance with clause (b) of the first paragraph of this Section 8.02(g), all amounts expended pursuant to clause (i) of this paragraph shall be included and all amounts expended or received pursuant to clause (ii) of this paragraph shall be excluded; provided, however, that amounts paid pursuant to clause (i) of this paragraph shall be included only to the extent that such amounts were not previously included in calculating CSC Holdings Restricted Payments.

For the purposes of this Section 8.02(g), the net proceeds from the issuance of shares of capital stock of CSC Holdings upon conversion of CSC Holdings Indebtedness shall be deemed to be an amount equal to (i) the accreted value of such CSC Holdings Indebtedness on the date of such conversion and (ii) the additional consideration, if any, received by CSC Holdings upon such conversion thereof, less any cash payment on account of fractional share (such consideration, if in property other than cash, to be determined by the board of directors of CSC Holdings, whose good faith determination shall be conclusive and evidenced by a board resolution). If CSC Holdings makes a CSC Holdings Restricted Payment which, at the time of the making of such CSC Holdings Restricted Payment, would in the good faith determination of CSC Holdings be permitted under the requirements of this Section 8.02(g), such CSC Holdings Restricted Payment shall be deemed to have been made in compliance with this Section 8.02(g) notwithstanding any subsequent adjustments made in good faith to CSC Holdings' financial statements affecting Cumulative Cash Flow Credit or Cumulative Interest Expense for any period.

(h) CSC Holdings' Investments. CSC Holdings shall not, and shall not permit any CSC Holdings Restricted Subsidiary to, directly or indirectly, (a) make any CSC Holdings Investment or (b) allow any CSC Holdings Restricted Subsidiary to become a CSC Holdings Unrestricted Subsidiary, in each case, unless (i) no Default or Event of Default shall have occurred and be continuing or shall occur as a consequence of such Investment and (ii) after giving effect thereto, the Cash Flow Ratio shall be less than or equal to 9 to 1.

The foregoing provisions of this Section 8.02(h) shall not prohibit (a) any renewal or reclassification of any CSC Holdings Investment existing on the Closing Date or (b) trade credit extended on usual and customary terms in the ordinary course of business.

(i) CSC Holdings' Transactions with Affiliates. CSC Holdings shall not, and shall not permit any CSC Holdings Subsidiaries to sell, lease, transfer or otherwise dispose of any of its properties or assets to or purchase any property or assets from, or enter into any contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, an Affiliate of CSC Holdings that is not a CSC Holdings Subsidiary, having a value, or for consideration having a value, in excess of $10,000,000 individually or in the aggregate unless the Board of Directors of CSC Holdings shall make a good faith determination that the terms of such transaction are, taken as a whole, no less favorable to CSC Holdings or such CSC Holdings Subsidiary, as the case may be, than those which might be available in a comparable transaction with an unrelated Person. For purposes of clarification, this Section 8.02(i) shall not apply to any CSC Holdings Restricted Payment permitted by Section 8.02(g).

(j) CSC Holdings May Consolidate, Etc., Only on Certain Terms. (A) CSC Holdings shall not consolidate or merge with or into, or sell, assign, transfer, lease, convey, or otherwise dispose of all or substantially all of its assets to, any Person, unless:

(i) the Person formed by or surviving any such consolidation or merger (if other than CSC Holdings), or to which such sale,

assignment, transfer, lease, conveyance or disposition shall have been made, is a corporation organized and existing under the laws of the United States, any state thereof or the District of Columbia and shall assume by joinder hereto all the obligations of CSC Holdings under the Guaranty hereunder;

(ii) immediately before and immediately after such transaction, and after giving effect thereto, no Default or Event of Default shall have occurred and be continuing;

(iii) immediately after such transaction, and after giving effect thereto, the Person formed by or surviving any such consolidation or merger, or to which such sale, assignment, transfer, lease or conveyance or disposition shall have been made (the "successor"), shall have a Cash Flow Ratio not in excess of 9 to 1; and

(iv) CSC Holdings has delivered to the Administrative Agent an officer's certificate and an opinion of counsel, stating, as applicable to an officer's certificate or opinion as the case may be, that such consolidation, merger or transfer complies with this Section 8.02(j) and that all conditions precedent herein provided for relating to such transaction have been complied with.

Cash Flow Ratio for the purposes of this Section 8.02(j) shall be computed as if any such successor were CSC Holdings.

(B) Upon any consolidation or merger, or any sale, assignment, transfer, lease or conveyance or other disposition of all or substantially all of the assets, of CSC Holdings in accordance with Section 8.02(j), the successor Person formed by such consolidation or into which CSC Holdings is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for, and may exercise every right and power of, CSC Holdings under this Agreement with the same effect as if such successor Person had been named as CSC Holdings herein. When a successor assumes all the obligations of its predecessor under this Agreement, the predecessor shall be released from those obligations.

ARTICLE X
ADMINISTRATIVE AGENT

10.01 Appointment and Authorization of Agents.

(a) Each Lender hereby irrevocably appoints Barclays to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article X are solely for the benefit of the Agents and

the Lenders, and the Borrower shall not have rights as a third-party beneficiary of any of such provisions. It is understood and agreed that the use of the term "agent" herein or in any other Loan Document (or any other similar term) with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) The Administrative Agent shall also act as the "Collateral Agent" under the Loan Documents, and each of the Lenders (in its capacities as a Lender, potential Hedge Bank and potential Cash Management Bank) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as "collateral agent" and any sub-agents appointed by the Administrative Agent pursuant to Section 10.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article X and Article XII (including Section 12.04(c)), as though such sub-agents were the "Collateral Agent" under the Loan Documents) as if set forth in full herein with respect thereto.

10.02 Rights as a Lender. Any Agent shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent hereunder, and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as such Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for, and generally engage in any kind of business with, the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders.

10.03 Exculpatory Provisions.

(a) No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its

duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, no Agent shall: (i) be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing; (ii) have any duty to take any discretionary action or exercise any discretionary powers, except (in the case of the Administrative Agent) discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable Law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and (iii) except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by such Agent or any of its Affiliates in any capacity.

(b) The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be

necessary, under the circumstances as provided in Article IX and Section 12.01), or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default unless and until the Administrative Agent shall have received written notice from a Lender or the Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default".

(c) No Agent-Related Person shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than (in the case of the Administrative Agent) to confirm receipt of items expressly required to be delivered to it.

10.04 Reliance by Administrative Agent. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the Borrowings that by its terms shall be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the Borrowings. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

10.05 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article X shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Term Facility as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

10.06 Resignation of Administrative Agent. Each Administrative Agent may resign as Administrative Agent upon 30 days' notice to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall appoint from among the Lenders a successor agent (which may be an Affiliate of a Lender), with the consent of the Borrower at all times other than during the existence of an Event of Default under Section 9.01(b), (e) or (f) (which consent shall not be unreasonably withheld or delayed). If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment prior to the effective date of the resignation of the Administrative Agent, then the Administrative Agent may (but shall not be obligated to), on behalf of the

Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above. Whether or not a successor has been appointed, such

resignation shall become effective in accordance with such notice on such effective date, where (i) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Loan Documents, the retiring Administrative Agent may (but shall not be obligated to) continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (ii) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article X and Section 12.04 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

10.07 Non-Reliance on Agents and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon any Agent-Related Person or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent-Related Person or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

10.08 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to the Borrower, the Administrative Agent (irrespective of whether the principal of any Term Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Term Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due to the Lenders and the Administrative Agent under Sections 2.07 and 12.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

---

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.07 and 12.04.

10.09 Duties of Other Agents. None of the Agents (other than the Administrative Agent) identified on the cover page or signature pages of this Agreement shall have any rights, powers, obligations, liabilities, responsibilities or duties under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as a Lender hereunder. Without limiting any other provision of this Article X, none of such Agents in their respective capacities as such shall have or be deemed to have any fiduciary relationship with any Lender or any other Person by reason of this Agreement or any other Loan Document.

10.10 Collateral and Guaranty Matters. The Lenders irrevocably authorize the Administrative Agent, at its option and in its discretion,

(a) to release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (i) upon termination of the Aggregate Term Commitments and payment in full of all Obligations (other than contingent indemnification obligations), (ii) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Loan Document, or (iii) if approved, authorized or ratified in writing in accordance with Section 12.01;

(b) to release any Guarantor from its obligations under the Guaranty if such Person ceases to be a Subsidiary as a result of a transaction permitted hereunder; and

(c) to subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.01(i).

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the

Guaranty pursuant to this Section 10.10. In each case as specified in this Section 10.10, the Administrative Agent will, at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 10.10.

ARTICLE XI
CONTINUING GUARANTY

11.01 Guaranty. CSC Holdings hereby absolutely and unconditionally guarantees, as a guaranty of payment and performance and not merely as a guaranty of collection, prompt payment when due, whether at stated maturity, by required prepayment, upon acceleration, demand or otherwise, and at all times thereafter, of any and all of the Obligations, whether for principal, interest, premiums, fees, indemnities, damages, costs, expenses or otherwise, of the Borrower to the Secured Parties,
arising

hereunder and under the other Loan Documents (including all renewals, extensions, amendments, refinancings and other modifications thereof and all costs, attorneys' fees and expenses incurred by the Secured Parties in connection with the collection or enforcement thereof). The Administrative Agent's books and records showing the amount of the Obligations shall be admissible in evidence in any action or proceeding, and shall be binding upon CSC Holdings, and conclusive for the purpose of establishing the amount of the Obligations absent manifest error. This Guaranty shall not be affected by the genuineness, validity, regularity or enforceability of the Obligations or any instrument or agreement evidencing any Obligations, or by the existence, validity, enforceability, perfection, non-perfection or extent of any collateral therefor, or by any fact or circumstance relating to the Obligations which might otherwise constitute a defense to the obligations of CSC Holdings under this Guaranty, and CSC Holdings hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to any or all of the foregoing.

11.02 Rights of Lenders. CSC Holdings consents and agrees that the Secured Parties may, at any time and from time to time, without notice or demand, and without affecting the enforceability or continuing effectiveness hereof: (a) amend, extend, renew, compromise, discharge, accelerate or otherwise change the time for payment or the terms of the Obligations or any part thereof; (b) take, hold, exchange, enforce, waive, release, fail to perfect, sell, or otherwise dispose of any security for the payment of this Guaranty or any Obligations; (c) apply such security and direct the order or manner of sale thereof as the Administrative Agent and the Lenders in their sole discretion may determine; and (d) release or substitute one or more of any endorsers or other guarantors of any of the Obligations. Without limiting the generality of the foregoing, CSC Holdings consents to the taking of, or failure to take, any action which might in any manner or to any extent vary the risks of CSC Holdings under this Guaranty or which, but for this provision, might operate as a discharge of CSC Holdings.

