CIMAS, LLC
NOTES TO FINANCIAL STATEMENTS
December 31, 2022

NOTE 1 — DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Organization

CIMAS, LLC (the Company) is a two-member limited liability company.

The Company was formed for the purpose of providing individualized investment management services. The Company is a broker-dealer registered with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Authority (FINRA).

CIM, LLC d/b/a Curran Investment Management and d/b/a Curran Wealth Management (CIM, LLC) is an affiliate of the Company.

(b) Basis of Financial Statement Presentation

The accounting policies and reporting practices of the Company conform to the predominant practices in the broker-dealer industry and are in accordance with accounting principles generally accepted in the United States of America.

(c) Revenue Recognition

The Company follows Accounting Standards Codification ("ASC") Topic 606, Revenue from Contracts with Customers (ASC Topic 606"). The revenue recognition guidance requires that an entity recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five-step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation.

Commissions on debt and equity securities transactions are recorded based on the trade date. Commissions on mutual funds, insurance, interest and other income are recognized when earned. Commissions receivable represent commissions earned on these transactions, but not collected by the company. Commissions receivable also represent the unpaid portion of 12b-1 fee income adjusted for estimated uncollectible amounts.

Bad debts are provided for on the allowance method based upon historical experience and management's estimation of collection losses on outstanding receivables. Receivables are written off against the allowance based on individual credit evaluation and specific circumstances of the client. As of December 31, 2022, there was no allowance for uncollectible amounts.

(d) Securities and Exchange Commission Rule 15c3-3 Exemption

The Company is not required to maintain a reserve account for the benefit of customers under Rule 15c3-3 of the Securities and Exchange Commission. Previously all customer transactions were cleared through another broker-dealer on a fully disclosed basis and the Company promptly forwarded all funds and securities of its customers received in connection with its activities to this broker-dealer. The relationship with the clearing firm ended in the prior year and the deposited amount was returned. The Company does not maintain margin accounts.

CIMAS, LLC
NOTES TO FINANCIAL STATEMENTS
December 31, 2022

NOTE 1 — DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(e) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(f) Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers cash and cash equivalents to be cash on hand, cash in banks and temporary cash investments with an original maturity of less than three months.

(g) Income Taxes

The Company is treated as a partnership for federal and state income tax purposes, and it is the partner's responsibility to report and pay income taxes on the Company's income. Accordingly, no provision for income taxes has been provided for in the Company's financial statements.

The Company follows the guidance issued by the Financial Accounting Standards Board ("FASB") regarding accounting for uncertainty in income taxes. This guidance clarifies the accounting for income taxes by prescribing the minimum recognition threshold an income tax position is required to meet before being recognized in the financial statements and applies to all income tax positions. Each income tax position is assessed using a two-step process. A determination is first made as to whether it is more likely than not that the income tax position will be sustained, based upon technical merits, upon examination by the taxing authorities. If the income tax position is expected to meet the more likely than not criteria, the benefit recorded in the financial statements equals the largest amount that is greater than 50% likely to be realized upon its ultimate settlement.

The income tax position taken by the Company for any years open under the various statutes of limitations is that the Company continues to be exempt from income taxes by virtue of its pass-through entity status. Management believes this tax position meets the more-likely-than-not threshold and, accordingly, the tax benefit of this income tax position (no income tax expense or liability) has been recognized for the years ended on or before December 31, 2022.

The Company believes that there are no tax positions taken or expected to be taken that would significantly increase or decrease unrecognized tax benefits within 12 months of the reporting date.

None of the Company's federal or state income tax returns is currently under examination by the Internal Revenue Service ("IRS") or state authorities.

NOTE 1 — DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(h) Fair Value Measurement

Management determines the appropriate classification of securities at the time of purchase. Securities held for resale in anticipation of short-term market movements are classified as trading. Trading securities are recorded at fair value with changes in fair value included in earnings.

Investments are accounted for under *Fair Value Measurements*, a practice which establishes a framework for measuring the fair value of investments and provides for certain investment related disclosures. Fair value is defined as the price that would be received for an asset, in the principal or most advantageous market for the asset, in an orderly transaction between market participants on the measurement date.

