Cboe U.S. Equities Fee Schedules

EDGA Equities

Effective [~~December 22, 2025~~]February 2, 2026

* * * * *

General Notes:

- In compliance with Regulation NMS Rule 610(d), effective February 2, 2026, unless otherwise indicated, all volume figures will be derived from quoting or trading activity in the prior month. Consequently, new Members will receive the base rates in their first month of trading.
- Unless otherwise indicated, rebates and charges for adding, removing or routing liquidity are listed as per share rebates and charges.