11.03 Certain Waivers. CSC Holdings waives (a) any defense arising by reason of any disability or other defense of the Borrower or any other Guarantor, or the cessation from any cause whatsoever (including any act or omission of any Secured Party) of the liability of the Borrower; (b) any defense based on any claim that CSC Holdings' obligations exceed or are more burdensome than those of the Borrower; (c) the benefit of any statute of limitations affecting CSC Holdings' liability hereunder; (d) any right to proceed against the Borrower, proceed against or exhaust any security for the Obligations, or pursue any other remedy in the power of any Secured Party whatsoever; (e) any benefit of and any right to participate in any security now or hereafter held by any Secured Party; and (f) to the fullest extent permitted by law, any and all other defenses or benefits that may be derived from or afforded by applicable law limiting the liability of or exonerating guarantors or sureties. CSC Holdings expressly waives all setoffs and counterclaims and all presentments, demands for payment or performance, notices of nonpayment or nonperformance, protests, notices of protest, notices of dishonor and all other notices or demands of any kind or nature whatsoever with respect to the Obligations, and all notices of acceptance of this Guaranty or of the existence, creation or incurrence of new or additional Obligations.

11.04 Obligations Independent. The obligations of CSC Holdings hereunder are those of primary obligor, and not merely as surety, and are independent of the Obligations and the obligations of any other guarantor, and a separate action may be brought against CSC Holdings to enforce this Guaranty whether or not the Borrower or any other person or entity is joined as a party.

11.05 Subrogation.

(a) CSC Holdings shall not exercise any right of subrogation, contribution, indemnity, reimbursement or similar rights with respect to any payments it makes under this Guaranty (other than its rights to make a claim under the Indemnity Agreement as in effect on the date hereof) until all of the Obligations and any amounts payable under this Guaranty have been indefeasibly paid and

performed in full and the Term Commitments and the Term Facility is terminated. If any amounts are paid to CSC Holdings in violation of the foregoing limitation, then such amounts shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Secured

Parties to reduce the amount of the Obligations, whether matured or unmatured.

(b) To the extent CSC Holdings has notified the Administrative Agent that Tribune has reimbursed CSC Holdings for any payments made by CSC Holdings in respect of principal, premium or interest on the Term Loans (but excluding any costs, fees, expenses, penalties, charges or similar items paid or payable by CSC Holdings) under and in accordance with this Guaranty, the Administrative Agent, on behalf of the Lenders shall, after the Obligations have been paid in full in cash and fully performed, the Term Commitments and the Term Facility have been terminated and the security interest of the Administrative Agent, on behalf of the Lenders in all of the Collateral has been released, assign to Tribune, at the expense of Tribune, without recourse or representation of any kind, the remaining rights (if any) in a specified portion of the Collateral (such Collateral to be determined by CSC Holdings and the Administrative Agent in their sole discretion). Tribune's rights in any such Collateral will be on a second-priority basis, as determined by CSC Holdings.

11.06 Termination; Reinstatement. This Guaranty is a continuing and irrevocable guaranty of all Obligations now or hereafter existing and shall remain in full force and effect until all Obligations and any other amounts payable under this Guaranty are indefeasibly paid in full in cash and the Term Commitments and the Term Facility with respect to the Obligations are terminated. Notwithstanding the foregoing, this Guaranty shall continue in full force and effect or be revived, as the case may be, if any payment by or on behalf of the Borrower or CSC Holdings is made, or any of the Secured Parties exercises its right of setoff, in respect of the Obligations and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by any of the Secured Parties in their discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Laws or otherwise, all as if such payment had not been made or such setoff had not occurred and whether or not the Secured Parties are in possession of or have released this Guaranty and regardless of any prior revocation, rescission, termination or reduction. The obligations of CSC Holdings under this paragraph shall survive termination of this Guaranty.

11.07 Subordination. CSC Holdings hereby subordinates the payment of all obligations and indebtedness of the Borrower owing to CSC Holdings, whether now existing or hereafter arising, including but not limited to any obligation of the Borrower to CSC Holdings as subrogee of the Secured Parties or resulting from CSC Holdings' performance under this Guaranty, to the indefeasible payment in full in cash of all Obligations. If the Secured Parties so request, any such obligation or indebtedness of the Borrower to CSC Holdings shall be enforced and performance received by CSC Holdings as trustee for the Secured Parties and the proceeds thereof shall be paid over to the Secured Parties on account of the Obligations, but without reducing or affecting in any manner the liability of CSC Holdings under this Guaranty.

11.08 Stay of Acceleration. If acceleration of the time for payment of any of the Obligations is stayed, in connection with any case commenced by or against CSC Holdings or the Borrower under any Debtor Relief Laws, or otherwise, all such amounts shall nonetheless be payable by CSC Holdings immediately upon demand by the Secured Parties.

11.09 Condition of Borrower. CSC Holdings acknowledges and agrees that it has the sole responsibility for, and has adequate means of, obtaining from the Borrower and any other Guarantor such information concerning the financial condition, business and operations of the Borrower and any such other Guarantor as CSC Holdings requires, and that none of the Secured Parties has any duty, and

CSC Holdings is not relying on the Secured Parties at any time, to disclose to CSC Holdings any information relating to the business, operations or financial condition of the Borrower or any other
Guarantor (CSC Holdings waiving any duty on the part of the Secured Parties to disclose such information and any defense relating to the failure to provide the same).

ARTICLE XII
MISCELLANEOUS

12.01 Amendments, Etc. No amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders and the Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent, or by the Borrower or the applicable Loan Party, as the case may be, and the Administrative Agent with the consent of the Required Lenders, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no such amendment, waiver or consent shall:

(a) waive any condition set forth in Section 4.01 (other than Section 4.01(b)(i) or (c)) without the written consent of each Lender;

(b) without limiting the generality of clause (a) above, waive any condition set forth in Section 4.01(g) without the written consent of the Required Lenders;

(c) extend or increase the Term Commitment of any Lender (or reinstate any Term Commitment terminated pursuant to Section 9.02) without the written consent of such Lender;

(d) postpone any date fixed by this Agreement or any other Loan Document for any payment (excluding mandatory prepayments) of

principal, interest, fees or other amounts due to the Lenders (or any of them) hereunder or under such other Loan Document without the written consent of each Lender entitled to such payment;

(e) reduce the principal of, the Applicable Margin, or the rate of interest specified herein on any Loan or, any fees or other amounts payable hereunder or under any other Loan Document without the consent of each Lender affected thereby; provided, however, that only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrower to pay interest at the Default Rate;

(f) change Section 2.03(a)(ii), Section 2.03(b)(v), Section 2.11, or Section 9.03 in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender;

(g) change any provision of this Section 12.01 or the definition of "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder without the written consent of each Lender;

(h) release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender;

(i) release any of the Parent Guarantor, NMG Holdings or CSC Holdings from its respective obligations under the Parent Guaranty, the NMG Guaranty or the Guaranty made by CSC Holdings under Article XI, as applicable, or release all or substantially all of the value of the Guaranty, without the written consent of each Lender, except to the extent the release of any Subsidiary from the Guaranty is permitted pursuant to Section 10.10 (in which case such release may be made by the Administrative Agent acting alone); or

(j) amend or modify Section 9.01(i) or any defined term used therein or waive an Event of Default thereunder, without the written consent of Lenders holding 90% or more of the sum of the Outstanding Amount; provided that the portion of the Outstanding Amount held or deemed held by, any Defaulting Lender shall be excluded for purposes of making such determination;

and provided, further, (i) that no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of the Administrative Agent under this Agreement or any other Loan Document; (ii) each Fee Letter may be amended, or rights or privileges thereunder waived, in a writing executed only by each of the parties thereto. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Term Commitment of such Lender may not be increased or extended without the consent of such Lender.

If any Lender does not consent to a proposed amendment, waiver, consent or release with respect to any Loan Document that requires the consent of each Lender and that has been approved by the Required Lenders, the Borrower may replace such non-consenting Lender in accordance with Section 12.13; provided that such amendment, waiver, consent or release can be effected as a result of the assignment contemplated by such Section (together with all other such assignments required by the Borrower to be made pursuant to this paragraph).

In addition, and notwithstanding anything in this Section 12.01 to the contrary, if the Administrative Agent and the Borrower shall have jointly identified an obvious error or any error or omission of a technical nature, in each case, in any provision of this Agreement or any other Loan Document, then the Administrative Agent and the Borrower shall be permitted to amend such provision, and, in each case, such amendment shall become effective without any further action or consent of any other party to any Loan Document if the same is not objected to in writing by the Required Lenders to the Administrative Agent within ten Business Days following receipt of notice thereof.

12.02 Notices; Effectiveness; Electronic Communications.

(a) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to CSC Holdings, the Borrower, or the Administrative Agent, to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 12.02; and

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for

the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below shall be effective as provided in such subsection (b).

(b) Electronic Communications. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to CSC Holdings, the Borrower, any Lender, or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party have any liability to CSC Holdings, the Borrower, any Lender, or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of CSC Holdings, the Borrower and the Administrative Agent may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the

---

Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

(e) Reliance by Administrative Agent and Lenders. The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Loan Notice) purportedly given by or on behalf of the Borrower even if (i) such notice was not made in a manner specified herein, was incomplete or was not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

12.03 No Waiver; Cumulative Remedies; Enforcement. No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 9.02 for the benefit of all the Lenders; provided, however, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) any Lender from exercising setoff rights in accordance with Section 12.08 (subject to the terms of Section 2.11) or (c) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan party under any Debtor Relief Law; and provided further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 9.02 and (ii) in addition to the matters set forth in clauses (b) and (c) of the preceding proviso and subject to Section 2.11, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it as authorized by the Required Lenders.

12.04 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. The Borrower shall pay (i) all reasonable out-of-pocket expenses incurred by the Administrative Agent and its Affiliates (including the reasonable fees, charges and disbursements of counsel for the Administrative Agent), in connection with the syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all out-of-pocket expenses incurred by the Administrative Agent or any Lender (including the fees, charges and disbursements of any counsel for the Administrative Agent or any Lender), in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Loan Documents, including its rights under this Section, or (B) in connection with Loans made hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans.

