### *Basis for Opinion*

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

**BARINGS SECURITIES LLC**  
(A Wholly Owned Subsidiary of Barings LLC)  
Notes to Financial Statements  
December 31, 2023

**Note 1. Business and Summary of Significant Accounting Policies**

*Business*

Barings Securities LLC (the Company) is a wholly owned subsidiary of Barings LLC (the Member), an indirect subsidiary of Massachusetts Mutual Life Insurance Company (MassMutual). The Company is registered as a broker and dealer under the Securities Exchange Act of 1934, and is a member of the Financial Industry Regulatory Authority, Inc. (FINRA).

*Use of Estimates*

The preparation of financial statements in accordance with U.S. generally accepted accounting principles (GAAP) requires management to make estimates and judgments that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

*Related-Party Expenses*

Related-party expenses incurred by the Company are reported in expenses allocated from the parent. Accordingly, the financial statements may not necessarily be indicative of the financial position that would have existed or results of operations or cash flows that would have occurred had the Company operated as an independent entity.

**Note 2. New Accounting Standards**

*Adoption of New Accounting Standards*

There were no new accounting standards issued in 2023 that required adoption by the Company.

**Note 3. Fair Value of Financial Instruments**

The Company has cash and cash equivalents as of December 31, 2023 in the amount of \$1,949,004. Cash represents funds held in bank accounts under normal commercial terms. Investments in money market funds and securities with initial maturities of three months or less are considered to be cash equivalents. Such investments are carried at cost, which approximates fair value. Through the Company's valuation techniques, cash and cash equivalents are classified as Level 1 in the fair value hierarchy.

**Note 4. Concentration of Risk**

The Company derives substantially all of its capital from the Member, including non-cash capital contributions to finance related party expense allocations. In the event that the Member were to cease its relationship and stop dealing with the Company, it is possible that the severe disruption in business could prevent the Company from continuing as a going concern. However, the Company's management believes that there should not be any substantial doubt about the Company's ability to continue as a going concern for a reasonable time period. The Member has given no indication that it plans to cease providing support to the Company.

**Note 5. Related-Party Transactions**

The Company has an agreement with the Member under which the Member provides the Company with management, administrative facilities, and services, including the use of the Member's sales personnel. As part of this agreement, the Member acts as the Company's paying agent for payment of the Company's expenses. Fees for these services are based on the Company's pro rata use of the Member's personnel, applied to those allocable expenses incurred by the Member. These expenses primarily include compensation expense, payroll taxes and benefits, occupancy, and office services.

In addition, the Member reimburses the Company for its allocated expenses through a non-cash capital contribution in the form of forgiveness of amounts due for allocated expenses in order to allow the Company to meet its required minimum capital amounts. Accordingly, the statement of financial condition and the related statements of

**BARINGS SECURITIES LLC**  
(A Wholly Owned Subsidiary of Barings LLC)

operations and cash flows may not be indicative of the financial position of the Company at December 31, 2023 and its results of operations and its cash flows for the year then ended had the Company operated as an independent entity. In 2023, under the terms of the expense agreement, the Member allocated \$1,156,124 of expenses to the Company. The Member reimbursed the Company for its allocated expenses in the form of forgiveness through a non-cash capital contribution of \$1,156,124.

The Company is compensated for MassMutual's use of the tax losses created by the non-cash expenses allocated to the Company from, and paid for the Company by, the Member. Allocated expense amounts for the year ended December 31, 2023 resulted in a tax benefit of approximately \$242,786, based on the federal effective tax rate of 21%. This tax benefit amount is included in the income tax benefit reflected on the statement of operations for the year ended December 31, 2023. As of December 31, 2023, the Company has an income tax receivable from MassMutual in the amount of \$672,749.

**Note 6. Income Taxes**

Income taxes due to government authorities are based on the Company's best estimate of its current and deferred tax liabilities (DTL). Deferred income taxes are provided for temporary differences that exist between financial reporting and tax bases of assets and liabilities. The Company has a temporary difference for prepaid expenses. The effective tax rate is different from the prevailing corporate U.S. federal tax rate primarily due to permanent differences caused by items such as state taxes.