The following describes the three levels of inputs that may be used to measure fair value:

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets.

Level 2 – Observable inputs (other than quoted market prices) in active markets for identical assets.

Level 3 – Unobservable inputs in which there is little or no market data available, which may require the Company to develop its own assumptions.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

(i) Profitability and Liquidity

The Company has reported a net loss of approximately \$5,900 for the year ended December 31, 2022. The Company's ability to achieve profitability is dependent on continued business plan execution and continued support from CIM, LLC. Management has continued to implement its business plan and work to improve profitability and liquidity with CIM, LLC's support subsequent to year-end.

(j) Subsequent Events

The Company has evaluated events and transactions for potential recognition or disclosure of events that have occurred subsequent to December 31, 2022 through February 21, 2023, which is the date the financial statements were available to be issued and determined there are no subsequent events that occurred during such period that would require disclosure in this report or would be required to be recognized in the financial statements as of December 31, 2022.

CIMAS, LLC
NOTES TO FINANCIAL STATEMENTS
December 31, 2022

NOTE 2 — PREPAID EXPENSES AND OTHER ASSETS

As of December 31, 2022, prepaid expenses are as follows:

Deposit on account with FINRA	\$ 1,304
Prepaid insurance	<u>694</u>
Total prepaids	<u>\$ 1,998</u>

NOTE 3 — RELATED PARTY TRANSACTIONS

Under an expense sharing agreement, CIM, LLC allocated certain operating expenses to the Company for occupancy expenses, employee services, and other miscellaneous expenses incurred for the benefit of the Company. CIM, LLC is reimbursed by the Company on a monthly basis at a flat rate of \$704 per month for occupancy expenses, employee services and other miscellaneous operating expenses. Expenses allocated to the Company were \$8,448 for the year ended December 31, 2022. As of December 31, 2022 there was an overpayment to CIM, LLC of \$3,355 for 2022 shared expenses.

In December 2022, the Company and CIM, LLC renewed the purchase of business insurance from a captive insurance company owned by the member's spouse. Coverage includes various business risks such as business interruption, data breach, legislative and regulatory, etc. Total premium approximated \$430,000 in 2022, of which approximately \$4,300 was allocated to the Company. The prepaid portion at December 31, 2022 was \$694 and is included in prepaid expenses.

NOTE 4 — NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital of 6 2/3% of aggregate indebtedness but not less than \$5,000 and that the ratio of aggregate indebtedness to net capital both as defined, shall not exceed 15 to 1. The Rule also restricts the payment of dividends in certain cases. At December 31, 2022, the Company had net capital, as defined, of approximately \$5,200, which was approximately \$200 in excess of its minimum required net capital of \$5,000 at December 31, 2022. The Company's ratio of aggregate indebtedness to net capital was .067 to 1 at December 31, 2022.

As of December 31, 2022, the Company has breached their early warning threshold. The Company notified FINRA on February 6, 2023 and made a capital contribution to correct its early warning threshold breach from its owner sufficient to correct the breach.

NOTE 5 — CONCENTRATIONS OF CREDIT RISK

The Company's financial instruments that are exposed to concentrations of credit risk consist primarily of cash, cash equivalents and investment in money market funds. The Company places cash and cash equivalents with high quality credit institutions. At times such amounts may be in excess of the FDIC insurance limit. As of December 31, 2022, the Company did not have any cash in excess of the insured FDIC limit.

FDIC insurance per depositor, per institution is \$250,000.

We have reviewed management's statements, included in the accompanying **CIMAS, LLC** Exemption Report, in which (1) **CIMAS, LLC** identified the following provisions of 17 C.F.R. §15c3-3(k) under which **CIMAS, LLC** claimed the following exemption from 17 C.F.R. §240.15c3-3: (k)(1) (exemption provisions) and (2) **CIMAS, LLC** stated that **CIMAS, LLC** met the identified exemption provisions throughout the most recent fiscal year without exception. **CIMAS, LLC's** management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about **CIMAS, LLC's** compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(1), of Rule 15c3-3 under the Securities Exchange Act of 1934.