(b) Indemnification by the Borrower. The Borrower shall indemnify the Administrative Agent (and any sub-agent thereof), the Joint Leads, the Lenders and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related reasonable out of pocket documented expenses (including, without limitation, the reasonable out of pocket and invoiced fees, disbursements and other charges of (i) one counsel, (ii) in the case of a material conflict between two or more Indemnitees, as so determined in the reasonable opinion of existing counsel, one additional counsel, and (iii) one local counsel in each applicable jurisdiction) (collectively, the "Losses"), incurred by any Indemnitee or asserted against any Indemnitee by any third party or by the Borrower (but excluding any proceeding brought by a Lender against any other Lender (in such Lender's capacity as a Lender and not in any capacity as a Joint Lead or the Administrative Agent)), arising out of, in connection with, or as a result of (A) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, or, in the case of the Administrative Agent (and any sub-agent thereof) and its Related Parties only, the administration of this Agreement and the other Loan Documents, (B) any Loan or the use or proposed use of the proceeds therefrom, or (C) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Loan Party or any of the Borrower's or such Loan Party's directors, shareholders or creditors, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses have resulted from the gross negligence, bad faith, or willful misconduct or material breach of the obligations under this Agreement or any other Loan Document of such Indemnitee. This Section 12.04(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) Reimbursement by Lenders. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under subsection (a) or (b) of this Section 12.04 to be paid by it to the Administrative Agent (or any sub-agent thereof), or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), or such Related Party, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent), or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent). The obligations of the Lenders under this subsection (c) are subject to the provisions of Section 2.10(d).

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof. No Indemnitee referred to in subsection (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed

to such unintended recipients by such Indemnitee through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby other than for direct or actual damages resulting from the gross negligence or willful misconduct of such Indemnitee as determined by a final and nonappealable judgment of a court of competent jurisdiction.

(e) Payments. All amounts due under this Section shall be payable not later than ten Business Days after demand therefor.

(f) Survival. The agreements in this Section shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Term Commitments and the repayment, satisfaction or discharge of all the other Obligations.

12.05 Payments Set Aside. To the extent that any payment by or on behalf of the Borrower is made to the Administrative Agent or any Lender, or the Administrative Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate *per annum* equal to the Federal Funds Rate from time to time in effect. The obligations of the Lenders under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

12.06 Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrower nor any other Loan Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of Section 12.06(b), (ii) by way of participation in accordance with the provisions of Section 12.06(d), or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 12.06(e) (and any other attempted assignment or transfer by the Borrower or any other Loan Party shall be null and void and any other attempted assignment or transfer by a Lender shall give rise to a participation in accordance with Section 12.06(d)). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Term Commitment(s) and the Term Loans at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Term Commitment and the Term Loans at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section, the aggregate amount of the Term Commitment (which for this purpose includes Loans outstanding thereunder) or, if the Term Commitment is not then in effect, the principal outstanding balance of the Term Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than $1,000,000, unless each of the Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed); provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met.

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Term Loans or the Term Commitment assigned.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by subsection (b)(i)(B) of this Section and, in addition, the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of (1) any Term Commitment if such assignment is to a Person that is not a Lender with a Term Commitment hereunder, an Affiliate of such Lender or an Approved Fund with respect to such Lender or (2) any Term Loan to a Person that is not a

Lender, an Affiliate of a Lender or an Approved Fund.

(iv) Assignment and Assumption. Except with respect to the initial syndication of the Term Loans following the Closing Date, the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee in the amount of $3,500; provided, however, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment and only one fee shall be payable for simultaneous assignments to or by two or more Approved Funds. The assignee, if it is not a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(v) No Assignment to Borrower. No such assignment shall be made to the Borrower or any of the Borrower's Affiliates or Subsidiaries or to any Dolan Family Interests.

(vi) Additional Restrictions on Assignments. No such assignment shall be made (i) to a natural person, (ii) to any Defaulting Lender or any of its Subsidiaries, or (iii) to any entity that is not a "qualified institutional buyer" as defined in Rule 144A under the Securities Act of 1933, as amended and a "qualified purchaser" as defined in Section 2(a)(51) of the Investment Company Act.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to subsection (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 3.01, 3.03, and 12.04 with respect to facts and circumstances occurring prior to the effective date of such assignment. Upon request, the Borrower (at its expense) shall execute and deliver a Term Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 12.06(d).

(c) Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Term Commitments of, and principal amounts of the Term Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower or any Lender (but only, in the case of a Lender, at the Administrative Agent's Office and with respect to any entry relating to such Lender's Term Commitments, Term Loans and other Obligations), at any reasonable time and from time to time upon reasonable prior notice. Upon its receipt of and, if required, consent to, a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and any tax forms required by Section 3.01 (unless the assignee shall already be a Lender hereunder), the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless and until it has been recorded in the Register as provided in this paragraph.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person or the Borrower or any of the Borrower's Affiliates or Subsidiaries or any Dolan Family Interests) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Term Commitment and/or the Term Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall

retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 12.01 that affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01 (subject to the requirements and limitations therein, including the requirements under Section 3.01(f) (it being understood that the documentation required under Section 3.01(f) shall be delivered to the participating Lender)), 3.02, 3.03 and 3.06 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 12.06(b); provided that such Participant (A) agrees to be subject to the provisions of Sections 3.04 and 12.13 as if it were an assignee under paragraph (b) of this Section 12.06; and (B) shall not be entitled to receive any greater payment under Sections 3.01 or 3.02, with respect to any participation, than its participating Lender would have been entitled to receive. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts

to cooperate with the Borrower to effectuate the provisions of Section 12.13 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.11 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Term Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register

(e) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Term Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

12.07 Treatment of Certain Information; Confidentiality. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, advisors and representatives on a need to know basis (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, (ii) any pledgee referred to in Section 12.06(e), or (iii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating

to the Borrower and its obligations, (g) with the consent of the Borrower or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, any Lender or any of their respective Affiliates on a non-confidential basis from a source other than the Borrower or any other Loan Party.

For purposes of this Section, "Information" means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary thereof or their respective businesses, other than any such information that is available to the Administrative Agent or any Lender on a non-confidential basis prior to disclosure by any Loan Party or any Subsidiary thereof, provided that, in the case of information received from a Loan Party or any such Subsidiary after the Closing Date, such information is clearly identified at the time of delivery as confidential.

Each of the Administrative Agent and the Lenders acknowledges that (a) the Information may include material non-public information concerning the Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including United States Federal and state securities Laws.

12.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or any such Affiliate to or for the credit or the account of the Borrower or any other Loan Party against any and all of the obligations of the Borrower or such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower or such Loan Party may be contingent or unmatured or are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each Lender and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or its respective Affiliates may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

12.09 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "Maximum

Rate"). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Term Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

12.10 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the

subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or other electronic imaging means shall be effective as delivery of a manually executed counterpart of this Agreement. For the avoidance of doubt, in the event of a conflict between the terms of this Agreement and any other Loan Document, the terms of this Agreement shall control.

12.11 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Loan, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied.

12.12 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

12.13 Replacement of Lenders. If any Lender requests compensation under Section 3.02, or if the Borrower is required to pay any Indemnified Taxes or additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 and, in each case, such Lender has declined to, or is unable to, designate a different Lending Office in accordance with Section 3.04(a), or if any Lender is a Defaulting Lender or if any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 12.06), all of its interests, rights (other than its existing rights to payments pursuant to Section 3.01 or Section 3.02) and obligations under this Agreement and the related Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(a) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 12.06(b);

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees, any applicable prepayment premium under Section 2.03 and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.03) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(c) in the case of any such assignment resulting from a claim for compensation under Section 3.02 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(d) such assignment does not conflict with applicable Laws; and

(e) in the case of any assignment pursuant to the penultimate paragraph of Section 12.01 resulting from a Lender becoming a non-consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

12.14 Governing Law; Jurisdiction; Etc.

(a) GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) SUBMISSION TO JURISDICTION. THE BORROWER AND EACH OTHER LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE NONEXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT OR ANY LENDER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST THE BORROWER OR ANY OTHER LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) WAIVER OF VENUE. THE BORROWER AND EACH OTHER LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 12.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

12.15 Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

12.16 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Borrower and CSC Holdings acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent and the Joint Leads, are arm's-length commercial transactions between the Borrower, CSC Holdings and their respective Affiliates, on the one hand, and the Administrative Agent and the Joint Leads, on the other hand, (B) each of the Borrower and CSC Holdings has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, (C) each of the Borrower and CSC Holdings is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents, and (D) no fiduciary, advisory or agency relationship between the Borrower, CSC Holdings and their respective Subsidiaries and any Agent or any Lender is intended to be or has been created in respect of the transactions contemplated hereby or by the other Loan Documents, irrespective of whether any Agent or any Lender has advised or is advising the Borrower, CSC Holdings or any of their respective Subsidiaries on other matters; (ii) (A) the Administrative Agent and the Joint Leads each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, CSC Holdings or any of their respective Affiliates, or any other Person and (B) neither the Administrative Agent nor the Joint Leads has any obligation to the Borrower, CSC Holdings or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent and the Joint Leads and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, CSC Holdings and their respective Affiliates, and neither the Administrative Agent nor the Joint Leads has any obligation to disclose any of such interests to the

Borrower, CSC Holdings or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and CSC Holdings hereby waives and releases any claims that it may have against the Administrative Agent and the Joint Leads with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

12.17 Electronic Execution of Assignments and Certain Other Documents. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

12.18 USA PATRIOT Act. Each Lender that is subject to the Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the
Borrower that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "PATRIOT Act"), it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the Act. The Borrower shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the Act.

A. Common Stock.

I. Priority of Preferred Stock.

Each of the Class A Common Stock and Class B Common Stock is subject to all the powers, rights, privileges, preferences and priorities of any series of Preferred Stock as are stated and expressed herein and as shall be stated and expressed in any Certificates of Designations filed with respect to any series of Preferred Stock pursuant to authority expressly granted to and vested in the Board of Directors by the provisions of Paragraph B of this Article FOURTH.

II. Issuance of Class A Common Stock and Class B Common Stock in Series; Designation; Redesignation.

The corporation shall have the authority to issue shares of Class A Common Stock and Class B Common Stock in series as follows:

(a) Class A Common Stock shall be divided into two series of common stock, with eight hundred million (800,000,000) shares of Class A Common Stock designated Cablevision NY Group Class A common stock, par value $.01 per share ("Cablevision NY Group Class A Common Stock"), and six hundred million (600,000,000) shares of Class A Common Stock designated Cablevision--Rainbow Media Group Class A common stock, par value $.01 per share ("Rainbow Media Group Class A Common Stock").

(b) Class B Common Stock shall be divided into two series of common stock, with three hundred twenty million (320,000,000) shares of Class B Common Stock designated Cablevision NY Group Class B common stock, par value $.01 per share ("Cablevision NY Group Class B Common Stock" and together with Cablevision NY Group Class A Common Stock, "Cablevision NY Group Common Stock"), and one hundred sixty million (160,000,000) shares of Class B Common Stock designated Cablevision--Rainbow Media Group Class B common stock, par value $.01 per share ("Rainbow Media Group Class B Common Stock" and together with Rainbow Media Group Class A Common Stock, "Rainbow Media Group Common Stock").

