BOX Exchange Fee Schedule

* * * * *

Section II. Regulatory Fees

A. through B. No change.

C. Options Regulatory Fee^[14]

1. \$0.00295 per contract.¹⁴
2. Effective July 1, 2026. The per-contract Options Regulatory Fee (“ORF”) is assessed by the Exchange on each side of an options transaction cleared by the OCC in the “customer” range for executions that occur on the Exchange. The Exchange uses reports from the OCC when assessing and collecting the ORF. The ORF is collected by the OCC on behalf of the Exchange from either (1) a Participant that was the clearing firm for the transaction or (2) a non-Participant that was the clearing firm where a Participant was the executing firm for the transaction. The ORF is not assessed on outbound linkage trades.

* * * * *

¹⁴ The Options Regulatory Fee (ORF) will be assessed to each BOX Options Participant for all options transactions cleared or ultimately cleared by the BOX Options Participant that are cleared by The Options Clearing Corporation (OCC) in the customer range regardless of the exchange on which the transaction occurs. The ORF is not assessed on outbound linkage trades. The ORF is collected by OCC on behalf of BOX from either (1) a Participant that was the ultimate clearing firm for the transaction or (2) a non-Participant that was the ultimate clearing firm where a Participant was the executing clearing firm for the transaction. The Exchange uses reports from OCC to determine the identity of the executing clearing firm and ultimate clearing firm.