The Company is included in a consolidated U.S. federal income tax return with MassMutual and its eligible U.S. subsidiaries. The Company also files income tax returns in various states and foreign jurisdictions. MassMutual, and its eligible subsidiaries and certain affiliates (the Parties), including the Company, have executed and are subject to a written tax allocation agreement (the Agreement). The Agreement sets forth the manner in which the total combined federal and state income tax is allocated among the Parties and the Parties have elected the methods prescribed in Internal Revenue Service Treasury Regulations Sections 1.1552-1(a)(2), "Basic Method 2", and 1.1502-33(d)(3), "Percentage Pay Method". The Agreement provides the Company with the enforceable right to recoup federal income taxes paid in prior years in the event of future net losses, which it may incur. Further, the Agreement provides the Company with the enforceable right to utilize its net losses carried forward as an offset to future net income subject to federal income taxes.

Allocated taxes are calculated on a quarterly basis. During the year ended December 31, 2023, the Company received income tax payments from MassMutual in the amount of \$371,016.

The Internal Revenue Service (IRS) has completed its examination of MassMutual and its subsidiaries for the year 2013 and prior. The 2014-2016 tax years are in Appeals for 3 carryforward issues. The IRS completed the examination of the 2017-2018 tax years and is being transferred to Appeals. The adjustments resulting from these examinations are not expected to materially affect the position or liquidity of the Company.

The components of income taxes included in the statement of income (loss) for the year ended December 31, 2023 are as follows:

**BARINGS SECURITIES LLC**

Income tax (benefit) expense:

Current:

Total current	(314,710)

Deferred:

Federal	2,766
State	(95)
Total deferred	2,671
Income tax benefit	\$ (312,039)

As of December 31, 2023, the Company had a DTL of \$36,086 attributable to prepaid expenses.

A reconciliation of the differences between the income tax benefit and the amount computed by applying the prevailing corporate U.S. federal tax rate to the pre-tax loss for the year ended December 31, 2023 is as follows:

	Amount	Percentage
Provision for income taxes at the U.S. federal rate	\$ (297,308)	21.0 %
State tax, net of federal effect	(14,731)	1.0
Total income tax benefit	\$ (312,039)	22.0 %

Management has determined that no reserves for uncertain tax positions are required at December 31, 2023.

**Note 7. Net Capital Requirements**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the net capital ratio (ratio of aggregate indebtedness to net capital, both as defined), shall not exceed 15 to 1 and also provides that equity capital may not be withdrawn or cash dividends paid if the net capital ratio would exceed 10 to 1. At December 31, 2023, the Company had net capital of \$1,876,913, which was \$1,851,913 in excess of its required net capital of \$25,000. The Company's ratio of aggregate indebtedness to net capital as of December 31, 2023 was 0.02 to 1.00.

***Exemption from Rule 15c3-3***

The Company operates pursuant to the exemption provisions of Footnote 74 of the SEC Release No. 34-70073.

**Note 8. Subsequent Events**

Management has evaluated events and transactions that have occurred from December 31, 2023 through February 23, 2024 the date of issuance of the financial statements, for potential recognition or disclosure in these financial statements. Adjustments or additional disclosures, if any, have been included in these financial statements.

## Report of Independent Registered Public Accounting Firm

To Those Charged with Governance  
Barings Securities LLC:

We have reviewed management's statements, included in the accompanying Exemption Report (the Exemption Report), in which (1) Barings Securities LLC (the Company) did not claim an exemption under paragraph (k) of 17 C.F.R. § 240.15c3-3 and (2) is filing the Exemption Report pursuant to footnote 74 of SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 because the Company limits its business activities exclusively to: (1) effecting securities transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company, (2) participating in distributions of securities (other than firm commitment underwritings) in accordance with the requirements of paragraphs (a) or (b)(2) of Rule 15c2-4, and the Company did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c2-4 and/or funds received and promptly transmitted for effecting transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company; did not carry accounts of or for customers; and did not carry PAB accounts (as defined in Rule 15c3-3) (together, the exemption provisions). We have also reviewed management's statements, included in the Exemption Report, in which the Company stated that it met the identified exemption provisions throughout the year ended December 31, 2023 without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, pursuant to footnote 74 of SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5.