As and to the extent provided herein, the Cablevision NY Group Common Stock is intended to have dividend, distribution, exchange, redemption, liquidation and other rights related to the assets included in the Cablevision NY Group (as defined below) and the Rainbow Media Group Common Stock is intended to have dividend, distribution, exchange, redemption, liquidation and other rights related to the assets included in the Rainbow Media Group (as defined below).

For purposes of this Certificate of Incorporation, the following terms shall have the following meanings:

(a) "Cablevision NY Group" means (i) all of the businesses, assets and liabilities of the corporation and its subsidiaries, other than the businesses, assets and liabilities that are part of the Rainbow Media Group, and (ii) the rights and obligations of the Cablevision NY Group under any inter-Group debt deemed to be owed to or by the Cablevision NY Group (as such rights and obligations are defined from time to time by the Board of Directors in its sole discretion); provided that the corporation may re-allocate businesses, assets or liabilities from one Group to the other Group in return for such consideration by that other Group as may be determined in the sole discretion of the Board of Directors from time to time.

(b) "Rainbow Media Group" means:

(i) the corporation's interest, if any, in American Movie Classics Company and its wholly-owned subsidiaries (including *American Movie Classics* and *Romance Classics*), American Movie Classics Holding Corp., Bravo Company and its wholly-owned subsidiaries (including *Bravo* and *The Independent Film Channel*) and MuchMusic USA Venture;

(ii) the corporation's interest, if any, in SportsChannel Chicago Associates (including *Fox Sports Net Chicago*), SportsChannel Pacific Associates (including *Fox Sports Net* Bay Area), SportsChannel Ohio Associates (including *Fox Sports Net Ohio*), SportsChannel Cincinnati Associates (including *Fox Sports Net Cincinnati*), SportsChannel New England, L.P. (including *Fox Sports Net New England*) and SportsChannel Florida Associates (including *Fox Sports Net Florida*);

(iii) the corporation's interest, if any, in National Sports Partners;

(iv) the corporation's interest, if any, in National Advertising Partners;

(v) the corporation's interest, if any, in Rainbow Network Communications;

(vi) the corporation's interest, if any, in Sterling Digital LLC;

(vii) all other businesses, assets and liabilities of the corporation and its subsidiaries that the Board of Directors has by resolution, as of the initial distribution of the Rainbow Media Group Common Stock, allocated to the Rainbow Media Group;

(viii) any businesses, assets or liabilities developed, acquired or incurred after the date of the initial distribution of the Rainbow Media Group Common Stock in the ordinary course of business by the businesses of corporation or any of its subsidiaries that have been allocated to the

Rainbow Media Group unless the Board of Directors has by resolution allocated such businesses, assets or liabilities to the Cablevision NY Group;

(ix) any businesses, assets or liabilities developed, acquired or incurred by the corporation or any of its subsidiaries after the date of the initial distribution of the Rainbow Media Group Common Stock, that the Board of Directors has allocated to the Rainbow Media Group or that the corporation otherwise allocates to the Rainbow Media Group from time to time in the sole discretion of Board of Directors; and

(x) the rights and obligations of the Rainbow Media Group under any inter-Group debt deemed to be owed to or by the Rainbow Media Group (as such rights and obligations are determined from time to time in the sole discretion of the Board of Directors);

provided that the corporation may re-allocate businesses, assets or liabilities from one Group to the other Group in return for such consideration by that other Group as may be determined in the sole discretion of the Board of Directors from time to time.

When the filing of this Certificate of Incorporation becomes effective, (a) each share of Class A Common Stock outstanding immediately prior thereto shall thereupon automatically be redesignated as one share of Cablevision NY Group Class A Common Stock (and outstanding certificates that had theretofore represented shares of Class A common stock shall thereupon represent an equivalent number of shares of Cablevision NY Group Class A Common Stock despite the absence of any indication thereon to that effect), and (b) each share of Class B Common Stock outstanding immediately prior thereto shall thereupon automatically be redesignated as one share of Cablevision NY Group Class B Common Stock (and outstanding certificates that had theretofore represented shares of Class B common stock shall thereupon represent an equivalent number of shares of Cablevision NY Group Class B Common Stock despite the absence of any indication thereon to that effect).

The Board of Directors is authorized to distribute shares of Rainbow Media Group Common Stock in such manner as the Board of Directors shall determine in its sole discretion. Until such distribution of shares of Rainbow Media Group Common Stock is made, the Cablevision NY Group Common Stock shall represent economic interest in the corporation's common stock. Without limiting the effect of the previous sentence, the Board of Directors is authorized to effect a distribution in which shares of Rainbow Media Group Class B Common Stock are distributed to holders of Cablevision NY Group Class B Common Stock (in whole or in part as a dividend or in exchange for shares of Cablevision NY Group Class B Common Stock) and shares of Rainbow Media Group Class A Common Stock are distributed to holders of Cablevision NY Group Class A Common Stock (in whole or in part as a dividend or in exchange for shares of Cablevision NY Group Class A Common Stock).

III. Dividends.

Subject to the rights of the holders under any other provisions of this Certificate of Incorporation, as amended from time to time, and the provisions of any Certificates of Designations filed with respect to any series of Preferred Stock:

(a) *Dividends on Cablevision NY Group Class A Common Stock and Cablevision NY Group Class B Common Stock.* Dividends on Cablevision NY Group Class A Common Stock and Cablevision NY Group Class B Common Stock may be declared and paid only out of the lesser of (i) assets of the corporation legally available therefor and (ii) the Available Dividend Amount (as defined below) for the Cablevision NY Group. Other than with respect to dividends and distributions provided for in Sections A.VI, A.VII and A.VIII of this Article FOURTH, whenever a dividend is paid to the holders of Cablevision NY Group Class A Common Stock, holders of Cablevision NY Group Class B Common Stock shall be paid a dividend per share equal to the dividend per share paid to the holders of Cablevision NY Group Class A Common Stock, and whenever a dividend is paid to the holders of Cablevision NY Group Class B Common Stock, holders of Cablevision NY Group Class A Common Stock shall be paid a dividend per share equal to the dividend per share paid to the holders of Cablevision NY Group Class B Common Stock.

The "Available Dividend Amount" for the Cablevision NY Group at any time is the amount that the Board of Directors determines in its sole discretion would then be legally available for the payment of dividends on Cablevision NY Group Common Stock under Delaware law if: (i) Cablevision NY Group and the Rainbow Media Group were each a separate Delaware corporation; (ii) the Cablevision NY Group had outstanding a number of shares of common stock, par value $.01 per share, equal to the number of shares of Cablevision NY Group Common Stock that are then outstanding; (iii) the Cablevision NY Group had outstanding a number of shares of preferred stock, par value $.01 per share, equal to the number of shares of Preferred Stock that have been attributed to the Cablevision NY Group and are then outstanding, and (iv) the statements about the Rainbow Media Group set forth below in clauses (b)(ii) and (iii) were true.

(b) *Dividends on Rainbow Media Group Class A Common Stock and Rainbow Media Group Class B Common Stock.* Dividends on Rainbow Media Group Class A Common Stock and Rainbow Media Group Class B Common Stock may be declared and paid only out of the lesser of (i) assets of the corporation legally available therefor and (ii) the Available Dividend Amount for the Rainbow Media Group. Other than with respect to dividends and distributions provided for in Sections A.VI, A.VII and A.VIII of this Article FOURTH, whenever a dividend is paid to the holders of Rainbow Media Group Class A Common Stock, the holders of Rainbow Media Group Class B Common Stock shall be paid a dividend per share equal to the dividend per share paid to the holders of Rainbow Media Group Class A Common Stock, and whenever a dividend is paid to the holders of Rainbow Media Group Class B Common Stock, holders of Rainbow Media Group Class A

Common Stock shall be paid a dividend per share equal to the dividend per share paid to the holders of Rainbow Media Group Class B Common Stock.

The "Available Dividend Amount" for the Rainbow Media Group at any time is the amount that the Board of Directors determines in its sole discretion would then be legally available for the payment of dividends on Rainbow Media Group common stock under Delaware law if: (i) Cablevision NY Group and the Rainbow Media Group were each a separate Delaware corporation; (ii) the Rainbow Media Group had outstanding a number of shares of common stock, par value $.01 per share, equal to the number of shares of Rainbow Media Group Common Stock that are then outstanding; (iii) the Rainbow Media Group had outstanding a number of shares of Preferred Stock, par value $.01 per share, equal to the number of shares of Preferred Stock that have been attributed to the Rainbow Media Group and are then outstanding, and (iv) the statements made about the Cablevision NY Group and set forth above in clauses (a)(ii) and (iii) were true.

At the time of filing of this Certificate of Incorporation, there are no shares of Preferred Stock outstanding and no shares are therefore attributed to either Group as of that time.

(c) *Discrimination Between or Among Series of Common Stock.* The Board of Directors, subject to the provisions of subsections (a) and (b) of this Section III, shall have the sole authority and discretion to declare and pay dividends (including dividends under Section A.VI of this Article FOURTH) on (or to refrain from declaring and paying dividends on) (i) the Cablevision NY Group Common Stock or (ii) the Rainbow Media Group Common Stock, in equal or unequal amounts (including the payment of dividends on a series within a class and not the other series within the class), notwithstanding the relationship between the Available Dividend Amount for the Cablevision NY Group and the Available Dividend Amount for the Rainbow Media Group, the respective amounts of prior dividends declared on, or the liquidation rights of, Cablevision NY Group Class A Common Stock and Cablevision NY Group Class B Common Stock or Rainbow Media Group Class A Common Stock and Rainbow Media Group Class B Common Stock or any other factor.

IV. Voting.

(a) Except as otherwise required (i) by statute, (ii) pursuant to the provisions of this Certificate of Incorporation, as amended from time to time, or (iii) pursuant to the provisions of any Certificates of Designations filed with respect to any series of Preferred Stock, the holders of Common Stock shall have the sole right and power to vote on all matters on which a vote of stockholders is to be taken. At every meeting of the stockholders, (1) each holder of Cablevision NY Group Class A Common Stock shall be entitled to cast one (1) vote in person or by proxy for each share of Cablevision NY Group Class A Common Stock standing in his or her name on the transfer books of the corporation, (2) each holder of NYMA Class B Common Stock shall be entitled to cast

ten (10) votes in person or by proxy for each share of Cablevision NY Group Class B Common Stock standing in his or her name on the transfer books of the corporation, (3) each holder of Rainbow Media Group Class A Common Stock shall be entitled to cast one-half (1/2) of a vote in person or by proxy for each share of Rainbow Media Group Class A Common Stock standing in his or her name on the transfer books of the corporation and (4) each holder of Rainbow Media Group Class B Common Stock shall be entitled to cast five (5) votes in person or by proxy for each share of Rainbow Media Group Class B Common Stock standing in his or her name on the transfer books of the corporation.

