To the Member of Bloom Securities, LLC

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Bloom Securities, LLC, (the "Company") as of December 31, 2020, the related statements of income, changes in member's equity and cash flows for the nine months ended December 31, 2020, and the related notes and schedules (collectively referred to as the financial statements). In our opinion, the financial statements present fairly, in all material respects, the financial position of Bloom Securities, LLC as of December 31, 2020, and the results of its operations and its cash flows for the nine months ended December 31, 2020 in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Supplemental Information

The supplemental information, Computation of Net Capital Under Rule 15c3-1 of the Securities and Exchange Commission and Computation for Determination of Reserve Requirements and Information Relating to Possession and Control Requirements Under Rule 15c3-3 of the Securities and Exchange Commission have been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the Computation of Net Capital Under Rule 15c3-1 of the Securities and Exchange Commission and Computation for Determination of Reserve Requirements and Information Relating to Possession and Control Requirements Under Rule 15c3-3 of the Securities and Exchange Commission is fairly stated, in all material respects, in relation to the financial statements as a whole.

We have served as the Company's auditor since 2019.

Note 1 - Organization

Bloom Securities, LLC (the "Company") is a broker-dealer registered with the United States Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company was founded in February 2016, under the laws of the State of Florida and was approved by FINRA on April 7, 2017. The Company is 100% owned by The Bloom Organization II, Inc. (the Parent).

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements are presented in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash

The Company has cash held in demand accounts at financial institutions and as of December 31, 2020, one of their bank accounts exceeded the \$250,000 FDIC coverage limit.

Revenue Recognition

The Company derives all its revenues from the performance of investment banking services which is within the scope of ASC 606. Investment banking services include placement of securities, post-placement consulting services, and the provision of merger and acquisition advice. The Company enters into contracts with clients for periods usually lasting one year or less. The contracts include non-refundable retainer fees and/or success fees, which may be fixed or represent a percentage of value that the customer receives when the corporate finance activity is completed. The Company's fees are paid at the time when the engagement is completed. The Company does not recognize revenue relating to retainer fees as this revenue is earned by the Company's parent company.

Success fees, which are variable consideration, are included in the transaction price and recognized into revenue when it is determined that the reversal of revenue is not probable, and the Company has completed the performance obligation which

Revenue Recognition

is typically at the closing of the transaction. When assessing probability, the Company applies a careful analysis and judgement to the remaining factors necessary for completion of the transaction, including factors outside of the company's control. Reimbursements, including those that pertain to travel and other out-of-pocket expenses, are recognized into revenue at the point in time in which the Company has an unconditional right to payment. Deferred revenue represents contract liabilities for the amount billed or collected in advance of the performance obligations being completed.

Income Taxes

The Company passes its taxable income through to the Parent. As a result, no federal or state income taxes are provided for, as they are the responsibility of the individual member of the Parent.

The Company has adopted the uncertainty in income tax accounting standard. This standard provides applicable measurement and disclosure guidance related to uncertain tax positions. Adoption of this standard had no effect on the Company's financial statements.

Note 3 - Net Capital Requirements

The Company is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1) which requires the maintenance of a minimum net capital, as defined, of the greater of \$5,000 or one-fifteenth of aggregate indebtedness, as defined. At December 31, 2020, the Company had net capital of \$2,341,812 which exceeded its requirement by \$2,336,812. Additionally, the Company must maintain a ratio of aggregate indebtedness to net capital of 15:1 or less. At December 31, 2020, this ratio was .04 to 1.

Note 4 - Related Party Transactions

Report of Independent Registered Public Accounting Firm

To the Member of
Bloom Securities, LLC

We have reviewed management's statements, included in the accompanying exemption report, in which Bloom Securities, LLC identified that it is considered a "Non-Covered Firm" exempt from provisions of 17 C.F.R §15c3-3 and is filing its exemption report relying on footnote 74 to SEC Release 34-70073, and as discussed in Q&A 8 of the related FAQ issued by the SEC staff. Bloom Securities, LLC limits its business activities exclusively to private placements of securities, mergers and acquisitions, advisory services and investment banking activities. Bloom Securities, LLC (1) did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of rule 15c2-4; (2) did not carry accounts of or for customers; and (3) did not carry PAB accounts (as defined in Rule 15c3-3), throughout the most recent nine month period without exception.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Bloom Securities, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in Rule 15c3-3 under the Securities Exchange Act of 1934.
