STIPULATED MOTION FOR ADDITIONAL EXTENSION OF TIME TO FILE

Pursuant to Rule 420(c) of the Commission's Rules of Practice, Applicant Michael Scott Barrows respectfully moves for an additional 14-day extension of current briefing deadlines.

Counsel for the Financial Industry Regulatory Authority (FINRA) has stipulated to and does not oppose this request.

The extension is sought to accommodate counsel's scheduling conflict due to a pressing evidentiary hearing that is ongoing in nature and to allow adequate time to fully brief the complex legal and factual issues involved.

Accordingly, Applicant respectfully requests that the Commission grant this motion and extend filing deadlines as follows:

Opening Brief in Support: September 25, 2025