Except in the election of directors of the corporation (voting in respect of which shall be governed by the terms set forth in subsections (b) and (c) of this Section IV) and as otherwise required (i) by statute, (ii) pursuant to the provisions of this Certificate of Incorporation, as amended from time to time, or (iii) pursuant to the provisions of any Certificates of Designations filed with respect to any series of Preferred Stock, the holders of Common Stock shall vote together as a single class; provided, however, that (i) the affirmative vote or consent of the holders of at least 66 2/3% of the outstanding shares of Cablevision NY Group Class B Common Stock, voting separately as a class, shall be required for (1) the authorization or issuance of any additional shares of Cablevision NY Group Class B Common Stock and (2) any amendment, alteration or repeal of any of the provisions of this Certificate of Incorporation which adversely affects the powers, preferences or rights of Cablevision NY Group Class B Common Stock and (ii) the affirmative vote or consent of the holders of at least 66 2/3% of the outstanding shares of Rainbow Media Group Class B Common Stock, voting separately as a class, shall be required for (1) the authorization or issuance of any additional shares of Rainbow Media Group Class B Common Stock and (2) any amendment, alteration or repeal of any of the provisions of this Certificate of Incorporation which adversely affects the powers, preferences or rights of Rainbow Media Group Class B Common Stock. Except as provided in the previous sentence, the number of authorized shares of any series or class of Common Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of the majority of the stock of this corporation entitled to vote.

(b) With respect to the election of directors:

(i) If on the record date for any meeting of stockholders of the corporation at which directors are to be elected, the aggregate number of outstanding shares of Class A Common Stock is at least 10% of the total aggregate number of outstanding shares of Common Stock, holders of Class A Common Stock shall vote together as a separate class and shall be entitled to elect 25% of the total number of directors elected by the holders of Common Stock (the "Common Stock Directors"); provided that if such 25% is not a whole number, then the holders of Class A Common Stock, voting together as a separate class, shall be entitled to elect the nearest higher whole number of directors that is at least 25% of the total number of the Common Stock Directors. Subject to subsection (iii) of this Section IV(b), holders of Class B Common Stock shall vote together as a separate class to elect the remaining Common Stock Directors;

(ii) If on the record date for any meeting of stockholders of the corporation at which directors are to be elected, the aggregate number of outstanding shares of Class A Common Stock is less than 10% of the total aggregate number of outstanding shares of Common Stock, the holders of Common Stock shall vote together as a single class with respect to the election of the Common Stock Directors and the holders of Class A Common Stock, voting together as a separate class, shall not have the right to elect 25% of the Common Stock Directors, but shall have the number of votes per share for all Common Stock Directors provided for in subsection (a) of this Section IV for such shares; and

(iii) If on the record date for any meeting of stockholders of the corporation at which Common Stock Directors are to be elected, the aggregate number of outstanding shares of Class B Common Stock is less than 12 1/2% of the total aggregate number of outstanding shares of Common Stock, then the holders of Class A Common Stock, voting together as a separate class, shall continue to elect a number of directors equal to not less than 25% of the total number of Common Stock Directors in accordance with subsection (b)(i) of this Section IV and in addition, shall vote together with the holders of Class B Common Stock, as a single class, to elect the remaining Common Stock Directors, with the holders of Common Stock having the number of votes per share for all Common Stock Directors provided for in subsection (a) of this Section IV.

(c) Any vacancy in the office of a Common Stock Director elected by the holders of Class A Common Stock voting as a separate class shall be filled by a vote of holders of Class A Common Stock voting as a separate class, and any vacancy in the office of a Common Stock Director elected by the holders of Class B Common Stock voting as a separate class shall be filled by a vote of holders of Class B Common Stock voting as a separate class or, in the absence of a stockholder vote, in the case of a vacancy in the office of a Common Stock Director elected by either class, such vacancy may be filled by the remaining directors of such class. Any director elected by the Board of Directors to fill a vacancy shall serve until the next annual meeting of stockholders and until his or her successor has been elected and has qualified. If the Board of Directors increases the number of directors in accordance with Article FIFTH of this Certificate of Incorporation, any newly-created directorship may be filled by the Board of Directors; *provided* that, so long as the holders of Class A Common Stock have the rights provided in subsections (b) and (c) of this Section IV in respect of the last preceding annual meeting of stockholders to elect not less than 25% of the total number of Common Stock Directors, (i) the Board of Directors may be so enlarged by the directors only to the extent that at least 25% of the enlarged board consists of (1) Common Stock Directors elected by the holders of Class A Common Stock, (2) of persons appointed to fill vacancies created by the death, resignation or removal of persons elected by the holders of Class A Common Stock or (3) persons appointed by Common Stock Directors elected by holders of Class A Common Stock or persons appointed to fill vacancies created by the death, resignation or removal of persons elected by holders of Class A Common Stock and (ii) each person filling a newly-created directorship is designated either (x) as a Common Stock Director to be elected by holders

of Class A Common Stock and is appointed by Common Stock Directors elected by holders of Class A Common Stock or persons appointed to fill vacancies created by the death, resignation or removal of persons elected by holders of Class A Common Stock or (y) as a Common Stock Director to be elected by holders of Class B Common Stock and is appointed by Common Stock Directors elected by holders of Class B Common Stock or persons appointed to fill vacancies created by the death, resignation or removal of persons elected by the holders of Class B Common Stock.

(d) Notwithstanding anything in this Section IV to the contrary, the holders of Class A Common Stock shall have exclusive voting power on all matters upon which, pursuant to this Certificate of Incorporation or applicable laws, the holders of Common Stock are entitled to vote, at any time when no shares of Class B Common Stock are issued and outstanding.

(e) Wherever any provision of this Certificate of Incorporation or the by-laws, in each case as amended from time to time, sets forth a specific percentage of the shares outstanding and entitled to vote which is required for approval or ratification of any action upon which the vote of the stockholders is required or may be obtained, such provision shall mean such specified percentage of the votes entitled to be cast by holders of shares then outstanding and entitled to vote on such action.

V. Conversion Rights.

(a) Subject to the terms and conditions of this Article FOURTH, each share of Cablevision NY Group Class B Common Stock shall be convertible at any time and from time to time, at the option of the holder thereof, at the office of any transfer agent for such Cablevision NY Group Class B Common Stock and at such other place or places, if any, as the Board of Directors may designate, or, if the Board of Directors shall fail so to designate, at the principal office of the corporation (attention of the Secretary of the corporation), into one (1) fully paid and non-assessable share of Cablevision NY Group Class A Common Stock and each share of Rainbow Media Group Class B Common Stock shall be convertible at any time or from time to time, at the option of the holder thereof, at the office of any transfer agent for such Rainbow Media Group Class B Common Stock and at such other place or places, if any, as the Board of Directors may designate, or, if the Board of Directors shall fail so to designate, at the principal office of the corporation (attention of the Secretary of the corporation), into one (1) fully paid and non-assessable share of Rainbow Media Group Class A Common Stock.

Upon conversion, the corporation shall make no payment or adjustment on account of dividends accrued or in arrears on Class B Common Stock surrendered for conversion or on account of any dividends on the Class A Common Stock issuable on such conversion. Before any holder of Class B Common Stock shall be entitled to convert the same into Class A Common Stock of the same Group, he or she shall surrender the certificate or certificates for such Class B Common Stock at the office of said transfer agent (or other place as provided above), which certificate or certificates, if the corporation shall so request, shall be duly endorsed to the corporation or in blank or accompanied by proper

instruments of transfer to the corporation or in blank (such endorsements or instruments of transfer to be in form satisfactory to the corporation), and shall give written notice to the corporation at said office that he or she elects so to convert said Class B Common Stock in accordance with the terms of this Section V, and shall state in writing therein the name or names in which he or she wishes the certificate or certificates for Class A Common Stock of the same Group to be registered. Every such notice of election to convert shall constitute a binding contract between the holder of such Class B Common Stock and the corporation, whereby the holder of such Class B Common Stock shall be deemed to subscribe for the amount of Class A Common Stock which he or she shall be entitled to receive upon such conversion, and, in satisfaction of such subscription, to deposit the Class B Common Stock to be converted and to release the corporation from all liability thereunder, and thereby the corporation shall be deemed to agree that the surrender of the certificate or certificates therefor and the extinguishment of liability thereon shall constitute full payment of such subscription for Class A Common Stock to be issued upon such conversion. The corporation will as soon as practicable after such deposit of a certificate or certificates for Class B Common Stock, accompanied by the written notice and the statement above prescribed, issue and deliver at the office of said transfer agent (or other place as provided above) to the person for whose account such Class B Common Stock was so surrendered, or to his nominee or nominees, a certificate or certificates for the number of full shares of Class A Common Stock to which he shall be entitled as aforesaid. Subject to the provisions of subsection (c) of this Section V, such conversion shall be deemed to have been made as of the date of such surrender of the Class B Common Stock to be converted; and the person or persons entitled to receive the Class A Common Stock issuable upon conversion of such Class B Common Stock shall be treated for all purposes as the record holder or holders of such Class A Common Stock on such date. Upon conversion of shares of Class B Common Stock, shares of Class B Common Stock so converted will be canceled and retired by the corporation, such shares shall not be reissued and the number of shares of Class B Common Stock which the corporation shall have authority to issue shall be decreased by the number of shares of Class B Common Stock so converted and the Board of Directors shall take such steps as are required to so retire such shares.

(b) The issuance of certificates for shares of Class A Common Stock upon conversion of shares of Class B Common Stock shall be made without charge for any stamp or other similar tax in respect of such issuance. However, if any such certificate is to be issued in a name other than that of the holder of the share or shares of Class B Common Stock converted, the person or persons requesting the issuance thereof shall pay to the corporation the amount of any tax which may be payable in respect of any transfer involved in such issuance or shall establish to the satisfaction of the corporation that such tax has been paid or that no such tax is due.

(c) The corporation shall not be required to convert Class B Common Stock, and no surrender of Class B Common Stock shall be effective for that purpose, while the stock transfer books of the corporation are closed for any purpose; but the surrender of Class B Common Stock for conversion during any period while such books are closed shall be deemed effective for conversion immediately upon the reopening of such books, as if the conversion had been made on the date such Class B Common Stock was surrendered.

(d) The corporation will at all times reserve and keep available, solely for the purpose of issue upon conversion of the outstanding shares of Class B Common Stock, such number of shares of Class A Common Stock of the same Group as shall be issuable upon the conversion of all such outstanding shares, provided that nothing contained herein shall be construed to preclude the corporation from satisfying its obligations in respect of the conversion of the outstanding shares of Class B Common Stock by delivery of shares of Class A Common Stock of the same Group which are held in the treasury of the corporation. The corporation covenants that if any shares of Class A Common Stock, required to be reserved for purposes of conversion hereunder, require registration with or approval of any governmental authority under any federal or state law before such shares of Class A Common Stock may be issued upon conversion, the corporation will use its best efforts to cause such shares to be duly registered or approved, as the case may be. The corporation will endeavor to list the shares of Class A Common Stock required to be delivered upon conversion prior to such delivery upon each national securities exchange, if any, upon which the outstanding Class A Common Stock of the same Group is listed at the time of such delivery. The corporation covenants that all shares of Class A Common Stock which shall be issued upon conversion of the shares of Class B Common Stock will, upon issue, be fully paid and non-assessable and not entitled to any preemptive rights.

VI Securities Distributions.

The corporation may declare and pay a distribution consisting of shares of Cablevision NY Group Class A Common Stock, Cablevision NY Group Class B Common Stock, Rainbow Media Group Class A Common Stock, Rainbow Media Group Class B Common Stock or any other securities of the corporation or any other person (hereinafter sometimes called a "share distribution") to holders of one or more classes or series of Common Stock only in accordance with the provisions of this Section VI.

(a) *Distributions on Cablevision NY Group Class A Common Stock and Cablevision NY Group B Common Stock.* If at any time a share distribution is to be made with respect to Cablevision NY Group Class A Common Stock or Cablevision NY Group Class B Common Stock, such share distribution may be declared and paid only as follows:

(i) a share distribution consisting of shares of Cablevision NY Group Class A Common Stock (or Convertible Securities (as defined below) convertible into or exercisable or exchangeable for shares of Cablevision NY Group Class A Common Stock) to holders of Cablevision NY Group Class A Common Stock and Cablevision NY Group Class B Common Stock, on an equal per share basis;

(ii) a share distribution consisting of shares of Cablevision NY Group Class A Common Stock (or Convertible Securities convertible into or exercisable or exchangeable for shares of Cablevision NY Group Class A Common Stock) to holders of Cablevision NY Group Class A Common Stock and, on an equal per share basis, shares of Cablevision NY Group Class B Common Stock (or like Convertible Securities convertible into or exercisable or exchangeable for shares of

Cablevision NY Group Class B Common Stock) to holders of Cablevision NY Group Class B Common Stock; and

(iii) a share distribution consisting of any class or series of securities of the corporation or any other person other than as described in clauses (i) and (ii) of this subsection (a) of this Section VI, either (1) on the basis of a distribution of identical securities, on an equal per share basis, to holders of Cablevision NY Group Class A Common Stock and Cablevision NY Group Class B Common Stock or (2) on the basis of a distribution of one class or series of securities to holders of Cablevision NY Group Class A Common Stock and another class or series of securities to holders of Cablevision NY Group Class B Common Stock, provided that the securities so distributed (and, if the distribution consists of Convertible Securities, the securities into which such Convertible Securities are convertible or for which they are exercisable or exchangeable) do not differ in any respect other than differences in their rights (other than voting rights) consistent in all material respects with the differences between the Cablevision NY Group Class A Common Stock and the Cablevision NY Group Class B Common Stock and difference in their relative voting rights, with holders of shares of Cablevision NY Group Class B Common Stock receiving the class or series having the higher relative voting rights (without regard to whether such voting rights differ to a greater or lesser extent than the corresponding differences in the voting rights of the Cablevision NY Group Class A Common Stock and the Cablevision NY Group Class B Common Stock provided in Section A.IV of the Article FOURTH), provided that if the securities so distributed constitute capital stock of a subsidiary of the corporation, such voting rights shall not differ to a greater extent than the corresponding differences in voting rights of the Cablevision NY Group Class A Common Stock and the Cablevision NY Group Class B Common Stock provided in Section A.IV of this Article FOURTH, and provided in each case that such distribution is otherwise made on an equal per share basis, as determined by the Board of Directors in its sole discretion.

For purposes of this Certificate of Incorporation, "Convertible Securities" shall mean any securities of the corporation (other than any series of Common Stock) or any subsidiary thereof that are convertible into, exchangeable for or evidence the right to purchase any shares of any series of Common Stock, whether upon conversion, exercise, exchange, pursuant to anti-dilution provisions of such securities or otherwise.

(b) *Distributions on Rainbow Media Group Class A Common Stock and Rainbow Media Group Class B Common Stock.* If at any time a share distribution is to be made with respect to Rainbow Media Group Class A Common Stock or Rainbow Media Group Class B Common Stock, such share distribution may be declared and paid only as follows (or as permitted by subsection (c) of Section A.VII below with respect to the redemptions and other distributions referred to therein):

(i) a share distribution consisting of shares of Rainbow Media Group Class A Common Stock (or Convertible Securities convertible into or exercisable or

exchangeable for shares of Rainbow Media Group Class A Common Stock) to holders of Rainbow Media Group Class A Common Stock and Rainbow Media Group Class B Common Stock, on an equal per share basis;

(ii) a share distribution consisting of shares of Rainbow Media Group Class A Common Stock (or Convertible Securities convertible into or exercisable or exchangeable for shares of Rainbow Media Group Class A Common Stock) to holders of Rainbow Media Group Class A Common Stock and, on an equal per share basis, shares of Rainbow Media Group Class B Common Stock (or like Convertible Securities convertible into or exercisable or exchangeable for shares of Rainbow Media Group Class B Common Stock) to holders of Rainbow Media Group Class B Common Stock; and

(iii) a share distribution consisting of any class or series of securities of the corporation or any other person other than as described in clauses (i) and (ii) of this subsection (b) of this Section VI either (1) on the basis of a distribution of identical securities, on an equal per share basis, to holders of Rainbow Media Group Class A Common Stock and Rainbow Media Group Class B Common Stock or (2) on the basis of a distribution of one class or series of securities to holders of Rainbow Media Group Class A Common Stock and another class or series of securities to holders of Rainbow Media Group Class B Common Stock, provided that the securities so distributed (and, if the distribution consists of Convertible Securities, the securities into which such Convertible Securities are convertible or for which they are exercisable or exchangeable) do not differ in any respect other than differences in their rights (other than voting rights) consistent in all material respects with the differences between the Cablevision NY Group Class A Common Stock and the Cablevision NY Group Class B Common Stock and differences in their relative voting rights, with holders of shares of Rainbow Media Group Class B Common Stock receiving the class or series having the higher relative voting rights (without regard to whether such voting rights differ to a greater or lesser extent than the corresponding differences in the voting rights of the Rainbow Media Group Class A Common Stock and the Rainbow Media Group Class B Common Stock provided in Section A.IV of this Article FOURTH), provided that if the securities so distributed constitute capital stock of a subsidiary of the corporation, such voting rights shall not differ to a greater extent than the corresponding differences in voting rights of the Rainbow Media Group Class A Common Stock and the Rainbow Media Group Class B Common Stock provided in Section A.IV of this Article FOURTH, and provided in each case that such distribution is otherwise made on an equal per share basis.

VII. Mandatory Dividend, Redemption or Exchange on Dispostion of All or Substantially All of the Assets of the Rainbow Media Group; Exchange of Rainbow Media Group Class A Common Stock for Cablevision NY Group Class A Common Stock and Rainbow Media Group Class B Common Stock for Cablevision NY Group Class B Common Stock at the Option of the Corporation; Optional Redemption in Exchange for Stock of Group Subsidiaries.

(a) *Mandatory Dividend, Redemption or Exchange on Disposition of All or Substantially All of the Assets of the Rainbow Media Group.* In the event of a Disposition (as defined below) of All or Substantially All of the Assets (as defined below) of the Rainbow Media Group (other than an Exempt Disposition (as defined below)), the corporation shall, on or prior to the 85th Trading Day after the consummation of such Disposition, take one of the following actions as selected by the Board of Directors in its sole discretion:

(i) subject to the provisions described under Section A.III of this Article FOURTH, declare and pay a dividend to holders of each series of Common Stock of the Rainbow Media Group in any combination of cash, securities or other property in an amount having a Fair Value (as defined below) equal to the Net Proceeds (as defined below) of such Disposition;

(ii) redeem from holders of each series of Common Stock of the Rainbow Media Group, for any combination of cash, securities or other property in an amount having a Fair Value equal to the Net Proceeds of such Disposition, all of the outstanding shares of the relevant series of Common Stock or, if the Rainbow Media Group continues after such Disposition to own any material assets other than the proceeds of such Disposition, a number of shares of such series of Common Stock (rounded, if necessary, to the nearest whole number) having an aggregate average Market Value, during the twenty (20) consecutive Trading Day period beginning on (and including) the 16th Trading Day immediately following the date on which the Disposition is consummated, equal to such Fair Value; or

(iii) exchange shares of Class A Common Stock of the Cablevision NY Group for all of the outstanding shares of Class A Common Stock of the Rainbow Media Group and shares of Class B Common Stock of the Cablevision NY Group for all of the outstanding shares of Class B Common Stock of the Rainbow Media Group (rounded, if necessary, to the nearest whole number) having an aggregate value equal to 110% of the aggregate value of all of the outstanding shares of the series of Common Stock that relates to the Rainbow Media Group (where in each case value is based on the average Market Value of a share of the relevant series of Class A Common Stock as compared to the average Market Value of a share of the other series of Class A Common Stock during the twenty (20) consecutive Trading Day period beginning on (and including) the 16th Trading Day immediately following the date on which the Disposition is consummated).

In the event that the corporation does not have the ability under Section A.III(a) or Section A.III(b) of this Article FOURTH, as the case may be, or under Delaware law, to apply the full amount of the Net Proceeds of a Disposition to the payment of a dividend or a redemption amount under Section A.VII(a)(i) or A.VII(a)(ii) of this Article FOURTH, as the case may be, the corporation may, at the election of the Board of Directors in its sole discretion, apply so much of the Net Proceeds as it may apply under Delaware law and under A.III(a) of this Article FOURTH or Section A.III(b) of this Article FOURTH, as the

case may be, and deposit the balance of the Net Proceeds into an escrow or other account of the corporation for further application under Section A.VII(a)(i) or VII(a)(ii) of this Article FOURTH, as the case may be, as soon as the corporation is able to do so.

At any time within one year after completing any dividend or partial redemption pursuant to (i) or (ii) of the second preceding paragraph, the corporation may issue, in exchange for all of the remaining outstanding shares of Common Stock of the Rainbow Media Group, a number of shares of the series of Common Stock of the Cablevision NY Group (rounded, if necessary, to the nearest whole number) having an aggregate value equal to 110% of the aggregate value of all of the outstanding shares of the series of Common Stock of the Rainbow Media Group (where in each case value is based on the average Market Value of a share of the relevant series of Class A Common Stock as compared to the average Market Value of a share of the other series of Class A Common Stock during the twenty (20) consecutive Trading Day period ending on (and including) the 5th Trading Day immediately preceding the date on which the corporation mails the notice of exchange to holders of the relevant series).

per share amount of such dividend or distribution and (2) the "Market Value" of a share of any class or series of capital stock on any day prior to (i) the effective date of any subdivision (by stock split or otherwise) or combination (by reverse stock split or otherwise) of outstanding shares of such class or series of capital stock occurring during such period or (ii) any "ex-dividend" date or any similar date occurring during such period for any dividend or distribution with respect to such capital stock to be made in shares of such class or series of capital stock, shall be appropriately adjusted, as determined by the Board of Directors, in its sole discretion, to reflect such subdivision, combination, dividend or distribution.

(5) any liabilities (contingent or otherwise) of, attributable to, or related to, the Rainbow Media Group, including, without limitation, any liabilities for deferred taxes, any indemnity or guarantee obligations which are outstanding or incurred in connection with the Disposition or otherwise, any liabilities for future purchase price adjustments and any obligations with respect to outstanding securities (other than common stock) attributed to the Rainbow Media Group.

"Publicly Traded" with respect to any security means (1) registered under Section 12 of the Securities Exchange Act of 1934, as amended (or any successor provision of law), and (2) listed for trading on the NYSE (or any other national securities exchange registered under Section 7 of the Securities Exchange Act of 1934, as amended (or any successor provision of law)) or listed on the NASDAQ NMS (or any successor market system).

For purposes of this Section VII(a), if the Rainbow Media Group consummates a Disposition in a series of related transactions, such Disposition shall not be deemed to have been completed until consummation of the last of such transactions as determined by the Board of Directors in its sole discretion.

The corporation may elect to pay the dividend or redemption price referred to in this Section VII(a) either in the same form as the proceeds of the Disposition were received or in any other combination of cash or securities or other property that the Board of Directors determines will have an aggregate Market Value on a fully distributed basis, of not less than the amount of the applicable Net Proceeds. If the dividend or redemption price is paid in the form of securities, the Board of Directors may determine either to (1) pay the dividend or redemption price in the form of separate classes or series of securities, with one class or series of such securities to holders of Class A Common Stock and another class or series of securities to holders of Class B Common Stock, provided that such securities (and, if such securities are Convertible Securities, the securities so issuable upon such conversion, exercise or exchange) do not differ in any respect other than differences in their rights (other than voting rights) consistent in all material respects when the differences between the Class A Common Stock and the Class B Common Stock and differences in their relative voting rights, with holders of shares of Class B Common Stock receiving the class or series having the higher relative voting rights (without regard to whether such voting rights differ to a greater or lesser extent than the corresponding differences in the voting rights of the Class A Common Stock and the Class B Common Stock of the Rainbow Media Group provided in Section A.IV of this Article FOURTH), provided that if such securities constitute capital stock of the corporation or a subsidiary of the corporation, such voting rights shall not differ to a greater extent than the corresponding differences in the voting rights of the Class A Common Stock and the Class B Common Stock provided in Section A.IV of this Article FOURTH, and otherwise such securities shall be distributed on an equal per share basis, or (2) pay the dividend or redemption price in the form of a single class of securities without distinction between the shares received by the holders of Class A Common Stock and Class B Common Stock of the applicable Group.

(b) *Exchange of Rainbow Media Group Class A Common Stock for Cablevision NY Group Class A Common Stock and Rainbow Media Group Class B Common Stock for Cablevision NY Group Class B Common Stock at the Option of the Corporation.* At the option of the corporation by action of the Board of Directors taken in its sole discretion at any time after the first (1st) anniversary of the initial issuance of the Rainbow Media Group Common Stock, (i) each share of Rainbow Media Group Class A Common Stock shall be exchanged for a number (or fraction) of fully paid and nonassessable shares of Cablevision NY Group Class A Common Stock equal to the Rainbow Media Group Optional Conversion Ratio (as defined below), and (ii) each share of Rainbow Media Group Class B Common Stock shall be exchanged for a number (or fraction) of fully paid and

nonassessable shares of Cablevision NY Group Class B Common Stock equal to the Rainbow Media Group Optional Exchange Ratio.

For purposes of this Certificate of Incorporation, the following terms shall have the following meanings:

"Rainbow Media Group Optional Exchange Ratio" shall mean the product of (1) the quotient (calculated to the nearest five decimal places) obtained by dividing (x) the average Market Value of a share of Rainbow Media Group Class A common stock over the twenty (20) consecutive Trading Day period ending on (and including) the fifth Trading Day immediately preceding the date on which the corporation mails the notice of conversion to holders of Rainbow Media Group Common Stock by (y) the average Market Value of a share of Cablevision NY Group Class A common stock over the same twenty (20) consecutive Trading Day period as specified in clause (x) above, and (2) 110%, unless a Tax Event (as defined below) shall have occurred, in which event the percentage in this clause (2) shall be 100%.

"Tax Event" means the receipt by the corporation of an opinion of its tax counsel that, as a result of: (1) any amendment to, or change in, the laws or regulations interpreting such laws of the United States or any political subdivision or taxing authority in the United States, including any announced proposed change by an applicable legislative committee or its chair in such laws or by an administrative agency in such regulations or (2) any official or administrative pronouncement, action or judicial decision interpreting or applying such laws or regulations, it is more likely than not for U.S. federal income tax purposes that: (x) the corporation or its stockholders are, or, at any time in the future, will be subject to tax upon the issuance of shares of either Rainbow Media Group common stock or Cablevision NY Group common stock or (y) either Rainbow Media Group common stock or Cablevision NY Group common stock is not or, at any time in the future, will not be treated solely as stock of the corporation. For purposes of rendering such an opinion, tax counsel will assume that any legislative or administrative proposals will be adopted or enacted as proposed.

(c) *Optional Redemption in Exchange for Common Stock of Group Subsidiaries.* At any time at which all of the assets and liabilities attributed to the Rainbow Media Group have become and continue to be held directly or indirectly by any one or more entities that are Qualifying Subsidiaries (as defined below) (the "Group Subsidiaries"), the Board of Directors may, subject to the availability of assets of the corporation legally available therefor, redeem, on a pro rata basis, all of the outstanding shares of the Rainbow Media Group in exchange for all of the fully paid and nonassessable shares of common stock of each Group Subsidiary held by the corporation. If the redemption is in exchange for the common stock of more than one Group Subsidiary, each holder of shares of Common Stock of the Rainbow Media Group shall receive, on a pro rata basis, shares of common stock of each such Group Subsidiary.

If at the time of such an exchange for shares of one or more Group Subsidiaries, there are outstanding any Convertible Securities convertible into or exercisable for shares of Rainbow Media Group Common Stock that would become exercisable or convertible for shares of the Rainbow Media Group as a result of such exchange, and the obligation to issue such shares under such options, warrants, convertible securities or similar rights is not assumed or otherwise provided for by one or more Group Subsidiaries, then the shares of common stock of the Rainbow Media Group underlying such Convertible Securities will be taken into account for purposes of determining the exchange rate for such exchange.

A "Qualifying Subsidiary" is a subsidiary of the corporation that is either wholly owned, directly or indirectly, by the corporation or in which the corporation's direct or indirect ownership and voting interest is sufficient to satisfy the requirements of the Internal Revenue Service for a distribution of the corporation's interest in such subsidiary to holders of common stock of the Rainbow Media Group to be tax free to such holders.

In effecting such a redemption, the Board of Directors shall redeem shares of Class A Common Stock and Class B Common Stock in exchange for shares of separate classes or series of common stock of each Group Subsidiary with relative voting rights and differences in designation, conversion, redemption and share distribution provisions not greater than the corresponding differences in voting rights, designation, conversion, redemption and share distribution provisions between the Class A Common Stock and Class B Common Stock, with holders of shares of Class B Common Stock receiving the class or series having the higher relative voting rights.

(d) *General Dividend, Exchange and Redemption Provisions.*

(i) If the corporation completes a Disposition of All or Substantially All of the Assets of the Rainbow Media Group (other than an Exempt Disposition), the corporation shall, not more than the ten (10) Trading Days after the consummation of such Disposition, either issue a press release or send a notice by first-class mail, postage prepaid, to holders of the relevant series of Common Stock at their addresses as they appear on the transfer books of the corporation, specifying (i) the Net Proceeds of such Disposition, (ii) the number of shares of the series of Common Stock related to the Rainbow Media Group then outstanding, and (iii) the number of shares of such series of Common Stock issuable upon conversion, exchange or exercise of any convertible or exchangeable securities, options or warrants and the conversion, exchange or exercise prices thereof. The corporation shall, not more than thirty (30) Trading Days after such consummation, either announce by press release or by notice sent by first-class mail, postage prepaid, to holders of the relevant series of Common Stock at their addresses as they appear on the transfer books of the corporation, which of the actions specified in subsection (a) of this Section VII it has determined to take, and upon making that announcement or the giving of that notice, that determination shall be irrevocable. In addition, the corporation shall, not more than thirty (30) Trading Days after such consummation and not less than ten (10) Trading Days before the applicable

payment date, redemption date or exchange date, send a notice by first-class mail, postage prepaid, to holders of the relevant series of Common Stock at their addresses as they appear on the transfer books of the corporation, specifying:

(1) if the corporation has determined to pay a special dividend, (x) the record date for such dividend, (y) the payment date of such dividend (which shall not be more than eighty-five (85) Trading Days after such consummation) and (z) the aggregate amount and type of property to be paid in such dividend (and the approximate per share amount thereof);

(2) if the corporation has determined to undertake a redemption, (w) the date of redemption (which shall not be more than eighty-five (85) Trading Days after such consummation), (x) the aggregate amount and type of property to be paid as a redemption price (and the approximate per share amount thereof), (y) if less than all shares of the relevant series of Common Stock are to be redeemed, the number of shares to be redeemed and (z) the place or places where certificates for shares of such series of Common Stock, properly endorsed or assigned for transfer (unless the corporation waives such requirement), should be surrendered in return for delivery of the cash, securities or other property to be paid by the corporation in such redemption; and

(3) if the corporation has determined to undertake an exchange, (x) the date of exchange (which shall not be more than eighty-five (85) Trading Days after such consummation (except in the circumstances contemplated by the second full paragraph following Section A.VII(a)(iii) of this Article FOURTH)), (y) the number of shares of the other series of Common Stock to be issued in exchange for each outstanding share of such series of Common Stock and (z) the place or places where certificates for shares of such series of Common Stock, properly endorsed or assigned for transfer (unless the corporation waives such requirement), should be surrendered in return for delivery of the other series of Common Stock to be issued by the corporation in such exchange.

(ii) If the corporation has determined to complete any exchange described in subsection (a) or (b) of this Section VII, the corporation shall, not less than ten (10) Trading Days and not more than thirty (30) Trading Days before the exchange date, send a notice by first-class mail, postage prepaid, to holders of the relevant series of Common Stock at their addresses as they appear on the transfer books of the corporation, specifying (1) the exchange date and the other terms of the exchange and (2) the place or places where certificates for shares of such series of Common Stock, properly endorsed or assigned for transfer (unless the corporation waives such requirement), should be surrendered for delivery of the stock to be issued or delivered by the corporation in such exchange.

(iii) Neither the failure to mail any notice required by this Section VII to any particular holder nor any defect therein would affect the sufficiency thereof with respect to any other holder or the validity of any dividend, redemption or exchange contemplated hereby.

(iv) If the corporation is redeeming less than all of the outstanding shares of a series of Common Stock pursuant to subsection (a) of this Section VII, the corporation shall redeem such shares pro rata or by lot or by such other method as the Board of Directors determines to be equitable.

(v) No holder of shares of a series of Common Stock being exchanged or redeemed shall be entitled to receive any cash, securities or other property to be distributed in such exchange or redemption until such holder surrenders certificates for such shares, properly endorsed or assigned for transfer, at such place as the corporation shall specify (unless the corporation waives such requirement). As soon as practicable after the corporation's receipt of certificates for such shares, the corporation shall deliver to the person for whose account such shares were so surrendered, or to the nominee or nominees of such person, the cash, securities or other property to which such person shall be entitled, together with any fractional payment referred to below, in each case without interest. If less than all of the shares of Common Stock represented by any one certificate is exchanged or redeemed, the corporation shall also issue and deliver a new certificate for the shares of such Common Stock not exchanged or redeemed.

(vi) The corporation shall not be required to issue or deliver fractional shares of any capital stock or any other fractional securities to any holder of Common Stock upon any exchange, redemption, dividend or other distribution described above. If more than one share of Common Stock shall be held at the same time by the same holder, the corporation may aggregate the number of shares of any capital stock that would be issuable or any other securities that would be distributable to such holder upon any such exchange, redemption, dividend or other distribution. If there are fractional shares of any capital stock or any other fractional securities to be issued or distributed to any holder, the corporation may, at its election, in lieu of issuing such fractional shares or securities, pay cash in respect of such fractional shares or securities in an amount equal to the Fair Value thereof (without interest).

(vii) From and after the date set for any exchange or redemption contemplated by this Section VII, all rights of a holder of shares of Common Stock being exchanged or redeemed shall cease except for the right, upon surrender of the certificates theretofore representing such shares, to receive the cash, securities or other property for which such shares were exchanged or redeemed, together with any fractional payment as provided above, in each case without interest (and, if such holder was a holder of record as of the close of business on the record date for a dividend not yet paid, the right to receive such dividend). A holder of shares of Common Stock being exchanged shall not be entitled to receive any dividend or

other distribution with respect to shares of the other series of Common Stock until after certificates theretofore representing the shares being exchanged are surrendered as contemplated above. Upon such surrender, the corporation shall pay to the holder the amount of any dividends or other distributions (without interest) which theretofore became payable with respect to a record date occurring after the date set for the exchange, but which were not paid by reason of the foregoing, with respect to the number of whole shares of the other series of Common Stock represented by the certificate or certificates issued upon such surrender. From and after the date set for any exchange, the corporation shall, however, be entitled to treat the certificates for shares of a series of Common Stock being exchanged that were not yet surrendered for exchange as evidencing the ownership of the number of whole shares of the other series of Common Stock for which the shares of such Common Stock should have been exchanged, notwithstanding the failure to surrender such certificates.

(viii) The corporation shall pay any and all documentary, stamp or similar issue or transfer taxes that might be payable in respect of the issue or delivery of any shares of capital stock and/or other securities on any exchange or redemption contemplated by this Section VII, provided, however, that the corporation shall not be required to pay any tax that might be payable in respect of any transfer involved in the issue or delivery of any shares of capital stock and/or other securities in a name other than that in which the shares so exchanged or redeemed were registered, and no such issue or delivery will be made unless and until the person requesting such issue pays to the corporation the amount of any such tax, or establishes to the satisfaction of the corporation that such tax has been paid. Under no circumstances shall the corporation be liable to a holder of shares being exchanged for dividends or distributions thereon with respect to shares or other securities or dividends or distributions delivered to a public official pursuant to any applicable abandoned property, escheat or similar law.

(ix) The corporation may, subject to applicable law, establish such other rules, requirements and procedures to facilitate any dividend, redemption or exchange contemplated by this Section VII as the Board of Directors may determine to be appropriate under the circumstances.

VIII. Liquidation Rights.

In the event of any liquidation, dissolution or winding up of the corporation, whether voluntary or involuntary, after payment or provision for payment of the debts and other liabilities of the corporation and subject to the prior payment in full of the amounts to be paid to holders of Preferred Stock as set forth in any Certificates of Designations filed with respect thereto, the remaining assets and funds of the corporation shall be divided as follows: (a) the holders of the shares of Cablevision NY Group Class A Common Stock and the holders of the shares of Cablevision NY Group Class B Common Stock (including those persons who shall become holders of Cablevision NY Group Class A Common Stock by reason of the conversion of their shares of Cablevision NY Group Class B Common

Stock) shall share equally, on a share for share basis, in a percentage of the remaining assets and funds of the corporation available for distribution to common stockholders equal to the ratio of the Cablevision NY Group Market Capitalization (as defined below) to the Total Market Capitalization (as defined below); and (b) the holders of the shares of Rainbow Media Group Class A Common Stock and the holders of the shares of Rainbow Media Group Class B Common Stock (including those persons who shall become holders of Rainbow Media Group Class A Common stock by reason of the conversion of their shares of Rainbow Media Group Class B Common Stock) shall share equally, on a share for share basis, in a percentage of the remaining assets and funds of the corporation available for distribution to common stockholders equal to the ratio of the Rainbow Media Group Market Capitalization (as defined below) to the Total Market Capitalization.

"Cablevision NY Group Market Capitalization" shall mean the average aggregate Market Value of all shares of Cablevision NY Group Common Stock (assigning a share of Cablevision NY Group Class B Common Stock the same Market Value as a share of Cablevision NY Group Class A Common Stock) during the twenty (20) consecutive Trading Day period ending on (and including) the 5th Trading Day before the date of the first public announcement of (a) a voluntary liquidation, dissolution or winding-up by the corporation or (b) the institution of any proceeding for the involuntary liquidation, dissolution or winding up of the corporation.

"Rainbow Media Group Market Capitalization" shall mean the average aggregate Market Value of all shares of Rainbow Media Group Common Stock (assigning a share of Rainbow Media Group Class B Common Stock the same Market Value as a share of Rainbow Media Group Class A Common Stock) during the twenty (20) consecutive Trading Day period ending on (and including) the 5th Trading Day before the date of the first public announcement of (a) a voluntary liquidation, dissolution or winding-up by the corporation or (b) the institution of any proceeding for the involuntary liquidation, dissolution or winding up of the corporation.

"Total Market Capitalization" shall mean the sum of the Cablevision NY Group Market Capitalization and the Rainbow Media Group Market Capitalization.

For the purposes of this Section VIII, a consolidation or merger of the corporation with one or more other corporations shall not be deemed to be a liquidation, dissolution or winding up, voluntary or involuntary.

IX. Reclassifications, Etc.

Neither the Class A Common Stock nor the Class B Common Stock may be subdivided, consolidated, reclassified or, except as expressly provided to the contrary in Section A.VII of the Article FOURTH, otherwise changed unless contemporaneously therewith the other class of Common Stock of the same Group is subdivided, consolidated, reclassified or otherwise changed in the same proportion and in the same manner.

X. Mergers, Consolidations, Etc.

Except as expressly provided to the contrary in Section A.VII of this Article FOURTH, in any merger, consolidation or business combination of the corporation with or into another corporation, whether or not the corporation is the surviving corporation, the consideration per share to be received by holders of Class A Common Stock and Class B Common Stock of a Group in such merger, consolidation or business combination must be identical to that received by holders of the other class of Common Stock of the same Group, except that in any such transaction in which shares of capital stock are distributed, such shares may differ as to voting rights to the extent and only to the extent that the voting rights of the Class A Common Stock and Class B Common Stock differ as provided herein.

XI. Rights and Warrants.

In case the corporation shall issue rights or warrants to purchase shares of capital stock of the corporation, the terms of the rights and warrants, and the number of rights or warrants per share, to be received by holders of Class A Common Stock or Class B Common Stock of a Group must be identical to that received by holders of the other class of Common Stock of the same Group, except that the shares of capital stock into which such rights or warrants are exercisable may differ as to voting rights to the extent and only to the extent that the voting rights of the Class A Common Stock and Class B Common Stock differ as provided herein.

B. Preferred Stock.

I. Issuance.

Preferred Stock may be issued from time to time in one or more series, the shares of each series to have such powers, designations, preferences and relative, participating, optional or other special rights, and qualifications, limitations or restrictions thereof, as are stated and expressed herein or in a Certificate or Certificates of Designations providing for the issuance of such series, adopted by the Board of Directors as hereinafter provided.

II. Powers of the Board of Directors.

Authority is hereby expressly granted to the Board of Directors to authorize the issue of one or more series of Preferred Stock, and with respect to each series to set forth in a Certificate or Certificates of Designations provisions with respect to the issuance of such series:

(a) The maximum number of shares to constitute such series and the distinctive designation thereof;

(b) Whether the shares of such series shall have voting rights, in addition to any voting rights provided by law, and, if so, the terms of such voting rights;

(c) The dividend rate, if any, on the shares of such series, the conditions and dates upon which such dividends shall be payable, the preference or relation which such dividends shall bear to the dividends payable on any other class or classes or on any other series of capital stock, and whether such dividends shall be cumulative or non-cumulative;

(d) Whether the shares of such series shall be subject to redemption by the corporation, and, if made subject to redemption, the times, prices and other terms and conditions of such redemption;

(e) The rights of the holders of shares of such series upon the liquidation, dissolution or winding up of the corporation;
